GRAND MASTER'S REPORT.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

In submitting to you my report I desire to express to you my sincere appreciation for the honor and confidence which you have reposed in me.

MY AMBITION.

My chief ambition has been to do those things which would be of permanent value to our fraternity.

STATE OF THE ORDER.

This has been a year of unusual activity. We have had the largest gain in the history of our Order. For the year ending April 1st our net gain was 4,786, or more than 10 per cent of the gain of the entire United States. We surpassed every other jurisdiction by more than 1,500 members. Our total membership on October 1st will be given during the session of the Grand Lodge.

WHERE LIES THE HONOR?

For the wonderful prosperity which our Order has enjoyed, the honor belongs to those loyal brothers throughout this great jurisdiction who have made such wonderful sacrifices for our fraternity. I personally thank them one and all.

FIRST LETTER TO LODGES.

Chicago, Ill., November 18, 1910.

To the Subordinate and Rebekah Lodges of the State of Illinois,
I. O. O. F., Greeting:

Yesterday I was installed as your Grand Master. Today I enter upon the work which you have intrusted to me.

In grateful appreciation of the confidence reposed in me by the unanimous expressor of your Representatives in Grand Lodge assembled, I pledge to you my best services. If we are to have continued success and renewed prosperity, we must proceed along definite lines and promulgate business principles. Your Grand Master wants every member of this Order to know that the Executive Officers of

this Order are his friends. Your Grand Master has only one ambition, and that is to promote good fellowship among the fraternity. We want you to know and feel that you are a part of this great institution, and that we need your co-operation in visiting the sick, relieving the distressed, burying the dead, educating the orphan, and helping those who are bowed down in grief or are burdened with trouble. I want every sister and brother to know and feel that they can approach their Grand Master with the same freedom and the same sincerity with which they would seek counsel and advice of their fellow members in their individual Lodges.

Ritualistic Work.

Dignity and accuracy should characterize the rendition of our ritualistic work. Those participating in this work should acquire a clear conception of the ritual. Nothing creates a greater interest among the members of a Lodge or appeals more strongly to the newly initiated than a proper rendition of our work.

Our Dead.

Our Grand Lodge Journal each year contains the names and dates of our deceased brothers, who have passed away during that year. How fitting it would be for your Lodge to secure one of these Journals and present it to the families of deceased brothers of your Lodge. This book would be sacred to these families. It would be a family record, and would be most carefully preserved. It would be referred to on many occasions by those families. The price of these Journals for this purpose will be fifty cents. It is recommended that you send your orders immediately to the Grand Secretary in order that he can have an additional number printed for this purpose. This year's Journal will contain all deaths between April 1, 1909, and April 1, 1910.

Librarian.

A large portion of our membership have never had the opportunity to acquire comprehensive knowledge concerning the magnitude of our great Order. Our Grand Lodge Journal contains a complete and detailed statement of all work in this State, and a comprehensive report of our Order throughout the world as embodied in the reports of our Grand Representatives to the Sovereign Grand Lodge. Every Subordinate Lodge is hereby directed to appoint a Lodge Librarian and the Librarian shall be required to place the Grand Lodge Journals in the hands of the members of the Lodge to give them an opportunity to read these proceedings. The brothers should be permitted to have a copy of the Journal one week, then it should be returned to the Librarian and by him given to another brother for a like period, and thus continue the work from week to week.

Where Are They?

A sacred trust has been committed to us. We are the guardians of our orphans and our widows. We are doing our duty in a manner which is commendable. Many of our brothers have provided well for their families so that it is not necessary for us to do anything in their behalf of a pecuniary nature, but many of their children need a father's counsel and a mother's sympathy. Are you in touch with them? Are you interested in their moral welfare? Are you doing your full duty to them? Every Lodge should have a complete record of every Odd Fellow's child and widow, and should communicate with them every year.

Non-Affiliated.

There are many Odd Fellows holding membership in other Jurisdictions who reside in our State, who have not affiliated with us. They can render no service to their local Lodges, and they need our fellowship, and we need their membership. Systematic work in this direction will be productive of good results.

New Lodges.

There are many localities in the State where new Lodges could be instituted and the Grand Master will be pleased to receive information concerning available territory. The personnel of the applicants will be thoroughly and carefully investigated as well as the conditions surrounding the movement. The Grand Master will be glad to co-operate and aid the formation of such Lodges when he is satisfied that such will prove beneficial to the best interest of the Order.

Insurance.

Every Lodge must have its property insured, both buildings, furniture and paraphernalia. The cost is purely nominal and Lodges must not carry the risk themselves. This is the duty of the Trustees, and the Deputy of the Lodge is hereby ordered to see that all of the Lodge property is properly insured.

Buildings and Temples.

Whenever a Lodge owns or controls its own hall, it has distinguished itself in the community where it exists. The Lodge is strengthened. Such Lodges appeal to the public that they are progressive. Your membership takes a deeper interest in the work. These buildings attract the attention of the public to our Order.

"Be it ever so humble, there is no place like home."

Your Grand Master recommends that Lodges having available funds and a progressive membership, erect buildings or secure leases for a term of years upon halls which they can control.

Amusements.

The successful Lodge must be awake to the realization of all its duties. You must provide amusement for your Lodge, its families and friends. The more amusements you provide for your families, the more interested they become in our Order. Make your amusements attractive and of a high order. Allow nothing except that which appeals to the highest ideals. Let them be so interesting that it becomes universally known in your community that the Odd Fellows and Rebekahs have most delightful social gatherings. During the last week of December, let every Lodge in this State have the best possible entertainment for their children in their own Lodge halls, and let this be followed during the year by frequent gatherings in your midst; and in gathering unto yourselves pleasure and amusement, remember those of your brothers and sisters and their families who are less fortunate and send your help by good cheer or financial aid.

Grand Sire John B. Cockrum Has Promulgated the Following Proposition:

"I propose to give a silver cup to cost not less than \$100.00 to the Grand Lodge that will show the greatest gain in Subordinate Lodge membership; this cup to be engraved as a gift from the Grand Sire to the successful Grand Jurisdiction. The award to be made upon a showing of the several Grand Jurisdictions between December 31, 1910, and December 31, 1911.

"I also propose to give to the Subordinate Lodge showing the largest increase in membership for the same period, to be determined in the same way, a Lodge banner to cost \$100.00; the same to show that it has been given by the Grand Sire to the Lodge for the work done as herein outlined."

We sincerely trust that one of our own Subordinate Lodges and our own Grand Lodge of the great jurisdiction of Illinois will be the recipient of our Grand Sire's magnanimous gifts.

Lodge Deputy.

The Lodge Deputy should be selected with great care, for upon him or her depends much of the peace, harmony and prosperity of the Lodge.

The Deputy is the Representative of the Grand Master, and upon him or her devolves the duty of upholding the dignity of our Order. He or she must have knowledge of the unwritten work, and must perfect himself or herself in the same before the next installation of officers. I direct that, immediately on receipt of this letter, you proceed to select, by vote of the Lodge, a qualified Past Grand or Past

Noble Grand from among your members for the office of Lodge Deputy for the ensuing year.

Historical Committee.

Please examine a copy of Thursday's Grand Lodge Daily Journal, which is in the possession of your Representative, and if your county is not represented on this committee, kindly send the name and address of some brother who is a member of this committee, in order that his name may be placed in the Grand Lodge Journal. A special letter will follow later, relative to the work of this committee.

Odd Fellows' Herald.

I shall avail myself of the kind tender of the columns of the Odd Fellows' Herald, as it will be the instrument of my reaching Odd Fellowship. In every issue of this paper during my administration there will be presented matters pertaining to every phase of Odd Fellowship, as well as a review of the year's work as it progresses, and a synopsis of future work.

This paper should have readers from every section in the State. Items of the great work that is being done are published in every issue, and a careful reading of its subjects will prove an inspiration to every member of the Order. It is my earnest desire that every Lodge in the State should subscribe for this paper at once. Let each Lodge select one of its members to send an occasional report of its work to the paper.

Membership.

Odd Fellowship is a valuable institution. Its members can not afford to be in arrears. Your good standing places every protection around you and your family. It protects you while living, and your family when you are dead. If you have neglected the payment of your dues, attend to it at once.

A Lodge, in order to be successful and progressive and in a position to discharge its obligations, must not only retain its membership, but must add something every year. Every Lodge in this State must make a net gain of one member or more per month, or at least twelve in one year. You can do it, and I know you will, if you put forth an earnest effort.

Promptness.

It is the earnest desire of your Grand Master that you give immediate attention to all communications and all business, thereby assisting your Executive Officers.

A Letter to Every Member.

Your Lodge will receive as many copies of this letter as you have members. The Secretary is hereby instructed to see that every resident member of your Lodge is supplied with a copy. It is my duty to serve every member of our Order.

Follow the beautiful lessons laid down in our Rituals and you will render a great service to this splendid Fraternity.

Visitations.

The Grand Master can not visit every county in the State, but during the coming year every county in the State will be visited, either by the Grand Master, or some one of his associate Grand Officers. It is my desire that county organizations be perfected in every county in the State.

Conclusion.

Your Grand Master has given you at some length a few of the matters which have appealed to him as worthy of your serious consideration. From time to time he will address you concerning the various matters pertaining to the welfare of our Order. He has done this for the purpose of endeavoring to communicate to you some of the things which he desires you to do, and he believes that you will give your hearty and earnest support to the movement and bring us into closer fellowship.

In undertaking this great work in behalf of humanity, we earnestly appeal to this great Sisterhood and Brotherhood to individually render their best personal services in making the lives of their members brighter and happier, and promote the principles of Odd Fellowship.

With a firm and steadfast determination to give this cause our best services, we ask the Divine Guidance of the Supreme Ruler of the Universe in all our undertakings.

With kindest and best wishes for your success, and the hope of a closer friendship among us, I remain,

Sincerely and fraternally yours,

JAMES EWING DAVIS,

100 Washington Street, Chicago, Ill.

Grand Master.

LETTER TO DEPUTIES.

Chicago, Ill., December 17, 1910.

Dear Sir and Brother:

It is with great pleasure indeed that I hand you your commission as Deputy for the year 1911. At this time I desire to impress upon you the high regard which I have for the position to which you have been appointed.

I recognize the fact that it is in your power to promote peace, harmony and good fellowship among your brethren. I especially desire to direct your attention to some of the duties pertaining to your office.

1. To act as the Special Agent and Representative of the Grand Lodge in your Lodge. In cases of doubt, you are to consult the Grand Master, or the Grand Secretary if the business relates to his office.

2. To see that the laws of the Sovereign Grand Lodge and of the Grand Lodge of Illinois are strictly observed, and to stay all proceedings in the Lodge which are illegal or irregular, or which offer ground for suspicion of error or fraud.

3. To visit your Lodge at least once in each month and to see that the work of the Order is done correctly.

4. To install the officers of your Lodge or cause them to be installed by a Past Grand to whom the Deputy gives written authority.

5. To give the pass words to the Noble Grand and the Vice Grand only.

6. To confer the Past Official Degree on qualified Past Officers or to authorize it to be done by some competent Past Grand.

7. To keep a record or journal of all your official acts:

(a) Of each application for a dispensation, stating whether the dispensation was granted, and, if refused, why.

(b) Of the date of all installations with names of officers installed.

(c) Of all decisions made by you.

(d) Of all other matters appertaining to your office.

It is the duty of your Lodge to provide you with a Record Book. It is your duty to see that the capitation tax is forwarded to the Grand Secretary, and your Grand Master hereby requires you to report to him, not later than the 15th of April, 1911, that said capitation tax has been forwarded to the Grand Secretary. You must see to it that your Lodge is not upon the delinquent list.

8. To make, not later than four weeks before the Annual Session of the Grand Lodge, a report to the Grand Master of all your acts not previously reported.

9. It is your duty to fully satisfy yourself, by rehearsals, that the Vice Grand and Noble Grand elect have faithfully committed and can impart the entire Degree Work to and including the Third Degree, and that all of the elective officers shall have committed to memory the opening and closing charges that are required of them, etc. This is the law as found in Section 1317 of Merrills' Code, page 149, and it is the order of your Grand Master that upon the receipt of your commission, that you read this entire Section to the members of your Lodge, and inform them that all officers who aspire to fill these positions must comply with these requirements, and that it is your duty to see that the law is enforced.

10. I earnestly request that you refrain from participating directly or indirectly in any controversy that may arise in your Lodge. You can not conscientiously and impartially pass upon a matter where you have been an active participant upon one side or the other. Your position in the matter should be neutral and when you are required to give a decision then the membership will have confidence and respect because of your previous attitude. I want to impress this deeply upon your mind.

11. Under Section 341 of the Code, you will observe that you shall obey the commands of the Grand Master and you shall decide all questions of law and usage when submitted to you in writing under the seal of the Subordinate Lodge. Your Grand Master hopes that you will familiarize yourself with all the duties which devolve upon you. The Grand Master wishes to take this opportunity of announcing that all questions of law and usage shall be first submitted to the Lodge Deputy Grand Master. I have had prepared a new commission, which is very attractive, and I trust that you will fully appreciate and realize the responsibility resting upon you and the very great confidence which the Grand Master reposes in his deputies. I enclose to you a blank report which must be mailed to me not later than the 15th day of April, 1911. Please attend to this promptly for the reason that it will require me to send a Special letter to you unless the same is received by the 18th of April, 1911.

With kindest and best wishes to you personally and with an earnest desire for the success and welfare of your Lodge and all its members, I am.

Sincerely and fraternally yours,

JAMES EWING DAVIS,

100 Washington Street, Chicago, Ill.

Grand Master.

QUALIFICATIONS OF A LODGE DEPUTY.

Among the duties of a Lodge Deputy is that of visiting his Lodge at least once a month to see that the work of the Order is done correctly and to examine the Elective Officers as to their qualifications.

In order that a man can determine whether anything is properly done or not, he should be qualified himself to judge as to its execution. How can a Deputy determine whether the work of the Order is done correctly or not, if he, himself, does not know how to do it? How can he determine whether the Noble and Vice Grand are proficient in the unwritten work if he does not know it himself? In order to pass upon qualifications of others, he, himself, must be duly and truly prepared. During the past year the Deputies have done splendid work in adhering to the law and I am glad to know that they have had the courage of their conviction, and that they have refused to install officers who would not qualify themselves for their work. The position of Deputy is a most important one. Every Deputy should be an Official Instructor. It would be a hardship to impress that requirement at the present time as a qualification for the position of Deputy. If we do make this requirement it will raise the standard of our work. I think that the brothers should have at least one year in which to qualify themselves as Official Instructors, and I recom-

mend that, beginning after the Grand Lodge Session in 1912, the Grand Master only appoint Deputies who hold or have held commission of Official Instructor within two years from the date of their appointment.

I recommend that the Committee on Legislation report such amendments as may be required to carry out the spirit of this recommendation.

BOOK FOR LODGE DEPUTY.

When I sent out my official letter to my Deputies, I called their attention to that part of Section 384 of Merrills' Code, which is as follows:

"To keep a record or journal of all his official acts: (a) of each application for a dispensation, stating whether the dispensation was granted, and, if refused, why; (b) of the date of all installations, with names of officers installed; (c) of all decisions made by him; (d) of all other matters appertaining to his office."

I recommend that every Lodge Deputy secure a book in conformity to the law, as he could not keep a record or journal without any book. The Lodge should provide this book for its Deputy and all his acts should be officially recorded. When he has concluded his term of office, then the book can be turned over to his successor. It is then possible to turn to the official acts of the Deputy at any time and in any year. Several Deputies did not secure these books for the reason that they were of the opinion that the Lodge ought to furnish them and I am of the same opinion.

THANKS TO DEPUTIES.

I wish to express my deep appreciation for the services rendered to me by my deputies throughout the State. My experience has been that the Deputies are well qualified for the positions to which they have been appointed. There has been an earnest and honest endeavor on their part to do their duty. They desire to uphold the law and to co-operate with the Grand Master in his work. The only difficulty seems to be that they are sometimes not treated with the respect and consideration to which they are entitled.

DROPPED MEMBERS.

Chicago, Ill., February 7, 1911.

To the Subordinate Lodges of the State of Illinois, I. O. O. F.—
Greeting:

Dear Brothers:

1. During the past ten years, we have lost on account of non-payment of dues about 30,000 members, or an average of about thirty members to each Lodge.

I request that you immediately appoint a committee of five to make a list of your members dropped during the past ten years, and that this committee be instructed to make a special effort to secure the reinstatement of as many of these as possible. Let each Lodge secure at least two reinstatements between now and March 31, 1911.

2. For the year ending March 31, 1910, we dropped for non-payment of dues 3,593, or almost an average of four members to each Lodge in the State. Please send me the names and addresses of your brothers who are in arrears for dues to the amount of one year's dues whom you wish to retain, and I shall be glad to write them a personal letter, requesting them to retain their membership. Please make up a list of your brothers who are more than one year in arrears and appoint a committee of five to see the brothers at once. Let us retain all our desirable members.

3. At the beginning of my term of office, I said in my Official Letter, "Every Lodge in this State must make a net gain of one member or more per month, or at least twelve in one year." If your Lodge has not made a net gain of six members since the first day of October, 1910, then you have fifty days in which to do this work. The books close on the 31st day of March, 1911. You can initiate these members any time between now and that date. The reports which come to me from every section of the State are most gratifying. Splendid work is being done. Thousands of our brothers all over the State are doing noble work. Every Lodge which makes a net gain of six will be placed on the Roll of Honor. Will your name be so recorded? The decision rests with you. Kindly read this communication at every meeting between now and March 31, 1911.

Trusting that the year which is about to close has been a pleasant one to the members of the Order, and with the hope that the next fifty days will bring into fellowship with you many good men whose membership will be beneficial to us, I am

Sincerely and fraternally yours,

Attest:

JNO. H. SIKES,
Grand Secretary.

JAMES EWING DAVIS,
Grand Master.

DROPPED MEMBERS.

It is appalling to realize the great number of members who are dropped for the non-payment of dues. Last year in our jurisdiction 3,919 brother severed their connection with us in this manner. When we compare this number with the number of initiations, we can realize how deep seated this avenue of escape is at the present time. The number of initiations last year was 8,819.

Causes.

It is not always easy to determine the causes. You can not always place the responsibility where it rests. My rule has been to ascertain as far as possible as to what were the contributing causes. During the past year I sent out several thousand letters to members who were more than one year in arrears for dues and assessments. Many brothers responded, but no response came from a vast number. It is fair to presume that the answers which I received were based upon actual conditions as they existed. Several brothers stated that they had never received any notices from their Financial Secretaries, and that they had no knowledge as to the condition of their accounts. Others reported that former Secretaries had always notified them as to their standing and that they had always made these payments when so informed by that officer, but that there had been a change of Financial Secretaries and that the new Financial Secretaries had not notified them. Numerous cases came under my observation where members had been dropped without any previous notice. This is a very serious matter and some Financial Secretaries do not seem to realize the responsibility which rests upon them. Our law says that if a brother does not receive legal notice, then the Lodge can not take advantage of its own wrong and a liability would be incurred. The Constitution is not complied with in many cases in sending out the quarterly statements. No notice is sent until the final notice and then it is sent in the form of a threat.

Effect.

When a member drops out of our Order his influence is against our Order. The fact that he has allowed himself to become dropped is an argument that there is something which is not satisfactory to him in our Order. While he may never utter a word derogatory to our institution, yet the mere fact that he has severed his membership is the occasion of remarks and criticism. Again there is the liability as above set forth arising from the negligence and carelessness of the Financial Secretaries. Then there is the inconvenience and dissatisfaction which arises by reason of the Financial Secretary failing to do his duty.

Remedy.

If you read the reports of the different jurisdictions, you will note that the one problem, which stands out foremost in every state, is the tremendous number of members dropped for the non-payment of dues. This demonstrates that the cause contributing to this leakage is not purely local. It permeates the entire structure. In prescribing for the disease, it is not possible to furnish a medicine which will

counteract all the evil effects. Healthy tissues can not be restored at once. It will require vigorous treatment and regularity must be observed in the use and application of the medicine.

(a) Good work will be the means of saving more members than any plan which could be devised. If you can not confer your degrees in a dignified and impressive manner, then you can make no impression upon a candidate, and unless you can appeal to him in that manner, then his influence is lost. More men have lost interest in the cause of Odd Fellowship by witnessing poor work than can be attributed to any one cause. I venture to the prophecy that no man ever severed his connections with our Order on account of the principles of Odd Fellowship, for the reason that no one can find any fault with them, but the trouble has arisen on account of the application which has been made of the principles of Odd Fellowship.

(b) Notify every member of the Lodge on the first of each and every quarter as to his account, regardless of the amount which he owes. Let this be sent to him in the form of a statement, just the same as a man receives from his bank, his grocer, his physician, and such statements as usually come in the natural order of business. Let these statements contain nothing in the nature of a dun.

(c) These notices should be uniform and should be gotten out under the direction of the Grand Master and Grand Secretary and furnished to the Lodges at actual cost.

(d) Our laws should be changed relative to assessments so that an assessment is charged against the account of a member on the first day of each quarter and will not affect his standing until that time. Then he is apprised of these assessments. Frequently he has no notice of these assessments until the expiration of one year. While the law at the present time relative to assessments may be poor, yet more publicity should be given to the subject and an amendment should be embodied in our Subordinate Lodge Constitution to the effect that all assessments shall be charged against a member's account on the first day of each and every quarter.

(e) Final notice prior to dropping should only be sent by registered mail, when it is necessary to deposit the same in the mail. Then you have a registry receipt to show that the brother received the same and that there can be no question as to his receiving it. When a final notice is delivered in person by the Financial Secretary, then there should be a form prepared by the Grand Master and Grand Secretary, which would be furnished to the lodges at actual cost, so that the Financial Secretary could determine as to the date and manner of serving this notice. These cards could be preserved and the lodge could determine at a moment's notice just when the same was delivered and then no question could arise as to the brother receiving a notice.

I recommend the enactment of such legislation as will embody the above matters in our laws.

I further recommend that each lodge, at the first meeting of December in each and every year, appoint a **Saving Committee** of five and that the Financial Secretary shall furnish this committee, within one week after its appointment, a list of the names of all brothers who are more than one year in arrears for dues and assessments, and that said committee shall visit, personally, all of said brothers who are so reported and who live in the community where the lodge is located and endeavor to prevail upon them to pay up their arrearages, and this committee shall report to their lodge, at the second meeting of January thereafter; and that immediately after their report, the Financial Secretary shall report to the Grand Master the names of all brothers, who, at that time, are still more than one year in arrears for dues and assessments; that the Grand Master shall then address a letter to these brothers, requesting them to notify their membership.

1819—ANNIVERSARY PROCLAMATION—1911.

Chicago, Ill., March 11, 1911.

To the Subordinate and Rebekah Lodges of Illinois, I. O. O. F.—
Greeting:

Dear Sisters and Brothers—Our Order was established in the year 1819 in the city of Baltimore, and on the 26th day of April, 1911, we will celebrate our ninety-second anniversary.

The Grand Sire of the Sovereign Grand Lodge of the Independent Order of Odd Fellows, John B. Cockrum, has issued a proclamation dated February 15, 1911, enjoining upon all Grand and subordinate bodies of the Order to take appropriate action for the due commemoration of the ninety-second anniversary of our Order on the twenty-sixth day of April, 1911, by suitable exercises in observance of the day and by public thanksgiving to Almighty God for His manifold mercies to us as individuals and as an order.

Now, therefore, I, James Ewing Davis, Grand Master of the Independent Order of Odd Fellows of the State of Illinois, by virtue of the authority and power in me vested, do request and direct that all Subordinate and Rebekah Lodges within this jurisdiction observe this anniversary by suitable and appropriate exercises on the twenty-sixth day of April, or on some other date convenient for your membership. In commemorating this day, let us give thanks to the great Author of the Universe for the blessings which we have received and let us especially remember those who have been less fortunate than ourselves and minister unto them. And on this day let us consecrate ourselves anew to the great work which we have undertaken in behalf of humanity.

I hereby grant to all Subordinate and Rebekah Lodges which observe this anniversary in accordance with this proclamation, a dispensation to wear the regalia of the Order upon this occasion

Done at Chicago, Ill., this 11th day of March, A. D. 1911.

Attest:

JAMES EWING DAVIS,

JNO. H. SIKES,

Grand Master.

Grand Secretary.

The ceremony to be observed at the celebration of the anniversary of the Order as adopted by the Sovereign Grand Lodge can be obtained from Grand Secretary John H. Sikes, Springfield, Illinois, at 25c per copy.

FUNERAL CEREMONY AND OTHER MATTERS.

Chicago, Ill., April 1, 1911.

To the Subordinate Lodges of the State of Illinois, I. O. O. F.—Greeting:

Dear Brothers—1. I request that the Noble Grand for the present term appoint a Committee of Five on Fraternal Greetings to serve until October 1st, whose duty shall be to welcome all members to the Lodge, introduce the visiting brothers and also to introduce those members who are not regular attendants at Lodge. Endeavor to make every brother feel that an atmosphere of fellowship prevails in your Lodge so pure and wholesome that the members will desire to partake of its invigorating influence at least once a week.

2. In conducting the funeral ceremonies incident to the burial of our deceased brothers, we oftentimes fail to impress our brothers and our friends with the solemnity of the occasion. I would recommend that every Lodge select a Noble Grand and a Chaplain whose duty it shall be to officiate on all occasions in connection with the burial of our deceased brothers. In this manner they can become proficient in their charges so that they can be delivered without the use of the funeral ceremony. How much more impressive and dignified this will be. This is one feature of our work to which we should give special attention. Every Lodge should have at least four copies of the funeral ceremony. If your Lodge does not possess them, kindly order them from the Grand Secretary. The price is 25c per copy.

3. I direct that the Finance Committee, in checking up the books of the various officers of the Lodge, exercise great care and caution in the performance of their duties, and that this Committee report to the Lodge in writing that they have audited the books and accounts of the various officers, and that they certify to the amount of money which the Treasurer has in his custody or should have in his custody, and that they verify his report as to the funds reported by him. You cannot exercise too much care and caution in safe-guarding your finances.

4. The Lodges must remit their Capitation Tax immediately to the Grand Secretary. The warrant for same must be drawn before your officers are installed. It is the duty of the Deputy of the Lodge to see that this money is sent immediately. It has been the custom for many years that a large number of Lodges have been reported delinquent in the matter of the payment of their capitation tax. On April 15th, the Grand Secretary will report to me the Lodges which have failed to send in their Capitation Tax, and I earnestly appeal to all the Lodges to send in their Capitation Tax without delay, so that it may not be necessary for me to enforce the law relative to your failure to do this.

5. I herewith enclose a report which the Recording Secretary is directed to mail to me as soon as the officers are installed. It is necessary that I should receive this immediately in order that I may be in a position to facilitate my work. Many Secretaries seem to think that it does not make any difference when these matters are attended to, but I can assure you that it is important that they should be given immediate attention. Please remember that your other reports go to the Grand Secretary, and that this special report goes to me.

During the past few months there has been wonderful activity all over the State. Lodges are showing a wonderful enthusiasm in the matter of conferring the degrees, and we know that the high standard of work which is being done throughout the jurisdiction is producing splendid results.

I sincerely hope that the term just beginning will be one which will be beneficial to all our membership, and that each and every member will exert his influence to promote peace, harmony and good will in his Lodge, and that every brother will exemplify in his daily life the Golden Rule.

Sincerely and fraternally yours,

Attest:

JAMES EWING DAVIS,

JNO. H. SIKES,

Grand Master.

Grand Secretary.

MEMORIAL DAY PROCLAMATION.

Chicago, Ill., April 29, 1911.

To the Subordinate and Rebekah Lodges, I. O. O. F., of Illinois—
Greeting:

Dear Brothers and Sisters—According to the requirements of a standing resolution of the Sovereign Grand Lodge and the proclamation of Grand Sire John B. Cockrum, I do hereby name the second Tuesday of June next, being the 13th day of June, 1911, as Memorial Day, and request all Subordinate and Rebekah Lodges that have suffered loss in membership by death to assemble on that day or upon

any more convenient day adjacent thereto and engage in appropriate services in memory of their deceased members. A general dispensation to wear the regalia of the Order at such memorial services is hereby granted to all Subordinate and Rebekah Lodges within this jurisdiction.

Done at the city of Chicago, on this 29th day of April, 1911, and in the year of our Order the ninety-third.

Attest:

JAMES EWING DAVIS,

JNO. H. SIKES,

Grand Master.

Grand Secretary.

The ceremony for Memorial Day and for decorating the graves of deceased members (two in one book), may be obtained from Grand Secretary Jno. H. Sikes, Springfield, Ill., at 25c per copy.

FUNERAL CEREMONY.

If there ever was a time when a Lodge ought to make a good impression, it is when conducting the funeral services of a deceased brother before the public. As I said in one of my official letters, the Lodge should have brothers to fill these positions who will commit these charges and deliver them without the use of the Book of Forms.

OUR DEAD.

I congratulate our Lodges upon the strict observance of MEMORIAL DAY. These services are becoming more numerous. In a short time every Lodge in the State will hold this day as sacred. Let our deceased brothers' families know that the strong arm of fellowship is still about them, notwithstanding their dear ones have passed away.

INDIANA.

Geographically and numerically, in the field of Odd Fellowship, Indiana is next to Illinois. In hospitality, we can not surpass it. Two exceedingly pleasant days, viz.: May 17th and 18th, were spent with the Grand Lodge of Indiana. We had the pleasure of visiting the Home at Greensburg, which is located fifty miles from Indianapolis. They have a splendid Home, and they have reason to be proud of their Home and its management. I had the pleasure of listening to a very able and eloquent address by the Grand Sire, John B. Cockrum. I extended an invitation to the Grand Sire to visit our Grand Lodge in November, and I can assure you that it is a very great pleasure for me to inform the brothers and sisters of our jurisdiction that he has accepted and will be with us on that occasion. The jurisdiction of Indiana is to be congratulated upon its efficient Grand Secretary. Brother Leedy has been Secretary of the Grand Lodge for the last

fifteen years and it is an inspiration for anyone to be in his presence. While at Indianapolis I had the pleasure of witnessing the Encampment Degrees conferred upon former Vice President Charles W. Fairbanks, who is a resident of that city. Brother Leedy is working day and night in order to make the session of the Sovereign Grand Lodge the most successful that was ever held in the United States. Your Grand Master assured him that our jurisdiction would turn out in large numbers and do honor to our Grand Sire and to our sister jurisdiction, of whom we are so justly proud. While at the session, I was very much gratified to meet Dr. J. M. Haney of Centralia, who was there making arrangement for putting on the Rebekah Degree for his staff from Centralia, which has entered for one of the prizes. I shall always appreciate the many kind and fraternal courtesies which were extended to me during my present visit with the Grand Lodge of Indiana.

HOME COMING LETTER.

Chicago, Ill., Aug. 30, 1911.

To the Subordinate Lodges of the State of Illinois, I. O. O. F.—Greeting:

Dear Brothers—1. I am mailing to you 25,000 copies of a pamphlet entitled "SOMETHING RELATIVE TO ODDFELLOWSHIP." Each Lodge in the State will receive twenty-five copies. If you desire more address the Grand Secretary. Give this pamphlet to men who would make good Odd Fellows. A blank space has been left at the bottom of the back cover where Lodges can have stamped the name of the Lodge, meeting night, location, etc. Something like the following:

"WESTERN STAR LODGE NO. 1, I. O. O. F.

Meets Every Wednesday Night
At Alton, Illinois."

2. The Grand Master has not urged the Lodges to work during the hot season, as the brothers have been exceedingly busy and the weather such that it was almost impossible to have Lodge meetings. The weather is more pleasant now and we should again enter upon our work with renewed energy.

GRAND SIRE, JOHN B. COCKRUM.

The Grand Sire at the last session of the Sovereign Grand Lodge made the following proposition:

First—"I propose to give a silver cup, to cost not less than \$100, to the Grand Lodge that will show the greatest gain in SUBORDINATE LODGE MEMBERSHIP; this cup to be engraved as a gift from the Grand Sire to the successful Grand Jurisdiction. The award to be made upon a showing of the several Grand Jurisdictions during the year 1911."

Second—"I propose to give to the Subordinate Lodge showing the largest increase in membership for the same period, to be determined in the same way, a LODGE BANNER to cost \$100; the same to show that it has been given by the Grand Sire to the Lodge for the work done as herein outlined."

ILLINOIS MUST HAVE THIS CUP AND BANNER.

4. Our semi-annual term ends September 30th, 1911, and we must make one supreme effort to add additional members to the magnificent record which the Lodges of the State have already made during the present year.

3,000 MEMBERS DURING SEPTEMBER, 1911.

5. In behalf of Odd Fellowship in the great jurisdiction of Illinois I ask that every Lodge in the State initiate at least three new members during the month of September. The Lodges throughout the State have done splendid work, we have made the largest gain that was ever made in any one year. Twenty-two new Subordinate Lodges have been instituted, with a total membership of about 1,400 members, and we will institute at least four more new Lodges before the session of the Grand Lodge. Since the first of April two Lodges in the State have initiated more than fifty members each. No matter how successful your Lodge has been, you can get three more and we need three from each Lodge in the State in order to make certain that we will win the Grand Sire's prizes.

FRIENDSHIP, LOVE, TRUTH.

(1) (2) (3)

ROLL OF HONOR.

7. Every Lodge that makes a net gain of three between the first day of April, 1911, and the first day of October, 1911, will be placed on the ROLL OF HONOR and their names will appear in the next Grand Lodge Journal. Let every Lodge in the State be so recorded.

HOME COMING WEEK.

8. I hereby designate the last week of September, 1911, as Home Coming Week for the membership of the Subordinate Lodges. Let every member in the State visit his Lodge the last meeting night in September. Let it be a grand reunion. Let notices go out to your Lodges now that you are going to initiate at least three candidates on that night and that every Lodge in the State will initiate three or more candidates during that week. The roll of members of each Lodge should be called that night.

COMMITTEES OF THREE.

9. Let the Noble Grand appoint a committee of three to get at least three applications. Another committee of three on entertainment for that night and another committee of three to get all the resident members to Lodge during the Home Coming Week.

READ THREE TIMES.

10. The Secretary of every Lodge is hereby instructed to read this letter at three meetings during the month of September, 1911.

ILLINOIS.

"Not without thy wondrous story
Can be writ the Nation's glory."

ORPHANS' HOME BAND AT THE SOVEREIGN GRAND LODGE.

The Sovereign Grand Lodge, this year, meets at Indianapolis, and many of the members of the Order throughout the State have spoken to me relative to the attendance of the Orphans' Home Band. This is the pride of our Order throughout the State. This session of the Sovereign Grand Lodge will doubtless be the largest session that was ever held in the United States. It is estimated that more than 25,000 Odd Fellows will be in line in the parade. Our BOYS ought to participate in that demonstration. If our band is in attendance, it will be through the generosity of our Lodges throughout the State. The Home has no funds which are available for this purpose. I would be very glad indeed to have the Lodges which have not yet contributed for this purpose to contribute such an amount as they may feel able to donate; provided, however, I do not want any Lodge to contribute more than \$5.00. The Lodges can send the donations to Dr. J. A. Lucas, Superintendent Odd Fellows' Orphans' Home, at Lincoln, and remittances will be acknowledged by him. These donations are purely voluntary and no Lodge is expected to contribute unless they want to do so. I would kindly ask the Lodges to take up this matter as soon as possible in order that we can determine whether the band can go or not. The session of the Sovereign Grand Lodge will take place Monday, September 18, 1911, and will continue in session until the 23d of September. The parade will take place on Wednesday evening, September 20th.

CONCLUSION.

During my term of office I have visited between forty and fifty counties in the State. In addition to this I have visited over fifty Lodges in Chicago. The correspondence in my office has been very heavy, sometimes sending out more than 100 letters a day. My strength has been overtaxed and I now find myself physically worn out. It is

necessary that I regain my health and my physician has instructed me not to make any more official visits. All previous engagements are, therefore, cancelled. I have endeavored in every way possible to advance the cause of Odd Fellowship in this State. I have appreciated the fraternal greetings which have been extended to me in every section of our jurisdiction. Everywhere I have found the brothers working with that earnestness and loyalty which commends itself to all people. It is to the faithful brothers of our Subordinate Lodges that we owe the wonderful advancement and great success which has been made in our Order. To each and every brother I wish to extend my sincere and heartfelt thanks for their great work. During the balance of my term of office I ask the earnest co-operation and support of every brother.

With kindest and best wishes for the success of every member and every Lodge, I am

Sincerely and fraternally yours.

LITERATURE.

I had prepared 25,000 copies of a little pamphlet entitled "Something Relative to Odd Fellowship." Twenty-five copies of these were mailed to every Lodge in the State. I also instructed Lodges to order as many copies as they might desire from the Grand Secretary. I present this pamphlet with my report. I instructed the Grand Lodge Secretary to keep this set up so that he might supply all demands which might be made. Numerous requests have been made for additional copies. It is very helpful to have something in the hands of the members that gives a brief sketch of our Order.

While in attendance at the seventeenth anniversary of Three Links Lodge No. 812, on the third day of May, I was so impressed with the historical sketch of that Lodge that I made the remark that I would be pleased to see that report published. A few days afterwards Past Grand Sven Windrow came to my office and informed me that this Lodge had published 1,000 of the Three Links Bulletin for my use and that they would deliver these whenever I desired, free of charge. At that time the Grand Secretary was sending out some official matter and I instructed Brother Windrow to send 100 copies to the Grand Secretary's office, and I instructed the Grand Secretary to mail to the Lodges throughout the State. This contained the history of the largest Lodge in the State, and there were so many things of interest that I thought it would be of benefit to our members to read and study the plans which had been put into successful operation. For this kindness I tender to this splendid Lodge my sincere thanks.

When a man ain't got a dollar,
And is feeling mighty blue—
When the clouds are hanging heavy
And won't let the sun shine thro';
It's mighty clever action,
For a feller just to lay
His hand upon your shoulder
In a friendly sort of way.

It makes you feel so curious,
It makes the tear drops start,
And you kind of feel a swellin'
In the region of your heart.
You look up in his face,
And don't know what to say,
When his hand is on your shoulder
In a friendly sort of way.

O! This world's a curious combine,
With its honey and its gall;
With its cares and bitter trials,
But a good world after all.
And a good God must have made it,
Leastwise that's what I say,
When a hand is on my shoulder
In a friendly sort of way.

Independent Order of Odd Fellows

ORIGIN.

THE INDEPENDENT ORDER OF ODD FELLOWS was organized ninety-two years ago in the City of Baltimore, Maryland. The first lodge was called Washington Lodge No. 1, and was instituted on the 26th day of April, 1819.

ITS PURPOSE.

"We command you to visit the sick, relieve the distressed, bury the dead and educate the orphan."

THE MOTTO.

"Friendship, Love and Truth."

NON-SECTARIAN.

Odd Fellowship welcomes to its membership men of all churches and of all creeds. Men of all nationalities of the pure white race. It leaves to the individual conscience the path by which men shall attain to the higher and better life.

NON-POLITICAL.

No political discussions are ever permitted in an Odd Fellows Lodge. The order does not interfere with a man's political faith.

Second Page.

2

HIGH IDEALS.

It does not admit saloon-keepers, bar-tenders or professional gamblers to membership.

COST.

The expenses of all the Degrees is from Fourteen (\$14.00) to Twenty-five (\$25.00) dollars, according to the fees charged by the Lodge. The dues average from Five (\$5.00) to Eight (\$8.00) Dollars per year, payable quarterly.

LIFE MEMBERSHIP.

You can not become a member until you are twenty-one years of age, and the average man does not live to be more than sixty-one (61) years of age—so forty years can constitute a life membership. Forty years dues at six dollars per year would be Two Hundred and Forty Dollars (\$240.00) plus Twenty-five Dollars (\$25.00) for your degrees would be Two Hundred and Sixty-five Dollars (\$265.00) or the cost of a life membership and forty years in which to pay it, or less than two cents per day.

WHAT DOES A LIFE MEMBERSHIP MEAN?

(1) Membership in the Independent Order of Odd Fellows means—Fraternity and Fellowship, not only with the members of your own Lodge, where you live, in your own city and county, but also in the State of Illinois, where we have over Ninety-six Thousand (96,000) members, and in every state of the Union and throughout the world, where we have over Two Million members. Your Official Receipt entitles you to visit over Eighteen Thousand (18,000) Lodges. It will take you over forty-nine years to visit them, visiting one Lodge every night in the year. Your Credentials give you an honorable welcome in all parts of the world. You receive the same care when away from home as you do in your own Lodge.

(2) It means more than that. It guarantees Sick Benefits, Funeral Benefits, Funeral Expenses, Nurse Hire and the relief of the distressed.

Third Page.

3

(3) It guarantees more than that. If you leave orphan children and have not been able to provide sufficient of "this world's goods" to protect them, this Order, without any expense to you, educates and maintains them.

(4) If misfortune and adversity should come during the struggle of life you and your good wife, by virtue of your membership in this Order, are provided with a good HOME, without reflection upon you.

These are some of the things that Odd Fellowship is doing in Illinois today.

STABILITY.

The Order is the largest, both numerically and financially, of any Fraternal Organization in the world.

At our Orphans' Home at Lincoln, Illinois, we have 10 buildings, 160 acres of land, where we are tenderly and affectionately providing for 170 little girls and boys. The value of this home is \$175,000.00.

At Mattoon we have 135 acres of land and buildings worth \$150,000.00 where 120 Brothers and their wives are enjoying the comforts of our "Old Folks' Home."

We have 980 Subordinate Lodges in Illinois and their net worth is \$3,178,613.54.

Last year we paid out for relief of Brothers, Widowed Families, Education of Orphans, Maintenance of the Aged, Special Relief and Burying the Dead in Illinois the sum of \$321,035.31.

OPPORTUNITY.

We are living in an age of helpfulness. We are dependent upon each other. Many of us never expect to be the recipient of these benefits; but what a privilege and satisfaction it is to know and to realize that we can do something in our small way that will be a comfort and lighten the burden of those who may be less fortunate than ourselves.

CONCLUSION.

Odd Fellowship appeals to thinking men. It appeals to their best and highest ideals. Its cost is so small that no good man can afford to live outside its ranks.

Odd Fellowship says, "Even if you are too busy to become an 'active' member you can at least enroll in this great Fraternal Army and share in the satisfaction that comes to one who does what he can when he can."

Application should be made to the Lodge nearest the residence of the applicant. Members of such Lodge will supply the proper application blanks. If you are not already a member, think it over and then act as your conscience dictates.

Grand Master.

FRIENDSHIP.

"Tis *Friendship* that ties men together as brothers,
When one shares success with the failure of others,
And Heaven will bless them who cheerfully give
Their time and their talent in helping men live.
What virtue this *Friendship* has gathered in store,
Will rest in the bosom of *Love* evermore,
And these with the emblem of *Truth* will adorn,
The life that plants roses where once was a thorn."

"GOOD CHEER."

"Have you had a kindness shown?
Pass it on.

'Twas not given for you alone,
Pass it on.

Let it travel down the years,
Let it wipe another's tears,
Till in Heaven the deed appears,
Pass it on."

ASSOCIATED FRATERNAL CHARITIES.

Ashley, Grand Master, Masons, the managing boards and superintendents of the various homes maintained by the fraternal orders in Illinois met at 10 o'clock a. m., on Monday, September 4, at the Pythian Home at Decatur.

"Admission of Members and Discipline in the Home"—John J. Reeve, of the Knights of Pythias.

Following the formal program as given above was a general discussion of the various questions that arise in connection with the care of dependents in their various institutions. GENERAL LETTER.

Chicago, Ill., October 20, 1911.

To the Subordinate Lodges of the State of Illinois, I. O. O. F.:

Dear Brothers—As the year is about to close, I ask the earnest co-operation of every Lodge in the State in order that the year's business may be promptly closed.

It is necessary that the Grand Master have his report ready for the printer by the first of November, 1911.

The Committee on Printing has informed me that if the Grand Master will have his report ready by that time, that there will be a saving to the Grand Lodge of approximately \$300.00. I am going to do my duty in this matter and I desire that you do yours. Before I can complete my report it is necessary that the Grand Secretary have the reports and Capitation Tax of every Lodge in the State. I trust that you have already sent this to the Grand Secretary. If you have not done so, kindly do so at once. It is necessary for me to include in my report the returns from the Subordinate Lodges as of October 1, 1911, and the Grand Secretary can not send this information to me until he receives your report and Capitation Tax.

REPRESENTATIVES.

I desire to call the attention of the Lodges and their Representatives to Section 9, Clause 1, of the Grand Lodge By-Laws, which is as follows:

"The Representatives to this Grand Lodge shall not be entitled to Mileage and Per Diem if the semi-annual reports and tax of their Lodges have not been received by the Grand Secretary prior to the first day of November."

No Representative can draw any Mileage and Per Diem from the Grand Lodge if the report of his Lodge and the Capitation Tax have not been received by the Grand Secretary before the first day of November. This language is plain and the law can not be changed. Every Lodge should have its Representative in attendance at the session of the Grand Lodge. The Grand Lodge pays the Mileage and Per Diem of the Representatives of the Subordinate Lodges, but they must pay their Capitation Tax as above indicated in order to be entitled to Mileage and Per Diem.

I earnestly request that this letter be read in every Lodge where the Capitation Tax has not been sent at the time of the receipt of this letter at every meeting from the time of its receipt to the last meeting in October, and that the Representatives be notified by the Secretaries of their Lodges that they can not draw Mileage and Per Diem unless the Capitation Tax of said Lodge is paid as above indicated.

NEW METHOD OF SEATING GRAND LODGE.

The Representatives of the next Grand Lodge Session will be seated by Counties and there will be a separate section for Past Grands. The Representative on the first night of the session will take the seat which is reserved for him and which bears the number of his Lodge. He will occupy this seat at all the sessions of the Grand Lodge.

THREE DAYS' ATTENDANCE.

The Grand Lodge pays its Representatives three days' per diem. The Grand Lodge convenes on Tuesday evening, November 21st, at 7 P. M., and that session is counted as one day. Wednesday, November 22d, will be the second day and Thursday, November 23d, will constitute the third day.

A record will be taken at every session of the Grand Lodge and the absence of any Representative from the Grand Lodge will be noted in the Daily Journals and will appear in the Grand Lodge Journal. If any brother who has been elected Representative feels that he can not come to Springfield and attend the sessions of the Grand Lodge and report the proceedings of the Grand Lodge to his Subordinate Lodge, he ought not to come as the Representative, because his Lodge ought to be represented by someone who will attend the sessions. Much important business will be transacted at the next session of the Grand Lodge. Many changes will doubtless be made in the Subordinate Lodge Constitution. It will be necessary for the Representatives to pay strict attention to all business, in order that they can intelligently communicate the work of the Grand Lodge to their Subordinate Lodges.

The Grand Lodge pays out approximately \$12,000 every year to hold its Grand Lodge Session. This is not a pleasure trip, neither is it an excursion, but it is an assemblage of the Representatives of 100,000 Odd Fellows of the State of Illinois to meet together and exchange ideas and execute plans which will thereby better enable us to promote the principles of Odd Fellowship.

If there are any Lodges in the State which desire their Representatives to come to Springfield to the next session of the Grand Lodge and not attend the session, I would kindly ask those Lodges to notify me to that effect through their Secretaries prior to the convening of the Grand Lodge. The Representatives to the Grand Lodge are to remain until the Grand Lodge has adjourned, as they have not been in attendance three days if they leave before the end of the session.

I request that each Representative bring two copies of the By-Laws of his Subordinate Lodge to the Grand Lodge. It is my desire that they use one copy in preparing amendments to the Subordinate Lodge Constitution and the other copy is to be delivered to the incoming Grand Master to use in the work of his office. These copies will be collected during the session of the Grand Lodge and this will save the cost of postage.

Every Representative must have his credentials with him.

Each Representative will be required to give the semi-annual pass word and the Grand Lodge pass word at the door before they enter the Grand Lodge.

COMMITTEE ON CREDENTIALS.

The Committee on Credentials will be in session on Tuesday at the Grand Secretary's office, which is on the fourth floor of the Odd Fellows' Building, corner Fourth and Monroe Streets. The Representatives should report to this committee Tuesday forenoon and present their credentials in order that they may be placed upon the roll. If all Representatives will carefully follow these instructions there will be no confusion.

TUBERCULOSIS.

At the last session of the Sovereign Grand Lodge the Grand Lodges, under the jurisdiction of the Sovereign Grand Lodge, were empowered to use their funds for the purpose of establishing sanitariums for their members who were suffering from tuberculosis. In order that we may understand the situation in Illinois, it will be necessary for us to have some data relative to this disease so that we may know whether it is necessary for us to make any provision for such cases. I, therefore, kindly ask all those Lodges who have lost members during the past year, whose deaths have been caused

by tuberculosis, to communicate with me immediately. I also desire those Lodges whose members during the past year have been afflicted with tuberculosis to send immediate notice to me. I desire to have this information for the purpose of presenting the exact conditions to our Grand Lodge at its session in November.

Kindly furnish me with an early reply and instruct the Representative of your Lodge to the Grand Lodge on this proposition.

ENDOWMENT FUNDS.

While it is not the desire of the Grand Master to lay any stress upon the making of contributions to the Endowment Funds, an opportunity will be given Lodges and individuals to make a voluntary contribution to these funds, under a special order of business, at the opening session of the Grand Lodge, Tuesday evening, November 21st. The name of the contributor and post office address should be plainly written in the blanks provided for that purpose. The cash or exchange should be placed in an envelope and the envelope securely sealed and brought to this session by the contributor or Representative of the Lodge. A list of the donations received will be printed in Wednesday morning's Journal, which will be a receipt for the amount of the contribution.

In view of the fact that most of the Lodges have already given quite liberally, the Grand Master requests that no appropriation for this purpose be made from the General Fund of any Lodge for an amount greater than ten cents (10c) per capita, computed upon the membership reported to the Grand Lodge in the last semi-annual report. Your Lodge will receive one of these envelopes.

It has been the custom for many years, at the opening session of the Grand Lodge, to receive these contributions and we simply desire to follow this long established custom.

Not later than November the 10th the Grand Master will mail a letter to all the Lodges of the State of Illinois containing a list of the recommendations which he will make to the Grand Lodge, together with the substance of proposed amendments to the Subordinate Lodge Constitutions, and a brief summary of all matters which he will present to the Grand Lodge for its consideration. The purpose of this letter will be to furnish this information to the Lodges and their Representatives, in order that they may know, as far as possible, what is likely to come before the Grand Lodge, thereby giving them time to consider these questions with their membership. With kindest regards to the membership, I am

Sincerely and fraternally yours,

Attest:

JAMES EWING DAVIS,

JNO. H. SIKES,

Grand Master.

Grand Secretary.

NEW SUBORDINATE LODGES.

At the beginning of my term of office, after a careful investigation, I was of the opinion that there was much territory throughout the State available for new Lodges. In one town of twenty-five hundred inhabitants the charter of a Lodge had been surrendered many years ago. I secured a splendid Deputy to organize a Lodge at this place and we were successful in instituting a lodge with ninety-seven charter members. I have rendered every aid possible in organizing these new Lodges and have endeavored to secure good material. In each and every case I have exacted of the brothers the promise that in one year the Lodge would have approximately fifty members. In two cases I have allowed the institution of new Lodges where Lodges already exist. It seemed as though existing conditions warranted this action. There is still much available territory in the State.

Dispensations have been issued for the institution of twenty-six new SUBORDINATE LODGES, which are now working under dispensation, and I recommend that charters be granted to these Lodges by this Grand Body.

The dispensation for the institution of Lodge No. 986 at Mulkeytown was issued by Grand Master Sayler, but the institution did not take place until November 19, 1910.

A list of the names and numbers of said Lodges, together with their locations and the respective dates of institution and the name of the Instituting Officer, is herewith presented.

CONSOLIDATIONS.

During the past year twelve Subordinate Lodges have been consolidated. This is a saving of a very large item to the Grand Lodge in the mileage and per diem of six Representatives. It is a saving in hall rent and a saving in the operating expenses of these Lodges.

In some cases the consolidation was the means of preserving the charters, but in several other cases two strong Lodges united in order that they might eliminate certain expenses and thereby make one good, strong, healthy Lodge. In our cities throughout the State, special attention ought to be given to the matter of bringing about consolidation. I have also endeavored to bring about some other consolidations which would have been a very great benefit, but have been unable to consummate the same. Special efforts should be made to secure the consolidation of a weak Lodge with another, whereby it will be the means of preserving the membership.

The following Lodges have been consolidated during the year:

Tazewell Lodge No. 144, located at Washington, in Tazewell County, was consolidated with National Lodge No. 306, located at Washington, in Tazewell County, on the first day of February, by Special Deputy, Brother A. J. Mourer, of Eureka. The consolidated Lodge took the name and number of Tazewell Lodge No. 144.

Carbon Hill Lodge No. 530, located at Carbon Hill, in Grundy County, was consolidated with Coal City Lodge No. 519, located at Coal City, in Grundy County, on the first day of April, by Special Deputy, Brother Charles Schaleen, of Coal City. The consolidated Lodge took the name and number of Coal City Lodge No. 519.

Danvers Lodge No. 845, located at Danvers, in McLean County, was consolidated with Bloomington Lodge No. 400, located at Bloomington, in McLean County, on the sixth day of April, by Special Deputy John R. Gee, of Bloomington. The consolidated Lodge took the name and number of Bloomington Lodge No. 400.

Lincoln Lodge No. 204, located at Lincoln, in Logan County, was consolidated with Mozart Lodge No. 345, located at Lincoln, in Logan County, on the second day of June, by Grand Master James Ewing Davis, of Chicago. The consolidated Lodge took the name and number of Lincoln Lodge No. 204.

Clark Lodge No. 3, located at Greenville, and Bond Lodge No. 775, located at Smithboro, both in Bond County, were consolidated by Brother Henry A. Stone, P.G.M., of Vandalia, on June 6, 1911, the consolidated Lodge taking the name and number of Clark Lodge No. 3.

Freeport Lodge No. 239, located at Freeport, in Stephenson County, was consolidated with Stephenson Lodge No. 61, located at Freeport, in Stephenson County, on the twentieth day of July, by Grand Master James Ewing Davis, of Chicago. The consolidated Lodge took the name and number of Freeport Lodge No. 239.

SUBORDINATE LODGES CLOSED.

I am very much pleased to report that during the past year only two Subordinate Lodges have been closed.

Willisville Lodge No. 897, located at Willisville, in Perry County, was closed on the thirteenth day of July, by Special Deputy J. W. Short, of Percy.

Crystal Point Lodge No. 547, at Malden, in Bureau County, was closed on the sixteenth day of May, by Grand Representative H. E. Makutchan. DECISIONS.

During the year I have rendered a very large number of decisions. The most of these cases simply required an inspection of the Constitution and the Code. I do not deem it necessary to burden this report with these decisions in detail. I simply submit a few.

1. Question: Is the the Financial Secretary exempt from dues when holding office?

Answer: At the session of the Grand Lodge in 1906 the Subordinate Lodge Constitution was amended to the effect that the Financial Secretary might receive such compensation as was fixed at his election.

2. Question: Can a Lodge engage in MEMORIAL EXERCISES and decorate the graves of deceased Odd Fellows on any other date than that designated by the Grand Master in his proclamation?

Answer: Lodges shall meet on some Sunday or other day of each year, the day and date to be selected by each Lodge, in their respective hall and from there march to the cemetery, where exercises suitable to the occasion shall be held and the graves of our deceased brothers decorated with flowers.

3. Question: A brother whose dues were paid to July 1, 1910, makes payment on November 22, 1910. The by-laws of the brother's Lodge provide "That a brother suffering himself to become in arrears for dues accruing during a period of more than 13 weeks shall not be entitled to sick benefits until the expiration of 13 weeks from date of payment in full of his account, as permitted by Section 7, Article 10, of the Constitution." The brother was taken sick on January 9, 1911. When is the brother entitled to sick benefits?

Answer: After February 22, 1911.

4. Question: Has a brother a right to wear a Past Grand's regalia and also the regalia of his office, being that of Right Supporter to the Noble Grand, at the same time?

Answer: No.

5. Question: Can a member of the Patriarchs Militant be admitted to a Subordinate Lodge without any regalia other than the Patriarchs Militant uniform?

Answer: The Sovereign Grand Lodge has declared that the Patriarchs Militant uniform be and is hereby denominated a regalia and as such can be worn by Chevaliers when visiting Lodges of our Order.

6. Question: Who is eligible to fill the Vice Grand's Chair in degree work?

Answer: The Vice Grand must fill his chair in degree work or cause the same to be done by a Past Grand or Past Vice Grand.

7. Question: Would a member have to belong to a newly organized Lodge six months before he would be entitled to sick benefits?

Answer: A member joining a new Lodge by initiation is not entitled to benefits until he has been a member for six months.

8. Question: A brother who has not been a member six months broke his arm. It got well and then he broke it again. After the last accident and before he recovered he arrived at the six months limit. Is he entitled to benefits from the time he had been a member six months?

Answer: He is.

WEAK LODGES.

We have endeavored to do much work to revive weak, struggling Lodges. I have visited a number of Lodges, which were not strong numerically or financially. These visits have been appreciated. I have appointed many Special Deputies to assist these Lodges and their work has been productive of good results. Many degree staffs throughout the State have rendered valuable service to many of these Lodges. Everything within the power of the Grand Lodge should be done for the preservation of these Lodges. Brothers who have served our Order faithfully for many years and at a period in the history of our Order when we needed members more than we do at the present time, should not be cast adrift without any Lodge membership. The field for such work is large, but special systematic effort will bring results.

ODD FELLOWS' LEAGUE AND RELIEF BOARD.

This organization is doing splendid work in Cook County. At the beginning of my term of office I had prepared for the Secretary a list of the Recording Secretaries of Cook County, giving their names and addresses. This has been on file at the League during the present year and this information has been available to all our members. The

officers for the ensuing year were Dr. J. S. Lambert, President, and Harold A. Jensen, General Secretary. The office is at Room 49, 54 W. Randolph St., telephone Central 5948. I have before me a semi-annual report of this organization from January 1st to July 1, 1911. This report shows that 39 positions were secured and that relief was extended to 43 brothers and sisters and that 81 emergency cases were reported to the League during this period. The affairs of the League have been very satisfactorily managed. At the beginning of my term of office I appointed Brother Charles J. Griesemer of White City Lodge No. 878, I. O. O. F., my Special Deputy. Brother Griesemer has looked very carefully after the matters of the League and I present, herewith, a copy of his report.

On the 10th day of November, 1910, I issued a letter to all the Subordinate and Rebekah Lodges of Cook County, calling their attention to the League and asking them to extend to this organization their assistance in order that it might fulfill its mission in every respect. A copy of this letter is, herewith, submitted:

Chicago, Ill., November 10, 1911.

To the Subordinate and Rebekah Lodges of Cook County—Greeting:

Dear Sisters and Brothers—We have, in the city of Chicago, an organization known as the Odd Fellows' League and Relief Board. I presume that its objects and purposes are well known to all Lodges.

This organization is doing a splendid work. It is entitled to the support of every Lodge in this county. While your Lodge may never avail itself of any of the benefits to be derived from this institution, yet you owe a duty to the community where your Lodges are located. It is only by the united effort and the entire co-operation of every Lodge that the highest success will be attained.

We are located in the most wonderful city of the world. Many demands are made on our local Lodges. We want to conduct an institution of this character in harmony with the greatness of our city. I believe that there is a very bright future for this organization. Peace and harmony prevail among the Lodges of our county. Our Lodges have done remarkable work during the past six months. We have made a gain in membership in this county from April 1st to October, of approximately 1,000 new members. I congratulate you upon this splendid work and I appreciate the good fellowship which has prevailed during the past year.

Subordinate Lodges are not expected to contribute more than ten cents per member per year, and the Rebekah Lodges five cents per member per year, payable in quarterly installments. If you can not contribute this amount, then contribute something. If you can not contribute anything, then give the organization your moral support by being represented at its meetings.

I wish to thank each and every member in Cook County for the loyal support which you have given to me during my administration.

With kindest and best wishes, I am

Sincerely and fraternally yours,

Attest:

JAMES EWING DAVIS,

JNO. H. SIKES,

Grand Master.

Grand Secretary.

SPECIAL DEPUTY'S REPORT.

Hon. James Ewing Davis,
Grand Master I. O. O. F.,
Chicago, Ill.

Dear Sir:

It affords me pleasure as your Special Deputy for the Illinois Odd Fellows' League and Relief Board to report to you that this organization has improved and is in better condition this year than it was last year.

Following your instructions I have visited the League often and am pleased to state that the management, and, with the assistance of the General Secretary of the League, the Relief Board, has been of great benefit to the various Lodges in the city of Chicago and for the Odd Fellow Fraternity in general.

The excursion to Elgin was a great social success if not financially, and was the means of extending the glad hand of fellowship to a vast number of brothers, making exchange visits possible; and the kindness and courtesy shown by the Lodge brothers of Elgin, especially the members of Althea Lodge, and with their active worker Noble Grand, William Burger, the trip was a great success.

The furniture of the League office has been improved and has a better business like appearance and is a credit to the Order.

Brother Jensen, Managing Secretary of the League, in his report, which has been general and very extensive, shows positively that for a large city like Chicago this League and Relief Board is absolutely necessary. Am glad to say that your encouraging it has brought the results. An annual letter from the Grand Master to the Cook County Lodges will do a lot of good for its support.

Much good has been accomplished in getting special rates with hospitals and has helped many brothers and families in getting reduced rates.

As your Special Deputy for this organization I wish to recommend this branch of the Order very highly and believe if the management

is kept up in the same business like system in the future as in the past year, it will be of continued benefit to our Lodges in our city.

With kind regards and thanking you for your many favors, I remain,

Fraternally yours,

CHARLES J. GRIESEMER,

Special Deputy.

CHANGE OF LANGUAGE.

On October 4, 1911, I granted a dispensation to Vlast Rebekah Lodge No. 165, I. O. O. F., of Chicago, Illinois, to change from the Bohemian language to the English language. The Bohemian rituals have been sent to the Secretary of the Rebekah State Assembly.

CHANGE OF NAME.

Upon petition in proper form, I permitted J. G. Whittier Lodge No. 666 to change its name to John G. Whittier Lodge No. 666. The reason of the proposed change was, that in some manner, the Lodge had become known as John G. Whittier and certain property had been purchased in the name of John G. Whittier Lodge No. 666. It was desired to have the records and their charter conform.

DISPENSATIONS.

On the 18th day of February, 1911, I granted a dispensation to Praha Lodge No. 231, I. O. O. F., of Chicago, to receive the application of Mr. Frank J. Spacek, of Berwin, Ill., to ballot upon the same and confer all the degrees upon this candidate and to receive him as a member for the reason that he speaks the Bohemian language and does not speak the English language and there is no Lodge in Berwyn working in the Bohemian language.

On the 18th day of October, I granted a dispensation to Praha Lodge No. 231, to receive the application of Louis Kral, of Berwyn, Ill., to ballot upon the same and confer all the degrees upon this candidate and to receive him as a member for the reason that he speaks the Bohemian language and does not speak the English language and there is no Lodge in Berwyn working in the Bohemian language.

On the 31st day of October, 1911, I granted a dispensation to Praha Lodge No. 231, I. O. O. F., of Chicago, to receive the application of Mr. James Sevcik, of Berwyn, Ill., to ballot upon the same and con-

fer all the degrees upon this candidate and to receive him as a member for the reason that he speaks the Bohemian language and does not speak the English language and there is no Lodge in Berwyn working in the Bohemian language.

WILLIAM TELL LODGE NO. 219.

At the session of the Grand Lodge in 1903 (see Grand Lodge Journal 1903, pages 297 to 301), there was presented to the Grand Lodge a matter relative to William Tell Lodge No. 219 and Brother David Wiener. It appears that the recommendations of the Grand Lodge at that time were not carried out. During the present year this matter has come before me and I am pleased to report that this matter has been adjusted to the satisfaction of all parties. A full and complete settlement has been made and receipts executed.

Committee.

On the evening of February 1st the committee reported, the application was balloted upon and the candidate elected. On the same evening he received the Initiatory Degree. After the candidate received the Initiatory Degree objection was made to his advancement on the ground that he was not a free white male person as is required by Section 1 of Article II of the Constitution of Central Park Lodge No. 328, I. O. O. F. The Section of the Constitution is as follows:

ARTICLE II—MEMBERSHIP.

Qualifications for Membership.

Section 1. "A candidate for membership by initiation shall be a believer in a Supreme Being, Creator and Preserver of the Universe. He shall not be a saloon-keeper, bar tender, or professional gambler, nor under 21 years of age at the time of initiation. He shall be a free white male person, shall have resided within the jurisdiction of this Lodge at least six months previous to his application for membership, or have been so long personally known to brothers of the Order, who recommend him."

The matter was then presented to Grand Master E. R. Sayler, who submitted the question to Grand Sire, W. L. Kuykendall, and the following appears among the decisions of the Grand Sire in the proceedings of the Sovereign Grand Lodge. Said decision is as follows:

Statement.—A native-born Hindu, who is now a naturalized citizen of the United States, living in the jurisdiction of Illinois, desires to become an Odd Fellow.

Question.—Would it be right to admit him?

Answer.—In my opinion he is not eligible for membership under the provisions of Section 2, Article XVI, of the Constitution of The Sovereign Grand Lodge, unless he can clearly establish the fact that he is of the pure white, Caucasian race, and a believer in One Ever-Living Supreme Ruler of the Universe, as provided in said section. His being a naturalized citizen has no bearing if he is not otherwise legally disqualified.

This decision was approved by the Sovereign Grand Lodge.

Section 2, of Article 16, of the Constitution of the Sovereign Grand Lodge is as follows:

ARTICLE XVI.

"Section 2. No person shall be entitled to admission to the Order except free white males of good moral character, who have arrived at the age of twenty-one years, and who believe in a Supreme Being, the Creator and Preserver of the Universe; provided, however, that in Australia, New Zealand and other countries not on the continent of North America in which the Order has been or may hereafter be established, and a Grand Lodge or Grand Lodges formed, the qualifications as to age shall be left to local legislation."

It appears that this question was submitted to the Grand Sire after the candidate had been initiated in Central Park Lodge No. 328, I. O. O. F. The question to be determined is, "Is Basanta C. Bonnarjee a free white person?"

With the consent of Central Park Lodge No. 328, I. O. O. F., James Ewing Davis, Grand Master of the Jurisdiction of Illinois, has appointed the following committee:

E. S. Conway, Past Grand Sire,
Judge Charles S. Cutting and
George Mills Rogers,

to determine the eligibility of Basanta C. Bonnarjee for membership in the Independent Order of Odd Fellows. The decision of this committee is to be final as all parties have agreed to abide by said decision.

A copy of an affidavit made by Basanta C. Bonnarjee is herewith attached to the Statement of Facts.

I, Basanta C. Bonnarjee, being first duly sworn, do depose and say that I was born at the City of Calcutta, India, on the 21st day of March, A. D. 1879; that the name of my father is Juggut Chandra Bonnarjee, and the name of my mother is Thakamani Chandra Bonnarjee, both of whom were born in Calcutta, India, and are there still residing; that the names of my paternal ancestors and their places of birth are as follows, namely: Grand father: Gouri Mohon Bonnarjee, born Purbanapara, India. Great Grand Father: Harendra Nath Bonnarjee, born Purbanapara, India. Great-Great-Grand Father: Jagadish Chandra Bonnarjee, born Purbanapara, India; that each and all of my ancestors above mentioned were born Brahmans, and I do further say, that I am a direct descendant of one Sandilla Muni, who was one of the five Brahmans residing, about 1,000 years ago, at a place called Kasi or Benares, situated on the river Ganges, and that the said five Brahmans at the time above mentioned were sent for by the King of Bengal, who requested that the said five Brahmans should

Mr. James Ewing Davis,

Grand Master, I. O. O. F.,

69 W. Washington St., Chicago, Ill.

Dear Sir and Brother:

Your committee, appointed to give their judgment as to the eligibility of Bassanta C. Bonnarjee, for membership in the Independent Order of Odd Fellows, make report as follows:

Basing our consideration of the questions involved on the statement of facts submitted to us and annexed hereto as a part of this report, there appear to be but two questions for us to decide:

First: Is the candidate a believer in the Supreme Being, Creator and Preserver of the Universe?

Second: Is he a free white male person?

With reference to the first question, the candidate having already, as a preliminary to his taking the Initiatory Degree, stated that he was a believer in a Supreme Being, Creator and Preserver of the Universe, that subject can not be the subject of dispute. It does not make any difference what form of religion he professes, whether it be Protestant, Catholic, Anglican or Brahman, so long as his belief in the Supreme Being conforms to the requirements of the Order.

As to the second question, after examination of authorities on anthropology and ethnology, we find that while there is some conflict in the authorities, the weight of authority coincides with the opinion of Blumenbach, one of the most noted anthropologists, who says in describing the varieties or races of mankind, that, "The first variety, usually called the Caucasian, occupy the central parts of the old continents, namely, Western Asia, Eastern and Western Africa, Hindustan, Europe, and a great part of America. Its characteristics are the color of the skin more or less white or brown; the cheeks tinged with red; long hair, either brown or light, the head almost spherical; the face oval and narrow," and so on and so on.

Another authority, describing the Hindus (or Hindoos) says, "Their color varies from fair to brown."

This candidate is of Hindu (or Hindoo) origin or descent, and he must be classed not only as "white," but also as "Caucasian."

Concurring in the foregoing, your committee are of the opinion that Mr. Bonnarjee is eligible to membership in our Order.

Respectfully submitted,
E. S. CONWAY,
GEO. MILLS ROGERS,
CHARLES S. CUTTING.

APPEALS FOR AID.

Many Lodges in this jurisdiction have petitioned for dispensations permitting them to appeal to the Lodges throughout the State for contributions to assist them in building halls and Odd Fellows' Temples. It is laudable for all the Lodges in our State to have an ambition to have their own building, but I could not see my way clear to permit these appeals to go out promiscuously over the State. I presume that at least twenty-five such appeals were made to me and I declined to grant a dispensation in each and every case.

I received a number of requests from brothers in other jurisdictions, requesting the privilege of allowing them to send circulars and printed matter to our Lodges for the purpose of selling pins and various other articles. In each and every case I declined to give a dispensation. In one case the brother stated that he had many friends among the Order in this jurisdiction, who he knew would be glad to purchase from him. I granted this brother the privilege of writing his personal friends, but especially directed him not to issue any letter to the Lodges.

DELINQUENT LODGES.

During the past year I have made an earnest endeavor to have the Lodges pay their capitation tax promptly. In April I sent out a special letter and the result was that the number of delinquent Lodges was reduced from 150 to about forty. There is no excuse for these Lodges being delinquent. It is simply carelessness. Our sister jurisdiction, Indiana, has not had a delinquent Lodge in fourteen years. I can not emphasize too strongly the necessity of mailing the capitation tax and reports promptly. The brothers do not seem to realize the great annoyance and inconvenience that this delay causes. It is simply due to the fact that they have acquired the habit. There is sometimes an excuse for a weak, struggling Lodge to be delinquent, but the majority of those, which are delinquent, are the strong, vigorous Lodges. It is the duty of the Deputy to see that the capitation tax is remitted, and I recommend that, on the 20th of April and the 20th of October of each year, the Grand Master address a personal letter to the Deputy of each Lodge, which is delinquent at that time.

SPECIAL SESSIONS OF THE GRAND LODGE.

During the past year eight Special Sessions of the Grand Lodge have been convened. A complete list of these, together with the names of the brothers who received the Grand Lodge Degree, will be found in the Grand Lodge Journal. There was such a large number of Special Sessions held during the preceding year that we did not deem it necessary to hold such a large number at this time. The list, together with the dates of these sessions, is herewith given:

June 12—DuQuoin, Perry County.

June 13—Eldorado, Saline County.

January 14—Robinson, Crawford County.

January 17—Gibson City, Ford County.

February 21—Chicago, Cook County.

February 26—Sterling, Whiteside County.

February 23—Oregon, Ogle County.

June 21—Peoria, Peoria County.

ODD FELLOWS' GENERAL RELIEF COMMITTEE OF ALTON.

Upon a petition of Western Star Lodge No. 1, Greenwood Lodge No. 421 and Upper Alton Lodge No. 466 for the formation of an Odd Fellows' General Relief Committee of Alton, I granted a dispensation to said Lodges for the formation of an Odd Fellows' General Relief Committee of Alton. These Lodges filed their By-Laws with me. The object of this committee is to act as a General Relief Committee on behalf of Subordinate Lodges Nos. 1, 421 and 466 in assisting and relieving sojourning members of the Order and to act in conjunction with said Lodges in aiding and assisting their own members without divesting the Lodges of their own rights or prerogatives.

JUDICIARY COMMITTEE.

During the past year I have had occasion to refer various matters to this committee. The committee has promptly complied with every request which I have made, and I extend to them my personal thanks for their kind assistance to me during my term of office.

GRAND SIRE.

Our jurisdiction is to be congratulated upon having the Honorable John B. Cockrum, Grand Sire, with us at this session. It is indeed an honor which we highly appreciate. For the entertainment of the Grand Sire, I have appointed the following committee:

Past Grand Sire, E. S. Conway.

Grand Representative, E. R. Saylor.

Grand Representative, Wm. M. Groves.

Past Grand Representative, W. R. Humphrey.

Past Grand Representative, Owen Scott.

SPRINGFIELD COMMITTEE.

The Grand Lodge at its last session (see Document No. 83, page 483, Grand Lodge Journal, 1910), recommended that the Grand Master and Grand Secretary be authorized to complete necessary arrangements for having sufficient committees appointed, through local Lodges at Springfield, to meet all incoming trains during the session of the Grand Lodge, and properly assist and direct Odd Fellows and Rebekahs in finding suitable locations for their entertainment while in the city, and that the Grand Secretary be requested to embody full detailed information concerning this matter in his instructions to Lodges.

The Grand Master and Grand Secretary, by virtue of the power vested in them by said resolution, on Oct. 5, 1911, appointed the following committee:

Chairman, John H. Sikes, Grand Secretary, Springfield Lodge No. 465, I. O. O. F.; Secretary, E. R. Sayler, Grand Representative, Sangamon Lodge No. 6; members of committee, Jno. Underfanger, Noble Grand of Sangamon Lodge No. 6; Robt. Shinkle, Noble Grand of Teutonia Lodge No. 166; L. B. Taylor, Noble Grand of Springfield Lodge No. 465; Riley Shuman, Chief Patriarch of Prairie State Encampment No. 16; W. S. Crowder, Chief Patriarch of Schiller Encampment No. 121; Mrs. Minnie Eberley, Noble Grand of Lila Rebekah Lodge No. 63; Mrs. Clarissa Gilbert, Noble Grand of Triple Link Rebekah Lodge No. 577.

The above committee is hereby instructed and directed to carry out the instructions of the Grand Lodge and do everything in their power to assist all Odd Fellows and Rebekahs in finding suitable locations for their entertainment while in the City of Springfield and make the visit of all persons in attendance at the different Grand Bodies during the session of November, 1911, as pleasant as possible.

APPROPRIATIONS.

At the last session of the Grand Lodge there was appropriated for Official Visitations and Special Deputies, the sum of \$1,500, and for Schools of Instruction, \$500.00, making a total of \$2,000. It was understood by the Finance Committee and the Grand Master that these appropriations should be used for the general work of the Order, reviving weak Lodges and doing things which the Grand Master would deem for the best interest of all work. Several Schools of Instruction have been held and much work has been done by Brother Warren C. Darnall, our Chief of Instructors. The warrants, however, have all been drawn from the appropriation for Official Visitations and Special Deputies. There has been expended the sum of \$1,364.29, leaving a balance unexpended in these two funds of \$635.71.

OFFICIAL VISITS.

At the beginning of my term of office I stated that every county in the State would receive a visit from some Grand Lodge Officer. This promise has been fulfilled, and it is very gratifying to me to report that an official visit has been made to the 102 counties of the State. Every section of the State is entitled to consideration from our Grand Officers and the Lodges have appreciated these official visits, which have been made. I herewith give the name of the county, place, date and name of the Grand Officer who made the official visits.

ORPHANS' HOME.

I am pleased to report that our Home is in a prosperous condition. During the past year the Home has been somewhat handicapped on account of funds. The Grand Lodge at its last session, on account of the constitutional limitation, was unable to give the Orphans' Home as large appropriation as was necessary in order to

make some needed repairs. The Directors of the Home, however, have succeeded in keeping within their appropriation. I have directed the Board to make some repairs, which are badly needed at the present time. During my term of office I have spent a part of two days at the Home. I would have enjoyed being with them more frequently, but my duties prevented me from so doing. During the year the Directors of the Home have furnished me a copy of the proceedings of their monthly meetings and an itemized list of their expenditures. I congratulate the Directors upon the splendid results which they have attained. We are exceedingly proud of our Superintendent, Brother Dr. J. A. Lucas, and his splendid wife. They are doing a great and noble work and we are indeed fortunate in having such splendid characters in charge of this institution. Our hearts go out in loving gratitude to them and we hope that as the years go by, their usefulness will continue and that they may be spared to us for many, many years to come.

GRADUATING EXERCISES.

On Saturday, June 3d, I attended the Graduating Exercises at the Orphans' Home and delivered a short address. The graduates were Cecile Grant, Dollie Griffin and Oscar Madsen. The diplomas were presented by Dr. J. A. Lucas. On behalf of the Grand Lodge I presented each graduate with a new ten dollar gold piece.

I recommend that a special record book be kept by the Orphans' Home, containing the name and address of each graduate of the Home, and that the Superintendent correspond every year with these graduates.

WHAT, IF ANYTHING, SHALL WE DO FOR OUR HALF ORPHANS?

This question has been presenting itself for several years to our membership. Many brothers are left with young children, who are financially able and willing to pay for the maintenance of their children in a Home like ours. Many mothers are likewise situated. They have been keenly disappointed when they learned that our Home did not admit half orphans. Many members have contracted unhappy marriages with the sole aim of securing some one to care for their children. This subject is presented for your consideration. The Grand Master has no recommendations to make in this matter, realizing that in a matter of this character, which requires such serious consideration, an expression should be obtained from all the Lodges in the State. There are many things to be considered in connection with a proposition of this kind. This question involves the duty which we owe to our brothers and sisters and also the discharge of our obligations as Odd Fellows. In excluding the half orphans, are we performing our full and complete duty? Would the more comprehensive

interpretation of true fraternity provide for the maintenance and education of half orphans? The matter of additional room at our Orphans' Home is presented to us at the present time in a demand for new buildings. The solution must be reached at an early date. The education and maintenance of half orphans upon a basis of the earning power and property rights of the surviving parent will require much additional room.

The present quarters would have to be increased very materially. No one could estimate at the present time what additional buildings would be necessary. The cost of maintenance and education could be met by the additional revenue derived. The following plan has been suggested in order to meet the demand for additional room, which is now necessary in case we should decide to care for the half orphan child:

An assessment for building purposes of \$1.00 per member, payable in annual installments of twenty cents per year for a period of five years, to be paid out of the General Funds.

Twenty cents, payable January 1, 1912.

Twenty cents, payable January 1, 1913.

Twenty cents, payable January 1, 1914.

Twenty cents, payable January 1, 1915.

Twenty cents, payable January 1, 1916.

The money would be forthcoming from year to year and the buildings could be erected as the occasion should demand. This would involve an outlay of twenty cents per member for a period of five years. Your Grand Master is of the opinion that the Capitation Tax should not be raised beyond \$1.00, as he is of the opinion that \$1.00 will maintain the two Homes and provide necessary repairs. He also believes that all expenses should be borne equally by every Lodge in the State according to its membership.

ADOPTION.

Several members of the Order have spoken to me relative to adopting children who are members of our Orphans' Home.

On Friday, June 2d, and Saturday, June 3d, I met with the Trustees and Superintendent of the Home. I presented this matter to them and the Board feels that these are matters that they should not determine, for the reason that the children are simply placed in the custody of the Home. I discussed with them a course of procedure and practically agreed upon a plan, but, after consideration, I thought that it was a matter more especially for the Grand Lodge, and consequently I present the same for your consideration.

ORPHANS' HOME BAND AT SOVEREIGN GRAND LODGE.

The following Lodges contributed to the fund to send our Orphans' Home Band to Indianapolis. The Band had a delightful time, and our boys and girls were very much in evidence during the session of the Sovereign Grand Lodge.

I am pleased to know that a sufficient amount was contributed to meet this expense, and that there is a very nice balance on hand, which will be reported to the Grand Lodge.

I want to thank each and every Lodge which has aided this cause, and which has brought credit to our jurisdiction. .

OLD FOLKS' HOME.

I have before me the Fourteenth Annual Report of the Old Folks' Home. It has been my pleasure to visit this Home on two occasions during my administration. I have met with the Board of Trustees and have visited with the members. At the beginning of my term of office I had prepared a menu for the Home, covering a period of four weeks, and presented this to the Superintendent. This provided a different meal for every day during the four weeks. I am informed that this has been a very great benefit to the Superintendent of the Home. Some very much needed improvements have been made during the year. The new addition to the main building will be a great help to this institution, as it will provide a large visitation room for the brothers and sisters. This has been needed for a long time. The cottage has also been enlarged and remodeled and this provides much additional room.

Death came to the Home and took from us our worthy Matron, Sister Watson. During her sojourn here she had labored hard for the upbuilding of this institution. She was a kindly woman. After the death of Sister Watson, the Superintendent, Brother John R. Watson, tendered his resignation, which was accepted by the Board. I wish to express to him my sincere thanks for his untiring energy in devoting himself to the work of this institution. He is a splendid Odd Fellow. His heart and soul was in the work of Odd Fellowship. It has been my pleasure to know him for many years. The Order in this State owes him a debt of gratitude. No matter where his field of labor will be, you will always find him working faithfully in the cause of Odd Fellowship. Brother Watson, I wish for you the best there is in life.

The new Superintendent, Brother Clark, and his wife are highly recommended and I trust that they will do everything that is possible in making the lives of our brothers and sisters pleasant.

The Board of Trustees have been faithful in the discharge of their duties. They have furnished me a list of receipts and disbursements for every month in the year. They have given to this institution a wise and economical management and I congratulate them upon their businesslike and efficient methods.

TUBERCULOSIS.

For many years this question has been before the Sovereign Grand Lodge. It was hoped that our Sovereign Body would erect and maintain a National Sanitarium. At the last session of their body they decided not to do this and empowered the Grand Lodges to use their funds for the purpose of establishing sanitariums for their members who were suffering from tuberculosis. In order that we might

understand the situation in Illinois, I requested all Lodges who had lost members during the past year, whose deaths have been caused by tuberculosis, to communicate with me; also those Lodges whose members had been afflicted with this disease.

I, herewith, present to you the reports which I have received to this date:

Western Star Lodge No. 1, Alton—One death.

Dixon Lodge No. 39, Dixon—One possible case.

Kane Lodge No. 47, Elgin—Six deaths since 1890.

Saxon Lodge No. 68, Virginia—One death.

Dallas Lodge No. 85, Effingham—One death.

Suburban Lodge No. 110, La Grange—One death.

Kewanee Lodge No. 128, Kewanee—One brother taking treatment.

Moline Lodge No. 133, Moline—Three brothers taking treatment.

Sandwich Lodge No. 212, Sandwich—One death.

Fort Dearborn Lodge No. 214—One brother sick for over a year.

Liberty Lodge No. 287, Liberty—Five brothers who have inherited a strong tendency.

Kenwood Lodge No. 288, Chicago—One death.

Central Park Lodge No. 328, Chicago—One death.

Dongola Lodge No. 343, Dongola—One sick.

Albion Lodge No. 352, Albion—One brother sick.

Congress Lodge No. 362, Chicago—Three brothers sick.

Eagle Lodge No. 402, Chicago—One brother sick.

Home Lodge No. 416, Chicago—One death and two brothers sick.

Massac Lodge No. 442, Metropolis—One death.

First Swedish Lodge No. 479, Chicago—One brother sick for five years.

New Chicago Lodge No. 506, Chicago—One brother sick.

Evanston Lodge No. 673, Evanston—One brother sick for five years.

Pullman Lodge No. 716—Two brothers sick.

A. T. Sherman Lodge No. 892, Wilmette—One brother sick.

According to a statement issued November 2, 1911, by the State Board of Health, the percentage of deaths due to tuberculosis in Illinois is 62.8 per 1000.

The time has been so exceedingly short that it has been impossible for me to go into the matter in a careful manner so as to make any recommendation to the Grand Lodge at this time. It is evident from these reports that this dreadful disease is making rapid inroads upon our membership. Our Order, on account of waiting for the Sovereign Grand Lodge, has not taken the advanced position which it should. Other organizations have met this question in a practical manner. It is now time for us to act and, of course, we desire to act intelligently and can not do the things which we would like if we had had suf-

ficient time. If it is possible for me, in a supplemental report, to present some feasible plan to the Grand Lodge while it is in session, I shall be glad to do so. However, I hold in such high esteem the Representatives of all the Lodges in this jurisdiction, that I am confident that they will, at this session, devise some plan and take some action, which will make it possible to check the spread of this dreadful disease and preserve the lives of many of our brothers.

REBEKAH BRANCH.

Under the guiding hand of that splendid Christian woman, Sister Dora L. North, President of the Rebekah State Assembly, this branch of the Order has enjoyed greater prosperity than ever before. During the year there has been made a net gain of 3,533. Too much praise can not be given Sister North for her untiring efforts to advance this branch of the Order. To her I have accorded the privilege of selecting the pass words during the present year and have also followed her recommendations as to the institution of new Rebekah Lodges.

I have referred to Sister Mae Crowell, Chief of Instructors, nearly all questions for decision and am pleased to know that these have been satisfactorily settled in all cases.

Sister May C. Keiser, Vice President Rebekah State Assembly, and Sister Ellen Johnson, Warden of the Rebekah State Assembly, have rendered valuable services to me, and to all these sisters I wish to express my deep appreciation for the services rendered and extend to them my sincere thanks.

I wish to thank Sister Mary P. Miller, Secretary of the Rebekah State Assembly, for her promptness in furnishing that information which I desired in connection with her office.

REBEKAH MEMBERSHIP.

During the past year many members have spoken to me relative to our laws, permitting unmarried women to join Rebekah Lodges. They seem to be of the opinion that a mistake has been made and that the same ought to be rectified. I have considered the matter very carefully and I coincide with the views which have been expressed. There used to be a feeling of pride from the fact that a wife, a daughter or sister could join this Order by virtue of the membership of the husband, the father and the brother. There was a tie which connected them to the Order, but this has been removed and at the present time it is unnecessary for any unmarried lady to be connected in a fraternal way and be a member of our Order. There is also a financial interest involved. These members are eligible to be admitted to our Home. The question was asked me during the year, if a lady should join a Rebekah Branch of the Order could she be admitted immediately to the Old Folks' Home?

I recommend that our Representatives to the Sovereign Grand Lodge be instructed to present to the Sovereign Grand Lodge the following, relative to membership in the Rebekah Lodge:

All Odd Fellows in good standing, their widows, daughters, sisters, and mother; also the daughters, sisters and mother of deceased Odd Fellows, who at the time of their death were members of the Independent Order Odd Fellows, shall be eligible to membership in a Rebekah Lodge, and none others.

PRESERVE APPLICATIONS.

It is of the utmost importance to every Subordinate Lodge that every application for membership should be preserved. Many times Lodges need these applications. On account of the imperfect condition in which the records are kept, these applications are mislaid or lost.

I recommend that every Lodge secure a book and paste their applications in this book so that they may be preserved permanently and kept for future reference.

GOOD HALLS.

Nothing adds more to the success of a Lodge than a nice Lodge Hall, where the atmosphere is pure and wholesome. A Lodge never makes any progress by occupying quarters which are not clean and healthy. A man desires the same respectability in the Lodge room as he does in his own home. Nothing is ever gained by meeting in Lodge rooms connected with saloons or places of a questionable character. I have been very much pleased to note the progress which has been made by our Lodges in securing better quarters and the Lodges are to be commended, and I trust that those which have not yet taken steps to secure better quarters will act immediately in this matter.

MINIMUM FEES.

In some manner the impression seems to exist throughout the jurisdiction that the Grand Master has power to give a Lodge a dispensation to take in candidates for less than \$14.00, which is the minimum fee for all the degrees. I have had many requests for dispensations. There is no law whereby a Lodge can confer the degrees for less than \$14.00. The Grand Master has no power to authorize any Lodge to confer the degrees for less than \$14.00. In the matter of the institution of a new Lodge, the candidates can not receive the degrees for less than the above amount. If any Lodge has ever taken in candidates for a less amount, it is a violation of law and their Charter could be taken.

I recommend that the Representatives report to their Lodges that no candidate can receive the degrees for less than \$14.00. This will save the Lodges the trouble of discussing the matter and also avoid the necessity of writing to the Grand Master.

MONTHLY REPORTS.

During the past year the Grand Secretary and Grand Treasurer have furnished the Grand Master with monthly reports. These reports have been published in the Odd Fellows' Herald and the exact financial condition of our Grand Lodge has been available to our membership at all times.

REGALIA.

The following resolution was offered at the last session of the Sovereign Grand Lodge, and a special committee will report at the next session:

"Resolved, That a special committee of three be appointed by the Grand Sire to consider the advisability of adopting badges, or other designation of rank, as a substitute for regalia in our several branches, and report at the next session of the Grand Lodge with such recommendation as they may see fit."

I request that the Grand Lodge instruct its Grand Representatives upon this proposition.

NEGLIGENCE.

A great many complaints have come to me relative to the inattention to business by various Lodges. These complaints have been of various natures. The brothers of this jurisdiction have been elected upon their Official Receipts in other jurisdictions and when application was made for their Transfer Card, our Lodges have neglected, and in some places refused, to issue these cards. Often times a brother's membership has been jeopardized by the delay. Often times they have been deprived of sick benefits on account of the negligence of Lodges and in some instances their families have been deprived of death benefits. I am frank to say that I am of the opinion that these omissions of duty are not willfully done. The brothers do not seem to consider the great responsibilities that rest upon them.

Another frequent source of complaint against some of our Lodges is the fact that they pay absolutely no attention to notifications relative to their sick members. The Grand Master has written a great many communications to which he has had no reply. Some of the matters neglected have reference to brothers who are sick away from home. The brothers who are in destitute circumstances need every dollar that is due them; yet the Lodges seem to treat these

matters with indifference and they allow the matter to drift along just as far as they can possibly do so. Business transacted in this manner reflects upon our Order, and while these Lodges may not care for their own individual reputation, yet their conduct reflects upon the Order as a whole. I sincerely trust that every Lodge will awaken to a consciousness of its obligations.

NEW PLAN FOR SEATING THE GRAND LODGE.

The indications are at the present time that we will not be able to use the State House for the next session of the Grand Lodge. We hope to have the use of it, but the outlook is not very promising. In the event that we are denied the use of the State House, the Grand Lodge will meet in the ARMORY. If the session is held in the Armory, a new plan for seating the Grand Lodge has been designed.

The Representatives to the Grand Lodge will be seated by counties. There will be a banner to designate the county and the Representatives will be arranged according to the numbers of their Lodges. Each banner will have the number of the Lodge to which the Representative belongs. There will be a separate section for Past Grands. A system of this kind will bring the Representatives of each county together, in order that they may know where to find each other. They will have the opportunity of becoming better acquainted, and there will be no trouble about the Representative securing a seat. His seat will be reserved by him and he will occupy the same seat during all the sessions of the Grand Lodge. A record will be kept of the Representatives in attendance at the Grand Lodge. If a Representative should be absent, his absence will be noted in the proceedings of the Grand Lodge. If a Representative wants to meet the Representative from another county he knows just where he can find him, as every county will be designated by a banner. We have discussed this plan with various brothers and it has met with their approval, and we believe that the same will meet with the approval of the Lodges throughout the State. It is somewhat of an innovation, but we think that the system will be successful and that, having once been inaugurated, it will be followed in the future.

PLANS FOR BUILDINGS.

Many Subordinate Lodges experience difficulty in financing their buildings erected for Lodge purposes. This frequently comes about, by reason of their inability to provide a suitable financial plan for building. No one man is adaptable to all conditions or localities. If certain plans or suggestions could be prepared and kept on file so that the Lodges might have the benefit of these recommendations when they so desire, it would be the means of rendering to our Order a very great help.

I recommend that the incoming Grand Master, together with the Grand Secretary and Finance Committee, be appointed as a Special Committee to prepare suggestions and recommendations for Lodges contemplating the erection of buildings and that this be printed and kept on file in the Grand Secretary's office and furnished to all Lodges at all times free of expense.

DEDICATION OF HALLS.

The Lodges throughout our jurisdiction are to be congratulated upon the fact that so many own their own buildings and Lodge rooms.

In traveling over the State we find many splendid buildings which have been dedicated to the principles of Odd Fellowship. The Lodges should be encouraged in this work. It has come to my notice, however, that many of these buildings and Temples are never dedicated, and that the plan of dedication is not known to many Lodges.

I recommend that every Lodge be required to secure a dispensation from the Grand Master and have a Commissioned DEPUTY to dedicate each new hall and make a full report to the Grand Master. We would thereby be enabled to get the details and know the condition of the Order and be able to have a record as to the Odd Fellows' buildings throughout the State.

LIBRARIAN AND LIBRARY.

In my first official letter I used the following language relative to these subjects:

"A large portion of our membership have never had the opportunity to acquire comprehensive knowledge concerning the magnitude of our great Order. Our Grand Lodge Journal contains a complete and detailed statement of all work in this State, and a comprehensive report of our Order throughout the world, as embodied in the reports of our Grand Representatives to the Sovereign Grand Lodge. Every Subordinate Lodge is hereby directed to appoint a Lodge Librarian and the Librarian shall be required to place the Grand Lodge Journals in the hands of the members of the Lodges to give them an opportunity to read these proceedings. The brothers should be permitted to have a copy of the Journal one week, then it should be returned to the Librarian and by him given to another brother for a like period, and thus continue the work from week to week."

I am especially pleased to know that many Lodges have taken favorable action upon this recommendation and that the nucleus has been laid for many splendid libraries. Our Lodges are entirely too careless with their Grand Lodge Journals and with the Journals of the Sovereign Grand Lodge. Every one of these books should be pre-

served. In addition to the Lodge Journals, many valuable books would be donated by members, who would be glad to have an opportunity to place different volumes in the hands of those who would desire to read them. The Lodges will find these libraries very beneficial in their work and of great interest to their membership.

I, therefore, recommend that every Subordinate Lodge secure a book case and that every Lodge appoint a Librarian, whose term of office shall be for one year.

REPRESENTATIVES FOR 25 YEARS.

We have in our Grand Body some Representatives who have been in attendance for twenty-five consecutive years, and these brothers are entitled to great praise and credit for their earnestness and faithfulness for the long years of service.

I recommend that a special committee of three be appointed to ascertain the names of the Representatives who have continuously served their Subordinate Lodges for a period of twenty-five years and that an hour be fixed during the session of the Grand Lodge for the introduction of these brothers to our Grand Body.

FRATERNAL PRESS.

It is necessary to disseminate the news relative to the work of our Order. Many successful fraternities supply their Lodges with copies of an official paper. A Lodge can not progress unless it is in touch with current events. An exchange of ideas brings to all of us new thoughts and new purposes. I am of the opinion that it would be wise for our Grand Lodge to subscribe for an official paper for each Lodge for one year. I had intended to make such a recommendation, but, after consultation with many brothers, they seemed to be of the opinion that many Lodges would not read these papers, even if they were furnished free. I do not agree, however, with my brethren in their view, but it is a matter for the Representatives to consider and for them to determine. During the past the Odd Fellows' Herald has given me all the space which I desired. I have utilized those columns for the purpose of reporting my official visits and from time to time presenting my views upon subjects which I believed would be of vital interest to the Order. This paper is a splendid publication and it is the only one which we have in our jurisdiction. While it is a private enterprise, yet very small dividends are realized from its operation. I would urge upon our membership and our Lodges the necessity of using the Odd Fellows' Herald. Every Lodge ought to have it. The successful Noble Grand ought to know what is going on in the order within his own State.

WAS THERE ANYTHING IN THE PAPER ABOUT YOUR LODGE?

How frequently do we hear the remark, "I did not see anything in the paper about my Lodge." This is not as strange as you may think. I presume that you did not make any report of your meeting. In order to get the proceedings of your Lodge before the press you must prepare the essential part and get in communication with some one who will have this item of news published. The Grand Master has so many things on his mind that he can not do everything, and sometimes does not report matters which he should. Your Lodge ought to send an occasional report to the official paper, whether the Lodge or any of the members of the Lodge are subscribers or not. I like to see reports from every section of the State and I believe that it would be for the interest of the Order to have reports during the year from every county.

I recommend that the incoming Grand Master designate a brother or Lodge in every county in the State, whose duty it shall be to send items of interest to our official paper from their county at least once during the year.

PRESS.

We are under very great obligations to the daily and local papers throughout the State of Illinois. They have been exceedingly kind in extending to our Order the use of their columns in publishing the various proceedings of our Lodges. In the City of Chicago, the Chicago Record-Herald has allowed us all the space that we desired in their Sunday issue and every Sunday issue of that paper, since the last session of the Grand Lodge, has contained notices concerning the work of our Order.

COUNTY ORGANIZATIONS.

Our county meetings throughout the State have been very successful, and I am of the opinion that these meetings have brought the different Lodges in closer touch with each other and have enabled them to become better acquainted with the real condition of the Order in their different sections of the State.

Many Lodges throughout the State have assisted weak Lodges very materially. I appreciate the unselfish spirit which has been manifested in this work, and I wish to express my sincere thanks to every Lodge which has aided other Lodges, not only in degree work, but in many other respects.

Several counties have had organizations for some time. Quite a number of new organizations have been formed during the past year.

I recommend that those counties which have not formed organizations do so during the coming year, and that the incoming Grand Master mention this subject in one of his official letters, and that the different county organizations report to the Grand Master as to their various organizations, in order that the Grand Master can report to the next session of the Grand Lodge the names of such organizations and such counties as have organizations.

SPEAKERS.

There is a frequent demand for speakers at Odd Fellows' meetings, and sometimes Lodges experience considerable difficulty in securing members of our Order to deliver addresses. In nearly every county in the State there are many splendid speakers. Lodges often times have, within a very short distance, many eloquent brothers, but they are not acquainted with them and consequently do not know that they are available. In selecting speakers, Lodges should bear in mind that it is their duty to entertain their speakers while in their midst, and also pay their necessary railroad fare. If Lodges want to do more than this, of course, they are at liberty to do so, but that is all that is expected of them. I recommend that the incoming Grand Master prepare a list of speakers throughout the State by counties, of brothers who are willing to deliver addresses for their necessary traveling expenses and that this list be published in the next Grand Lodge Journal. The list will then be available to every Lodge in the State. I also recommend that the Chairmen of the various county delegations prepare a list of the speakers of their county and deliver the same to the incoming Grand Master at this session of the Grand Lodge.

PROCRASTINATION.

It seems to be the policy of some Lodges to deter matters as long as they possibly can. Promptness should be the watchword in every Lodge. If a brother is sick, get your Visiting Committee to his bedside as soon as possible. If he dies, let the officers of the Lodge extend sympathy to the family immediately. If the Lodge receives a communication, answer it immediately and let the party know that you received it and if you are not able to give them definite information at once, tell them that you will do so at the earliest possible moment. If you can not give a favorable reply, write and tell them the reason. Let them know so that they will not be in suspense. It is a very easy matter to trace a dozen misfortunes to the dereliction of one person.

RECORDS AND ACCOUNTS.

I am of the opinion that the Records and Accounts of many of our Subordinate Lodges are in bad shape. I have had occasion to go into the records of several Lodges and it is almost impossible to ascertain their condition. These imperfect records are the cause of many misunderstandings. Many Lodges use their funds improperly. While the Lodges make a report to the Grand Secretary each year, this report does not show any specific items. There should be some system adopted for the accounts of Subordinate Lodges and we ought to have a system of inspection. We can only approach this matter in a business-like way. I have been endeavoring to devise some plan whereby conditions might be bettered.

It has occurred to me that possibly a beginning might be made through the Finance Committee. The expense would probably be less and this method might be utilized until a better method could be put into operation.

A case came under my observation during my term of office where the Treasurer of a Lodge had invested the funds of the Lodge in mortgages, by the direction of the Lodge, and the Lodge had no records as to the mortgages. The Treasurer had a stroke of paralysis and the membership was very much concerned as to the condition of his finances.

A system of reports might be prepared under the direction of the Finance Committee, giving the Lodges specific instructions. These reports could then be mailed to the Finance Committee and checked by the committee. My idea would be to have these reports mailed out in March, and made up as of April 1st. This would give the committee seven months in which to examine the reports before the next session of the Grand Lodge. My plan would be to have these reports prepared in a comprehensive manner, having the Lodge set forth in detail all securities of every kind and nature, together with all cash on hand, also showing all disbursements and for what purpose the money was expended. These reports would also contain instructions as to the method of keeping books, keeping minutes, etc. The Finance Committee of the Subordinate Lodge should certify as to the examination of their Treasurer's Report and certify as to the money in the bank in which the funds were deposited. Many Lodges are anxious to keep their records in proper shape, but for want of available information they have not been able to adopt the best plan.

. Of course the best system would be to have auditors and have a personal inspection, but this would be very expensive.

The net worth of Subordinate Lodges in Illinois is Three Million One Hundred and Seventy-eight Thousand, Six Hundred and Thirteen Dollars and Fifty-four cents (\$3,178,613.54). Should we not make a special effort to safeguard this property and bring to our Order a better system of keeping records than we have at the present time?

FINANCE COMMITTEE.

There is no more important committee in connection with a Subordinate Lodge than the Finance Committee. The time is near at hand when this committee will be required to perform special duties. In auditing books of the various officers in connection with the Lodge. It is not only necessary for the Lodge to make a complete audit of all books, but it is necessary that they should ascertain that the Treasurer has in his possession all cash and securities mentioned in his report. I desire to call attention to that part of the Constitution found in Section 7 of Article IV of the Subordinate Lodge Constitution, which is as follows:

"He shall make for the Lodge, at the close of his term, a full report of his receipts and disbursements, and have his books written up for the Finance Committee, whom he shall meet prior to the first meeting in the next succeeding term, to exhibit his books, papers, securities, bonds, funds and other property in his possession; and at the first regular meeting of the next term he shall present his report to the Lodge."

This means that the Finance Committee should approve any Treasurer's securities, bonds, funds and other property belonging to the Lodge in possession of the Treasurer. The Treasurer must present to the Finance Committee a bank statement showing that he has all money deposited in the bank, or he must exhibit the money to the Finance Committee. No Finance Committee should approve any Treasurer's report without this being done. I would recommend the following form for the use of the Finance Committee in making its report concerning these matters:

"We, the Finance Committee, appointed to examine the books and accounts of Brother.....Treasurer of.....Lodge No.....I. O. O. F., hereby report that we have audited the books and accounts of said Treasurer and find that he has in his possession, or should have, \$....., belonging to said Lodge.

We further certify that said Treasurer has exhibited to us bank statement dated.....showing that he has on deposit in the.....bank of..... \$.....: And we further certify that said Treasurer has exhibited to us \$..... in coin and currency: And

we further certify that said Treasurer has exhibited to us the following securities.....and the following bonds, being all the property belonging to said Lodge which should be in the possession of said Treasurer; and we further certify that said Treasurer now has in his possession the sum of \$..... in cash, currency, bank deposit, securities and bonds belonging to said Lodge and that said Treasurer has fully accounted for all the funds and property of said Lodge."

Lodges must do their duty in these matters. It is no hardship on any one and it is necessary that these financial matters should be attended to in a business-like method. My experience has been that, whenever a Lodge has lost money it has always been due to the fact that the Lodge did not do its duty. During the eight years that I served as a member of the Finance Committee of the Grand Lodge, our beloved Grand Treasurer, Thomas B. Needles, always exhibited to our committee the papers and securities as I have above indicated, and it is a source of gratification that we can all point to his long and honorable career without a blot or suspicion resting upon his record. Let every member of every Finance Committee remember that if he certifies to a Treasurer having such an amount of money on hands and afterwards it should be discovered that he had certified erroneously and the Lodge should sustain a loss, then this brother would be morally responsible, because he had failed to do his duty and thus, through his negligence, the defalcation was brought about.

BUSINESS PRINCIPLES.

Many Lodges today are suffering because they have not adhered to business principles. A Lodge is just like an individual. The Lodge must live within its income just the same as an individual must live upon his income. It is a difficult proposition sometimes to learn this truth and I want to impress upon the Lodges of this State the necessity and importance of having their By-Laws amended to conform to the conditions existing in their Lodge.

A brother wrote me the other day that his Lodge was paying five dollars a week sick benefits without any limit as to the time. A proposition of this kind will wreck any Lodge that ever existed. A Lodge must not undertake to pay five dollars a week sick benefits unless its financial condition will justify it in so doing. Every Lodge should limit the number of weeks of sick benefits at a high rate. We frequently find Lodges paying five dollars a week sick benefits and their dues only four or five dollars per year.

Let every Lodge examine its By-Laws and its financial condition, and if the rate of sick benefits is too high, then reduce it immediately. Frequently Lodges think that they can not reduce their sick benefits

while a brother is sick. This is a mistake. You can amend your By-Laws at any time and your members are governed by all legal amendments.

I have requested every representative to bring two copies of the By-Laws of his Lodge to this session of the Grand Lodge: One copy to use during the session of the Grand Lodge and the other to be delivered to the Grand Master. The Grand Master will then have in his office a copy of the By-Laws of each Lodge, so that it will not be necessary when sending matters to the Grand Master for decision to send a copy of the By-Laws.

I recommend that the incoming Grand Master examine these By-Laws with regard to the amount of sick benefits and nurse hire which Lodges are paying and the rate of dues which they are charging. When it is self-evident that a Lodge can not exist upon its present income. I recommend that he call attention to that fact by the Lodge with request that they amend their By-Laws to conform to their financial condition. I also recommend that the incoming Grand Master report, to the next session of the Grand Lodge, a table giving the rate of dues per week, sick benefits, nurse hire, limitation as to the number of weeks' benefits which should be paid, funeral expenses, etc., based upon the membership of the Lodge and the rate of dues.

ROLL OF LODGES BY COUNTIES.

Believing that it will be a great benefit to many of our officers, I herewith present the Lodges of the State by counties. The numbers are the Lodge numbers in every county. When this is published in the Grand Lodge Journal, it will be available to every member of the Order in the State and will be especially helpful to our Grand Officers and to the Directors of Work.

CHIEF OF EXAMINERS AND INSTRUCTORS.

At the last session of the Grand Lodge, Past Grand Master Henry A. Stone informed me that it was impossible for him to accept the position of Chief of Examiners and Instructors. It, therefore, became necessary for the Grand Master to secure a brother for this position. I appointed to this position, Brother W. C. Darnall. While it was a new field for Brother Darnall and while he had received no previous notice that he would be appointed to this position so that he might especially qualify himself for this work, yet he entered into the work with earnestness and enthusiasm. Wherever he has gone throughout the State and has held Schools of Instruction, the brothers have been very much pleased with his work. We have endeavored to organize this department along systematic lines. Brother Darnall has subdivided the State into districts and we have appointed a large number of Directors of Work. We believe that by following this plan we will be able to bring about better results. There are about thirty-five counties in the State where we have no official instructors. I hope

that, by the time my successor has completed his term of office, every county in the State will have an Official Instructor. The list which is published is arranged according to counties, so that you can easily locate any brother in any county in the State. I believe that wonderful improvement has been made in the ritualistic work during the present year.

We have throughout the State many splendid degree staffs. They are becoming more numerous. Just as soon as the Lodges learn that they can only be successful by doing good work, then it will be difficult to believe to what end our success will attain.

For many years I have been a close student and observer of the success of fraternal organizations based upon observation. I have endeavored to promulgate those things which, in my judgment, have been productive of good results. No enterprise was ever successfully operated by chance. Behold the wonderful machinery about you on every hand. You see perfection in every part. It did not so happen. It was the work of a master mind. It required great effort. Every minute detail was perfect. A Lodge will not run itself. Its work must be like the skilled mechanic. Show me a Lodge that is doing good degree work and I will show you a successful Lodge. If a Lodge is busy conferring the degrees in an impressive manner, that Lodge has no time for internal trouble. Nothing breeds mischief so quickly as idleness.

Brother T. H. Thompson, Assistant Chief of Examiners and Instructors, has done splendid work during the year. I wish to congratulate Brother Darnall upon the very successful beginning which he has made. I wish to thank him and Brother Thompson for their splendid work. I give, herewith, in detail their reports to me.

McLean, Ill., October 25, 1911.

To the Hon. James Ewing Davis,
Chicago, Illinois.

Dear Grand Master:

Obedient to your request and following the beaten path of a time honored practice, I have the honor to submit for your consideration my first annual report as Chief of Examiners and Instructors of the I. O. O. F. within the jurisdiction of Illinois.

You will pardon this early digression for I can not altogether repress a most earnest desire to record my deep sense of appreciation and gratitude for the kindly and fraternal assistance which has been extended me by yourself, and all the officers of the Grand Lodge and Encampment with whom I have been brought in contact in the discharge of my official duties. I remember particularly the wise counsel and words of encouragement from brothers whose breadth of vision and experience were invaluable to me. I am reminded also that the

"rank and file" of the brethren throughout the State have been especially kind and considerate and my reception everywhere has been most cordial and gracious. This universal co-operation, without which the splendid advance step in the work of the department during the year would have been impossible, has proven an inspiration and smoothed many rough places along the way.

I do not propose at this time to enter into an exhaustive discussion concerning conditions and their remedies, but I feel that the one radical advance step, resulting in the formulation of systematic lines along which the work of this department may be carried, deserves more than passing mention, and the necessity for the action taken should be thoroughly understood in order to be appreciated as it deserves by the entire brotherhood.

The first proposition, to which I ask attention and upon which I think all will readily agree, is embraced in the statement that there are practically one thousand Lodges in this jurisdiction with equal rights and privileges, whose claims upon the consideration of the Grand Lodge and its officers are identical.

My second proposition, which is equally true, provides that no man can successfully manage or direct an enterprise, whether business or social, unless he is thoroughly conversant with the conditions and requirements of that enterprise.

The very circumstances attending my unexpected appointment precluded any previous preparation or investigation relative to the requirements of the position or the needs of the Lodges, and my state of mind can be better imagined than described when, facing a working force of nearly one thousand Lodges numbering on their rolls over ninety thousand men, I asked our Grand Secretary for the records of the office and received the information that there were none to turn over. Verily, I was "a mariner adrift on an untried sea without chart or compass."

Just as the merchant prince discovers that he must employ different methods in the conduct of his present business from those which proved adequate when he ran the corner grocery or served as a vendor along the street, so we must realize that while one man may do valiant service in teaching a small number of Lodges, yet many men are needed to instruct our one thousand Lodges and fitly prepare them for the great mission we have set ourselves to perform in the scheme of business and social endeavor.

It does not require a lightning calculator to demonstrate that a man may visit one Lodge each week and at the end of the year there will be 950 Lodges inside of which he has never placed foot, to say nothing of the twenty-five new Lodges that are being instituted annually. Or, if he visits a different Lodge each week night in the year,

there would still be considerably more than two-thirds of the Lodges he could not attend; so the folly of attempting to gain or impart instruction in this way is apparent, and no one who is at all informed will undertake to say that the instruction is not needed.

I first tried the card system and thought to reach the brethren by correspondence. I caused a card inquiry to be sent to every Lodge in the jurisdiction, and although only about one-half of the Lodges responded at all, yet it opened up a flood of correspondence that was truly appalling. However, though forced to abandon any attempt to keep up this personal correspondence, it served a splendid purpose. It had blazed the way as clearly and truly as the golden beams presage the coming dawn.

I found there were a great number of worthy and capable men in our ranks who are willing and able to devote a share of their valuable time in preparing themselves and teaching the brethren, and I at once sought and gained your permission to bring this great working force into action. I personally placed the proposition before the brethren in many parts of the State and it met with universal approval. Since that time the work of forming the Districts and appointing the Directors of Work has been going on apace. Meanwhile the whole atmosphere attending the ritualistic and ceremonial work in our Lodges is undergoing a transformation, and nearly 200 letters which I have received within the past twenty days warrant the assertion that there is greater activity and interest in the work of the Lodges today than there has been for many years and it is a question if it has ever been equalled.

Twenty-five of the Directors, whose names and addresses appear in the tabulated list of appointments attached hereto, have received their commissions and are at work and any time you wish to know the actual condition of any one or all of the 500 Lodges in their Districts, you can have a reliable reply in less than one week—a condition that has never existed since I have been connected with the Order. It is hoped and expected to have the other twenty-five appointed previous to or during the coming session of the Grand Lodge. These representative men of ability and standing in the Order will meet in School and conference during Grand Lodge week in Springfield, and the results of their deliberations will no doubt in a large measure fix the standard of work for the immediate future. Those already appointed report enthusiastically concerning the progress already made and promise the most gratifying results during the coming winter season.

During the term I have had the pleasure and privilege of being present and conducting official Schools of Instruction at meetings held by yourself and Deputy Grand Master W. A. Hubbard in the following cities: DuQuoin, in Perry county; Eldorado, in Saline county; Robin-

son, in Crawford county; Gibson City, in Ford county; Sterling, in Whiteside county; Oregon, in Ogle county; Westfield, in Clark county; Charleston, in Coles county; Woodstock, in McHenry county; Chicago; Carrollton, in Greene county; Mt. Sterling, in Brown county; Quincy, in Adams county; Winchester, in Scott county; Rushville, in Schuyler county; and Barry, in Pike county. I have also held Schools and officially visited Lodges in Springfield, Peoria and Bloomington. I would like to mention in detail these official occasions, together with visits I have made with Lodges in a number of smaller villages and towns, but space will not permit.

On Monday night, October 23d, I officially inspected the staff work of John Ericsson Lodge at Chicago, and next Monday night I will again officially meet with Teutonia Lodge at Springfield. The Staffs of these two Lodges are in splendid working order and the brethren who are fortunate enough to witness their interpretation of the Initiatory and First Degrees at Springfield during the coming Grand Lodge session will be amply repaid for any extra effort and expense necessary in making the trip.

I enclose a tabulated list of the Directors of Work and Official Examiners and Instructors appointed to service in this department, together with some of the most important identical letters which went along with the commissions or followed for information and guidance.

Finally, Grand Master, I hold subject to your order and deliver to you, for the benefit of my successor, full records of the work of the term, one hundred and sixty reports already received (with more coming daily), from the Official Examiners and Instructors, full reports from the District Directors of Work and, last and best, an organized working system, that is sane and practical, for the proper instruction of every Lodge in the State in the ritualistic and ceremonial work of the Order. A system that bears the stamp of even justice to all and that will not prove a financial burden to the Grand Lodge, while yet within the ability of the weakest Lodges to support. There are in the State a host of thoroughly capable Staff workers, some of whom have mastered the entire ritual, who are doing splendid service in teaching and practice in their own and neighboring Lodges. These brethren are as a rule to be found among the successful business and professional classes and, not caring to take up the fraternal work as a profession, are modest and not easily located, but we are fast finding them out and they are going to prove the bulwark of our institution, and promise to become the most valuable auxiliary in the service of this department.

It affords me the greatest pleasure to report that while I have studiously confined myself to the details of my own department, there are continually coming in, from all sources, reports of equally encourag-

ing activity in all the other departments of the Order, all of which herald the unbounded success of your administration, and on this, permit me to extend my most hearty congratulations.

Fraternally submitted in F., L. and T.,

WARREN C. DARNALL,

Chief of Examiners and Instructors.

Dear Brother:

I am handing you herewith your commission as Official Examiner and Instructor for the current Grand Lodge year.

It is with pleasure I welcome you into our official family and commend your zeal in preparing yourself for this honor, and I venture the belief that you will always look back with a deep sense of gratification to the time you have employed in this preparation.

You can now best honor our Grand Master and this department by exercising great care to keep your work clean and free from errors.

It is the purpose of this department to outline further achievements for those who are connected with it which will carry with them further honors, so it will be well worth your while to keep right along with the procession so that you may be among the first at the finish.

In conclusion I ask your earnest co-operation in the work of betterment of our current Lodge work in all directions; urge the brethren to greater effort and the material improvement will be such that we shall be proud that we have had a fellowship in bringing it about.

Write the department freely on all doubtful points, and wishing you abundant success in all your endeavors, I am

Sincelely and Fraternally,

WARREN C. DARNALL,

Chief of Examiners and Instructors.

Dear Brother:

Our Grand Master has appointed you to the responsible position of District Director of Work and I congratulate you on winning this distinguishing mark of recognition.

Your District comprises the Lodges in the following counties: (here follows a list of the counties in the particular District.)

You no doubt read the Grand Master's letter in the "Odd Fellows' Herald" of May 15th, inst., in which he sets forth in a very comprehensive way the objects sought to be attained and the territorial limits of the several Districts.

If you do not receive the "Herald" regularly and will so notify this office we will see that you get the copy containing the above letter and would suggest that it will aid you materially in your future work to have the "Herald" before you at all times and use its columns freely in reporting matters of general interest in your District.

The fixed policy of this department is to reach every individual Lodge and see to it that when worthy applicants knock at our portals, the brethren will be qualified to exemplify the lessons of our impressive degrees in a manner commensurate with their beauty and purity. Furthermore, to instill in the minds of both old and new members a more exalted conception of the mission of Odd Fellowship.

Our success will depend upon how grandly we rise to our present opportunity. Our lessons are sublime. They emanate from the highest and purest source of human instruction. When we succeed by practice as well as by precept in freeing our hearts and minds of all superfluities, and fill them with a Friendship that rises above the sordid things of earth; when greed and avarice are sacrificed on the altar of a boundless Brotherly Love; when our hearts and lives are touched with the Divine attribute and Imperial Virtue of Truth, then and only then will the influence of our lives redound to the glory of our Order and Odd Fellowship will be known and recognized among men as the greatest secular moral influence known to civilization, and your mission and mine will have been accomplished.

It is not presumed that actors qualified for professional stage work will be found in every Lodge, neither is it necessary. It is hoped, however, that the story of the degrees will be so thoroughly understood and firmly fixed in the mind of each member of the Staff that the rendering of the work will be natural and true to life, in which event the impression made on the candidate will only be limited by his capacity to grasp the truths imparted.

And now, my Brother, it is your exalted privilege to assist in the great work we have undertaken. Your first duty will be to familiarize yourself with the condition and needs of each Lodge in your District.

Meanwhile study the Ritual carefully so that you may be able to interpret it correctly for the brethren and be ready to carry out the further instructions which will reach you from time to time from this department.

Sincerely and Fraternally,

WARREN C. DARNALL,

Chief of Examiners and Instructors.

Letter No. 1.

McLean, Ill., July 27, 1911.

To all District Directors of Work, Jurisdiction of Illinois:

Brethren—We are just now entering upon the greatest Campaign of Education ever inaugurated by any secret order of consequence in this broad land.

A number of circumstances have contributed to the condition which inspired this undertaking, the most notable of which was the introduction on July 1st, 1908, of the revised Ritual and the consequent

reluctance on the part of the Subordinate Lodges to break away from time honored forms and ceremonies.

About 500 answers to individual inquiries sent out by this department at the beginning of the present administration, with a view of obtaining information as to exact conditions, revealed a lamentable state of affairs. Just about fifty per cent of those reporting were able to state that they had any sort of organized Degree Staffs, and many of these supplemented their reports with letters reluctantly stating that there appeared no hope of reviving the interest of former days.

With such information from the 500 Lodges interested enough to answer the inquiry, what must we naturally expect concerning the other 500 who failed to answer at all?

My own observation, gained from numerous Schools of Instruction in various parts of the State, convinces me that many of the Staffs that are conferring the degrees have only a very imperfect conception of the true import of the lessons they seek to impart to the candidates. Verily, it is largely an instance of the blind attempting to lead the blind, and we have scriptural assurance of the inevitable result.

Strong measures were absolutely necessary to avoid worse disaster, and, after mature thought and consultation, the Chief of this Department formulated the present plan of District Direction and the Grand Master has graciously given it his unqualified support.

It now remains for you to demonstrate that a well organized department, with fifty earnest and zealous District Workers, can do infinitely more in the way of intelligently spreading the tidings of Friendship, Love and Truth and preparing the brethren for the ceremonial work of the Degrees than any one Chief could possibly hope to do unaided.

How shall you begin? First plan a few meetings in various parts of your District. Get together as many representative brethren as may be able to assemble at the time and place announced and explain the conditions fairly before them and win their confidence and assistance, for after all it will require the united effort of all to bring about the best results.

Teach individuality in the work. Don't try to go over all the Degrees, but give the major portion of your time to the Initiatory and First for the remainder of this year; next year will do for the Second and Third. Special attention will be given to these two Degrees at the Grand Lodge this fall.

Teach the Initiatory as an impressive lesson in the great problems of life. Here we have the separation from the cares and distinctions of the world, man groping in mysterious darkness for the light of the great principles of Truth, the end of all earthly things and the Supporter's conception of human experience, the Birth, Life, Death and Resurrection, the Wisdom of Age, the Obligation, the lesson in the

mysteries and the Past Grand's charge. What a grand field for the development of human conception. Not a dead line in the whole Degree. Every word vital, every movement emblematical.

Become thoroughly imbued with the spirit of the work yourself and familiar with the lines of the Degree and you can not fail to arouse interest and inspire the Staff.

In your criticism simply point out the better way. Do not draw comparisons or make sarcastic allusions that wound and offend and in the end only irritate. Show your own ability modestly and never doubt the result. Words fail to describe the gracious welcome I have everywhere received, and your experience will be the same. The harvest is both ripe and bountiful and the laborers are too few.

Keep a record of your meetings and especially of the condition of the Lodges in your District, so that I may have a full report from you, when asked for, along about the first of October.

Now, just a word about finances so there will be no misunderstandings among us. This movement is absolutely new and it was necessary to get it started, and we are selecting Directors who, we believe, will not hesitate to spend a few dollars if necessary in holding these meetings. However, in many cases this will not be necessary, as I have always found the Lodges more than anxious to do what was right in these matters and I know that they can be depended upon to do their part when they realize the splendid results. Furthermore, we are prompted to ask this sacrifice on your part because, if this work proves to be the success we anticipate, it should be a stepping stone to greater things for you in the future of the Order. This is a field in which merit wins and no man can hold a patent on any position in the department from "Janitor to Chief." By way of encouragement I will assure you that those who prove faithful this fall will not be forgotten next year, as our next Grand Master is as thoroughly interested in this movement as our present one and is watching progress very closely.

Please bear in mind that there is no stenographer assigned to this department, and while all letters and inquiries will be answered as promptly as circumstances will permit, I must remind you that anything pertaining to the unwritten work must be carefully worded and written by myself, so do not become impatient if you do not receive a direct reply as promptly as you would expect in an ordinary business transaction.

I shall hope in future to make these letters as brief as the subject-matter will permit, and shall be pleased to hear from you in return. Remember me kindly to all the brethren and assure them of my interest in their work.

Sincerely and Fraternally,

WARREN C. DARNALL,

Chief of Examiners and Instructors.

NECROLOGY.

Past Grand Master Gen. John C. Smith.

On Saturday night, December 31, 1910, Gen. John C. Smith, who was Grand Master in 1871, passed away. I immediately telegraphed Grand Secretary John H. Sikes. I telegraphed Mrs. Smith, extending her the sympathy of the Grand Lodge. On Sunday, January 1st, I called at the home of Brother Smith and extended to the members of the family the sympathy of our Order in the loss of the husband and father. I met, at the home, Past Grand Representative and Past Grand Patriarch Robert A. Smith, who is now a resident of the State of Washington. He was present with his father about one week prior to his death.

On Monday, Brother Sikes, the Grand Secretary, came to Chicago to attend the funeral of Past Grand Master Smith, but was taken seriously ill, and was unable to leave his room. On Tuesday I attended the funeral services held here in this city, and was accompanied by Past Grand Representative and Past Grand Master W. R. Humphrey. The Grand Lodge sent a beautiful floral piece. The remains were taken to Galena, his old home, and interred there on Wednesday, January 4th.

In the death of Gen. Smith our Order has lost one of its most distinguished representatives. In 1860, he was Grand Patriarch of this State, and was, for twenty-five years, the Grand Scribe of our Grand Encampment. He has been Treasurer and Lieutenant Governor of the State of Illinois. He had made two trips around the world. He was one of the most distinguished generals of the Civil War. We realize that a great and good man has been taken from our ranks.

R. W. S. Wheatley, P.G.M.

R. W. S. Wheatley, City Treasurer of DuQuoin, Illinois, and for twelve years County Judge of Perry County, died February 17th. He was prominent in legal circles for many years and frequently occupied the bench in Chicago, principally for Judge Orrin N. Carter, now of the Supreme Court. Patriarch and Past Grand Master Wheatley was born in St. Clair County, Ill., August 19, 1850. He was initiated in Hope Lodge No. 232, DuQuoin, June 19, 1882, and admitted in DuQuoin Encampment February 13, 1883, same city. Having passed the chairs,

this genial Patriarch and Brother entered the Grand Lodge and Grand Encampment, in which he soon took rank as an able adviser and executive officer. Filling several offices, he became Grand Master, and as such, with a most prosperous term, he had the honor of laying the corner stone of that great monument to Illinois Odd Fellowship, the Orphans' Home, located at Lincoln, Ill. At the close of his services as Grand Master his signal ability secured him promotion to that larger arena, the Sovereign Grand Lodge, where he reflected great credit upon this jurisdiction by valuable service for two years on the Committee on Appeals. In the large list of able Grand Representatives from Illinois Judge Wheatley holds a high place.

I appointed Past Grand Master Fred B. Merrills to represent the Grand Lodge at Brother Wheatley's funeral. Brother Merrills reported to me as follows:

"I attended Brother Wheatley's funeral. It was an exceedingly cold, raw day, and the conditions were such as to make the occasion rather sad. Still, there were some 200 men walked through the mud and blinding sleet for a distance of over a mile, to deposit the remains of this deceased brother in the grave, and drop a sprig of evergreen as a token that they would cherish a recollection of his many virtues, and bury all his imperfections beneath the sod that rests upon his bosom.

"An open grave is never an inviting scene, but it seemed to me that the weather conditions that day made this one particularly cold and cheerless, and the thought occurred to me that if any power can ameliorate the sadness incident to such an occasion, it is the great power of fraternal love which was manifested that day by the loyal members of Hope Lodge."

Gen. William S. Frost.

On Tuesday, April 18th, Gen. William S. Frost passed away. His funeral took place on Sunday, April 23, at Cook County Odd Fellows' Temple. A large number of the members of the Order from Chicago were present, as well as several distinguished members from out of the city. The Patriarchs Militant were well represented. The Grand Master, on account of an engagement at Farmer City, was unable to be present. In the death of Gen. Frost, there has been taken from the ranks of Odd Fellowship one of its distinguished members. Among the Patriarchs Militant, throughout the United States, there was no one who had the knowledge of the history of this branch of the Order and knew its membership as well as he. For many years he had endeared himself to the membership of this State by his excellent articles in the Odd Fellows' Herald. He was one of the celebrated men of the civil war. The last distinguished service which he rendered our Order was done at my request, and I appreciate the splendid manner in which he discharged that duty with so much

honor to the Order and credit to himself. The Odd Fellows of this State will miss his kind face, and the hearts of this great sisterhood and brotherhood go out in sincere sympathy to his dear wife, who has been his companion for so many years.

Major W. H. Bean.

On Tuesday, September 12th, Past Grand Herald W. H. Bean passed away. Brother Bean was Grand Herald in 1898, having been appointed to that position by Past Grand Master Cicero J. Lindly. At the time of his death, Brother Bean was the Adjutant General of the Patriarchs Militant of this State. For many years he had been one of the active members of the Grand Lodge.

He organized Woodlawn Park Lodge No. 825 seventeen years ago, and in that short period brought into that Lodge 110 members. This is indeed a wonderful record. His burial was at Oakwoods Cemetery and his funeral was attended by a very large number of Odd Fellows and Rebekahs. The Grand Master, being confined to his home, was unable to attend the funeral.

W. R. PAYNE.

Brother Past Grand W. R. Payne, of Cook County Lodge No. 240, dropped dead on the streets of Gary on Wednesday, October 25. Brother Payne was a member of the Code Committee, which had in charge the revision of our code in 1906. He rendered splendid services to our Order in this matter. His funeral was held at the Englewood Masonic Temple in Chicago, on Sunday, October 29. The funeral services were conducted by Cook County Lodge No. 240, I. O. O. F., and Garden City Masonic Lodge. These services were beautiful and impressive, both being held in the same hall. Perhaps no man in the State had delivered as many fraternal addresses as Brother Payne. He believed that there was no institution which was more beneficial to good citizenship than fraternal organizations. His words have been a world of inspiration to many men, and his influence will be long felt.

EGYPTIAN LODGE CASE.

Last spring Brother W. D. Lyerle, of Jonesboro, requested me to have Grand Secretary John H. Sikes present at the trial of this case. I requested that Brother Sikes attend the session of court. Brother Sikes attended the session of court. Brother Sikes was present in court two days, when the case was continued. On October 12th I received the following letter from Brother Lyerle:

"I have before me your letter of October 9th, relative to a report on the Egyptian Lodge case, and have this to say by way of report, that it was only lately that I was able to get service on all the de-

fendants in the case. One party had been, for the past several years, out of the State, and during the last month I succeeded in finding him in this county and getting personal service on him. We are now ready for a trial at the coming November term of Circuit Court.

"One thing I must ask of you in order to practically insure a judgment in favor of the Grand Lodge, and that is, that you have the Grand Secretary, Mr. Sikes, here for trial. Our court meets the second Monday in November and this is the first case to be called for trial at that time. There will be no jury here until Wednesday of that week, so that we will not need the Secretary until Wednesday morning. I wish you would write the Secretary and arrange for his being here at that time, so that we may make a final disposition of the case then.

"The case has been on hand for a long time, but it has been due to the fact, as I said, that one party was out of the State until the last month, and to other delays that were not avoidable.

"Let me know if I may expect Mr. Sikes here for the trial."

I immediately communicated with Brother Sikes and learned from him that it was impossible for him to attend during the month of November, for the reason that he is then engaged in the preparation of his final report and the great amount of work which devolves upon him on account of the Grand Lodge session. I wrote to Brother Lyerle that it was impossible for the Grand Secretary to come and requested that he have the case continued until the next term.

I recommend that Brother Lyerle be appointed as Special Deputy, and that all papers in connection with this case be referred to the incoming Grand Master.

Chicago, Ill., November 1, 1911.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Dear Brothers—We desire to report that, in the matter of the defalcation of the Treasurer of Duane Lodge No. 11, we have endeavored in every way possible to secure a trial of this case, but have been unable to succeed. We do not know the cause of the delay and, as we are powerless in this matter, as the prosecution is in the hands of the State's Attorney, we can only hope that ultimately the case will be tried.

Fraternally submitted,

JAMES EWING DAVIS,

Lakeside Lodge No. 450.

Deering Lodge No. 717.

CHARTER COMMITTEE.

The Grand Lodge, at the session of 1910, authorized the Grand Master, in his discretion, to appoint a committee to look after the interest of our Order in all matters pertaining to legislation which

Tuesday,
Nov. 21, 1911. }

might come before the session of the General Assembly in 1911. I appointed Past Grand Master Fred B. Merrills, Past Grand Representative Chester M. Turner and Duncan McDougall as such committee.

I herewith submit their report.

To the Grand Master of the Grand Lodge of the Independent Order of Odd Fellows:

Your Special Committee, appointed under authority of Document No. 17, found on Page 369 of the Journal of 1910, which was adopted at the last session of the Grand Lodge (Journal 1910, page 383), beg leave to report:

That we met, on January 5, 1911, in the City of Springfield, jointly with a similar committee appointed by the Grand Lodge of Masons, jointly considered the draft of a bill for an act which was unanimously agreed upon and which was introduced as Senate Bill No. 10.

Your Committee would further report that said bill proceeded to engrossment and was finally passed by both Houses of the Legislature and was approved by the Governor on the second day of June, 1911.

That said bill and the title thereof, as passed and approved, is as follows:

"An Act to enable fraternal and benevolent societies, incorporated by special Acts of the General Assembly, to take and hold property and borrow money needful and proper to serve and accomplish the purposes of their organization to the same extent as similar societies incorporated not for pecuniary profit under the general incorporation laws of this State.

Section 1. Be it enacted by the People of the State of Illinois, represented in the General Assembly: That in any case where any fraternal or benevolent society or association has been incorporated by any special Act of the General Assembly of Illinois, and where in the special Act under which the same is incorporated, or in any amendment thereto, there is any limitation as to the amount of value of real estate or personal property which such incorporated body or any of its constituent or subordinate bodies may hold, or any limitation as to the amount of money which such fraternal or benevolent society or association may borrow, that, notwithstanding any such limitation, such incorporated body or any of its constituent or subordinate bodies may hold real or personal property and may borrow money of whatever amount or value may be needful, suitable and proper to serve and accomplish the purpose of its organization, and to provide for them respectively suitable places of meeting and entertainment and accommodations for their officers and members, to the same extent

that societies for similar purposes and organized not for pecuniary profit under the general incorporation laws of the State may own and hold property, both real and personal."

FRED B. MERRILLS,
CHESTER M. TURNER,
DUNCAN McDOUGALL.

This committee has rendered valuable services to our Order. Legislation has been secured which is of great benefit to this Grand Lodge and its Subordinate Lodges. For this splendid work I extend to them my sincere thanks.

ENDOWMENT FUNDS.

Cambridge, Ill., October 15, 1911.

Hon. James Ewing Davis, G.M.,
Chicago, Ill.

Dear Brother—The Board of Trustees of the Endowment Funds of the Odd Fellows' Orphans' Home and the Odd Fellows' Old Folks' Home of the State of Illinois respectfully report that we have, during the past year, made the following investments of the money belonging to these Endowment Funds:

We purchased of the Pearsons-Taft Land Credit Company of Chicago, Illinois, one principal note of Forty-nine Hundred (\$4900.00) Dollars, executed by Willam J. Morris, which note bears date January 17, 1911, and is due and payable March 1, 1916. To the principal note are attached five (5) coupon interest notes, one being due on March 1st of each year, and being so drawn as to net the Endowment Funds five per cent (5%) interest each year. These notes are secured by a first mortgage on the Fractional North Half of the North East Quarter of Section Six (6) in Township Twenty-two (22) North, Range Eight (8) East of the Third (3d) Principal Meridian, in the County of Campaign in the State of Illinois, containing Eighty-two and Thirty-two Hundredths (82.32) Acres, more or less, said mortgage bearing even date with said notes. We examined this land and the Abstract of Title to it carefully, and insisted upon some corrections to the title, which the parties promptly made, whereupon we accepted the same. At the time of purchasing this note there was not Forty-nine Hundred (\$4900.00) Dollars in the two Endowment Funds, but by agreement with the Pearsons-Taft Land Credit Company we paid them Thirty-six Hundred (\$3600.00) Dollars, drawing Twenty-eight Hundred Fifty (\$2850.00) Dollars from the Orphans' Home Endowment Fund and Seven Hundred Fifty (\$750.00) Dollars from the Old Folks' Home Endowment Fund, and we were to pay the balance of Thirteen Hundred Dollars (\$1300.00) as fast as the funds would permit, and in the meantime we are to receive the interest upon so much as is paid from

time to time as the interest falls due, and we hold the notes and mortgage. On June 6th, 1911, we drew from the Old Folks' Home Endowment Fund the sum of Six Hundred Forty (\$640.00) Dollars, and from the Orphans' Home Endowment Fund the sum of One Hundred Sixty (\$160.00) Dollars, or a total of Eight Hundred (\$800.00) Dollars, and applied this sum upon the balance due on the Forty-nine Hundred (\$4900.00) Dollar note, leaving the amount still due upon this note Five Hundred (\$500.00) Dollars, so that we are now receiving interest at the rate of five per cent (5%) per annum upon Four Thousand Four Hundred (\$4400.00) Dollars for the benefit of the Endowment Funds from the William J. Morris loan. If we were permitted to use the interest upon the Endowment Funds toward the payment of this note we could pay this balance, but under the rulings of the Finance Committee, we are not permitted to invest the interest, and there are now less than Eleven Dollars (\$11.00) in the principal of the Endowment Funds that are not invested.

On June 1st, 1911, the note of Ida M. Darnall for Thirty-one Hundred (\$3100.00) Dollars, secured by a mortgage on One Hundred Sixty (160) acres of good farming land in Whiteside County, Illinois, became due, and she desired to renew the loan at the same rate of interest. This mortgage was originally purchased through the Pearsons-Taft Land Credit Company and net the Endowment Funds four and three-quarters ($4\frac{3}{4}$) per cent per annum interest. Upon thorough investigation of the matter we concluded that we would renew the loan, provided it should, from June 1st, 1911, net the Endowment Funds five (5%) per cent per annum. After considerable correspondence and some consultations, they decided to accept our proposition, paid the interest to June 1st, and on that date we renewed the same, so that this loan is now renewed for five years from June 1st, 1911, so as to net the Endowment Funds five (5%) per cent per annum.

The total amount of the Endowment Funds now loaned and invested is Fifty-eight Thousand Seven Hundred Sixty-eight Dollars and Forty-seven Cents (\$58,768.47), and, in our opinion, each loan and investment is safe and desirable. During the year the annual interest on all of the loans previously made by the Board of Trustees of these Funds has been promptly paid as it has fallen due in each case, and the same has been paid over to the Grand Treasurer. We have endeavored, in every respect, to comply with the requirements of the Grand Lodge in the investment of these funds as set forth in the law creating this Board of Trustees, and the subsequent enactments of the Grand Lodge of the State of Illinois affecting the same.

All of which is sincerely and fraternally submitted.

E. S. CONWAY,
CHESTER M. TURNER.
H. E. MAKUTCHAN,

Committee.

I recommend that the Trustees of the Endowment Funds secure a record book and that they keep a record of all the proceedings of their meetings, together with a financial statement of the condition of the Endowment Funds.

Every courtesy and respect due to the official position which I hold in the Order was shown to me. I am indeed grateful to all those who, by their work and presence, helped to make each meeting a success, and consequently my visitations a real pleasure.

Sincerely and fraternally yours,

And I desire to express my thanks and appreciation for such receptions.

I am also pleased to report to you, Grand Master, that nowhere that I have been have I found any discord, strife or disruptions, but on the contrary all has seemed to be peace and prosperity.

Respectfully submitted,

GRAND REPRESENTATIVES.

Grand Representative E. R. Sayler has furnished me an advance copy of the Grand Representatives' Report to the Sovereign Grand Lodge. This is the most complete and concise report which has been issued in many years. A great deal of surplus matter has been left out for the reason that it is published in the proceedings of the Sovereign Grand Lodge. This will be a great saving to our jurisdiction and I congratulate our Grand Representatives upon this advanced step.

GRAND ENCAMPMENT.

I herewith present the following which was received from the Grand Encampment of this State:

To the Officers and Members of the Grand Lodge of Illinois, I. O. O. F.:

Brothers—The following resolution was presented to the Grand Encampment of Illinois, I. O. O. F., at the session of 1910, and on motion of Grand Junior Warden the same was adopted:

HISTORICAL COMMITTEE.

At the last session of the Grand Lodge the Grand Master was authorized to appoint a Special Committee to consist of not to exceed seven members, whose duty it shall be, to devise ways and means by which the systematic collection and preservation of data and material pertaining to the history of the Order in this State can be accomplished. By virtue of the power vested in me I appointed as members of this committee, Charles S. Harris, P.G.M., W. A. Hubbard, D.G.M., John E. Jennings, G.W., W. E. P. Anderson, J. A. Lopp, Fred Strohm and John P. Cook. I understand that this committee will report at this session of this Grand Lodge, and I recommend that careful consideration be given to their report.

Believing that it would be of benefit to our Order to have Historical Sketches appear concerning the history of Odd Fellowship throughout the State, I appointed a Historical Committee for certain counties in the State. I was unable to find brothers who would perform this service in certain counties, and for this reason I did

not appoint members in certain counties. While the interest has not been manifested in this work that I anticipated, yet I believe that great good will result from what has been accomplished. Several brothers have been unable to complete their work for the reason that the Lodges in their counties did not furnish the necessary data. I am informed that many of these Historical Sketches are now in the process of formation and will be ready for publication in a short time.

I recommend that the incoming Grand Master cause to be published such articles as have been prepared or may be prepared in the future, and, where it is possible, to secure Historical Sketches of the Order in counties which have not yet been published. I want to thank those brothers who have worked so earnestly in the preparation of these Historical Sketches and extend to them my personal thanks. In order that these records may be preserved, I have given the dates of their publication.

The following historical sketches, prepared by members of the Historical Committee, appeared in the Odd Fellows' Herald under the following dates:

December 15, 1910—History of Odd Fellowship in Greene County, by J. D. Rowe.

February 15, 1911—First installment of History of Odd Fellowship in Cook County, by General J. P. Ellacott.

April 1—History of Odd Fellowship in Piatt County, by Charles McIntosh.

April 1—History of Odd Fellowship in Clark County, by Heber Briscoe.

May 1—History of Odd Fellowship in Shelby County, by A. L. Yantis.

June 1—History of Odd Fellowship in Crawford County, by M. Clyde Condrey.

June 1—Partial History of Odd Fellowship in Winnebago County, by Carl F. Johnson.

June 15—History of Odd Fellowship in Douglas County, by Judge W. J. Dolson.

July 1—Partial History of Odd Fellowship in Menard County, by A. R. Degge.

August 1—Partial History of Odd Fellowship in Macoupin County, by Frank G. Wood.

August 15—History of Odd Fellowship in Marion County, by Harry G. Cormick.

Historical Committee.

Chicago, Ill., December 20, 1910.

To the Subordinate Lodges of the State of Illinois—Greeting:

Believing that a personal history of Odd Fellowship in the State of Illinois will be of great benefit to our Order, I have undertaken to

Tuesday, }
Nov. 21, 1911.)

have the historical matter prepared by members of the Historical Committee which was appointed by me at the last Session of the Grand Lodge, and these articles will appear in the Odd Fellows' Herald during the coming year. This work is to be done by counties.

I enclose herewith a list of the members of the Historical Committee so far as the same have been furnished to me. I requested your Representatives, at the Session of the Grand Lodge in November, to select a member of the Historical Committee from your county, and in my official letter, under date of Nov. 18, 1910, I requested those counties which were not represented on this committee to kindly send the name and address of some brother for membership on this committee. If your county is not represented, you can readily understand that no name has been sent to me. I shall be very glad indeed to have those counties which are not represented on this committee take immediate action concerning the subject.

Each Lodge is requested to furnish to the member of the Historical Committee from your county, from the records of your Lodge, and from your personal knowledge, or from that of some of your members, answers to the following:

1. Date of institution18....
2. Number of charter members.....
3. Present membership
4. Hall owned or rented.....
5. Financial condition of Lodge; good, fair or middling.....
6. Give names of prominent men, active members.....
7. Give names and ages of some of the old members both living and deceased; state any distinguished work performed.....
8. Give names of any Past Grand Officers in any branch.....
9. Give name of Encampment and Rebekah Lodges, if any, with date of institution, number of charter members and present membership
10. Give names of members who have 25 year Veteran Jewel, or who are entitled to same.....

If you can supply this information, I shall be very thankful and highly appreciate the favor. I will be glad if you can give any further information of interest to your members or your Lodge or the Order generally.

Kindly furnish the information to your committeeman from your county as soon as possible.

Wishing the membership of your Lodge and their families a Merry Christmas and a Happy New Year, I am,

Sincerely and fraternally yours,

JAMES EWING DAVIS,

100 Washington St., Chicago, Ill.

Grand Master.

GRAND MASTER'S TERM TWO YEARS.

In connection with the above, I am of the opinion that the term of the Grand Master should be two years. Under present conditions the Grand Master is compelled to devote practically his entire time to the work of the office. The work of the Order demands it, and there is no opportunity to escape it, if the Grand Master has the welfare of the Order at heart. As soon as the Grand Master has acquainted himself with conditions throughout the State, his term of office is ended. If the term of office were for two years, the Grand Master could begin his work in such a manner as would enable him to carry it through a period of two years, so that better results could be secured. A change of this kind will necessitate a change in the Constitution of the Grand Lodge. An amendment submitted at the next session of the Grand Lodge must lie over one year before action can be taken. The present Grand Master is not advocating these measures for his own benefit, as his term of office will have expired and he is not a candidate for re-election; but he is actuated by a desire to do that which, in his opinion, is for the best interests and welfare of the Order.

I herewith submit the following amendment to the Grand Lodge Constitution and request that the Committee on Legislation submit the subject matter in such form as they may desire for action at the next session of the Grand Lodge:

ARTICLE IV.

Section 1. The officers of the Grand Lodge shall be as follows, viz.:

Grand Master, Deputy Grand Master, Grand Warden, Grand Secretary, Grand Treasurer and two Grand Representatives to the Sovereign Grand Lodge of the Independent Order Odd Fellows; all of whom shall be elected by ballot. Also Grand Chaplain, Grand Marshal, Grand Conductor, Grand Guardian and Grand Herald; all of whom shall be appointed. The Grand Master, Deputy Grand Master and Grand Warden shall be elected for a term of two years.

I recommend the adoption of the following amendment to the Grand Lodge By-Laws:

ARTICLE II.

Section 1.—**Representatives.** The Representatives to the Grand Lodge shall be elected and hold office for two years; one-half of them being chosen each year; provided, that said representatives shall not

be entitled to mileage and per diem if the semi-annual reports and tax of their Lodges have not been received by the Grand Secretary prior to the first day of November.

Section 2. Each Subordinate Lodge shall, on the night of and immediately after the installation of officers, in April, biennially, from among the qualified Past Grands in membership in the Lodge, elect by ballot, and in the same manner as prescribed for the election of officers, one representative to this Grand Lodge; provided, that when a public installation is had, the election may be at the next regular meeting thereafter.

Section 3. Immediately after the election of representative, each Lodge, by its officers, shall execute the proper certificate as set forth in the preceding section, in duplicate; one copy of which shall be forwarded without delay, by mail, directed to the Grand Secretary; the other copy shall be delivered to the representative-elect.

Section 4. When a vacancy arises in the representation of a Lodge, from any cause, the Lodge may, in its discretion, fill the same; but the election for filling such vacancy shall not take place until the next regular meeting after the decision to fill the vacancy has been made: Provided, however, that when, on account of such delay of one week, there will not be sufficient or reasonable time allowed to the representative-elect to prepare to attend the next ensuing session of the Grand Lodge and to travel thereto, the Lodge may fill the vacancy forthwith.

Section 5. The representatives shall be divided into two classes, the first class being those that represent odd numbered Lodges, and the second class those that represent even numbered Lodges. The first class shall be elected biennially in odd numbered years, and the second class biennially in even numbered years.

Section 6. The Representative shall, within thirty days from the date of adjournment of the Grand Lodge, present a written report as to the proceedings of the Grand Lodge, pointing out specifically all changes in the laws of the Order, and giving the decisions of the Grand Master and Grand Sire which have been duly approved and such other matters as will be of interest to the Lodge.

MEMBERS OF DEFUNCT LODGE.

I recommend the adoption of the following as an amendment to our Subordinate Lodge Constitution:

Member of Defunct Lodge. A member of a defunct Lodge who is in good standing at the time of its dissolution shall, upon application to the Grand Secretary and the payment of one dollar, receive a Withdrawal Card; or, if not in good standing, on the payment of the same fee of one dollar, a Dismissal Certificate; and a member

holding such card or certificate shall have the same privileges and is to be recognized by every Lodge to which it may be presented as having the same force and effect as a Withdrawal Card or Dismissal Certificate that has been issued by an existing Lodge.

CARDS TO FEMALES.

I recommend the adoption of the following as an amendment to our Subordinate Lodge Constitution.

Cards to Females. A Lodge may, by the assent of two-thirds of the members voting, with or without fee, grant a card to the wife of a member in good standing, whose dues have been paid for the time the card is to run beyond the current quarter, to remain in force not longer than one year; and also to the widow of a member who was in good standing at the time of his death, to continue in force as long as she shall remain such, unless revoked by the Lodge for cause. Such card shall be in accordance with the form prescribed by the Sovereign Grand Lodge, and shall be signed by the proper officers of the Lodge and countersigned on the margin by the recipient.

CHARGES AGAINST NOBLE GRAND AND VICE GRAND.

I am of the opinion that our law does not provide a method of procedure in cases where charges are preferred against both the Noble Grand and Vice Grand, and I recommend that the Committee on Legislation report an amendment to our Subordinate Lodge Constitution covering cases of this kind.

GRAND SECRETARY FOR SPECIAL SESSIONS.

Under our present law, a Special Session of the Grand Lodge can not be held without the Grand Secretary being present. Sometimes it would be very convenient to hold Special Sessions of the Grand Lodge while the Grand Master is making his official visits, and considerable expense could be saved if the Grand Master had the power to appoint a Grand Secretary for the Special Session.

I therefore recommend that the Committee on Legislation report an amendment for our Grand Lodge Constitution empowering the Grand Master to appoint a temporary Grand Secretary for Special Sessions of the Grand Lodge.

WITHDRAWAL CARDS.

The following action was taken by the Sovereign Grand Lodge, at its last session, relative to Withdrawal Cards:

"That in all cases where a member shall apply for his Withdrawal Card for the purpose of becoming an applicant for the institution of a new Lodge or Encampment, he may pay in advance a quarter year's

dues at the time of his application. Upon such card being granted and issued, if such member shall become sick or disabled, or should die, within the period for which such advanced dues are paid and before completing his membership in the new Lodge or Encampment, said card shall be cancelled and said member shall be entitled to all sick and death benefits from his old Lodge or Encampment, the same as if no card had been issued."

I direct that the Committee on Legislation prepare an amendment to our Subordinate Lodge Constitution, covering the above subject matter.

DEATH OF DELINQUENT MEMBER.

Upon the death of a member who is delinquent, but not under sentence of expulsion or suspension, his Lodge shall give him burial as an Odd Fellow, but no funeral expenses shall be paid to his relatives.

ELECTING AND INITIATING THE SAME NIGHT.

The abuse of this law has demonstrated that its usefulness is at an end. I can not conceive why it was ever necessary to enact such a law. Complaint has been made to me in many cases where Lodges would abide for the time and wait until the old guard was off duty, then place the application of an undesirable member in the Lodge on a certain night, ballot, elect and initiate the same night. We have been too lax in our investigations. We have been too anxious to acquire members. We have perhaps forgotten that one bad member will do our fraternity more harm than one thousand new members will do good. It is impossible to estimate the evil that one member may do. You recall that it has been said, "The evil that men do lives after them; the good is oft interred with their bones." It was a mistake to give the Lodge Deputy Grand Master the right to give a dispensation to receive an application, ballot, elect and initiate the candidate the same evening. Many men wait for years before they make up their minds to join our Order, then what reason is there that they must be elected and initiated the same night? Let us look well to our investigations. Let us spend more time in looking into the personal character of prospective members. Let the test of membership be a test of good moral character and not a question of expediency. Let us only bring in those whose reputations are spotless and stainless, and do not let us place on our roster the name of any man who may bring the name of our Order into disrepute and in after years cause us to look back with regret.

I recommend that Section 5 of Article II of the Subordinate Lodge Constitution be amended by striking out the following words:

"Except by dispensation of the Lodge Deputy Grand Master," and I recommend that no petition under any circumstances can be presented and the candidate elected and initiated on the same night.

PETITION FOR MEMBERSHIP.

Sec. 5. An application for membership shall be in the following form, to-wit:

To the Officers and Members ofLodge No.....I. O. O. F., working under the jurisdiction of the Grand Lodge of the State of Illinois of the Independent Order of Odd Fellows.

I respectfully request admission into this Lodge..... (here insert whether by initiation or by deposit of card, or as an Ancient Odd Fellow, or as a non-beneficial member), and in consideration of such admission, I promise and agree that, if elected, I will conform to the Constitution and By-Laws of your Lodge and those of the Grand Lodge of the State of Illinois, and that I will seek my remedy for all rights on account of said membership or connection therewith in the tribunals of the Order only, without resorting for their enforcement, in any event or for any purpose, to the civil courts. I am not, in violation of the I. O. O. F. laws, a saloon-keeper, bartender, or professional gambler. I am a free white male person. I am not engaged in any business or occupation in violation of the laws of the State of Illinois or in violation of the laws of the United States.

FUNERAL EXPENSES AND FUNERAL BENEFITS.

Perhaps no provisions of our Laws have been productive of more complications than our Constitution relative to the above subjects.

Under our present Constitution every Subordinate Lodge in the State is required to pay not less than Eighty Dollars (\$80.00) in case of the death of one of its members—not less than Twenty Dollars shall be paid as a **Funeral Benefit** and not less than **Sixty Dollars** for **Funeral Expenses**, making a total of **Eighty Dollars**. There is much confusion as to the construction which is placed upon these provisions.

My experience has been that many Lodges work upon the principle that if a member leaves a sufficient estate in order to provide for his funeral expenses, there is no liability on the part of the Lodge.

This is an erroneous idea, and has resulted in much harm to our Fraternity. It is **not** the law, and the sooner that our Lodges understand the matter, the better it will be for our Order.

We point with special pride to the fact that we do **not** discriminate between individuals—that we do not recognize one individual on account of his worldly possessions, and another that he is a pauper, by virtue of the fact that he has not been as fortunate in the struggles incident to human life as his brother.

Owing to the fact that some of our Lodges are not strong, either numerically or financially, the amount of Eighty Dollars (\$80.00), is excessive.

The distinction between Funeral Benefits and Funeral Expenses is the cause of much discussion, and the various interpretations and constructions placed upon our constitutional provisions relative to these matters result in much harm. The least complex are our constitutional enactments, and the more simplified our laws are, the better will be the results attained in the performance of our duties and obligations.

The distinction between Funeral Benefits and Funeral Expenses should be eliminated, and the two should be combined in one; I therefore recommend that Funeral Benefits and Funeral Expenses be abolished and the two combined under one head.

I also recommend that the minimum amount be fixed at Thirty-five Dollars (\$35.00). in order that this amount can be brought within the financial ability of every Lodge in the State.

I also recommend that the Grand Master be instructed to notify the Lodges throughout the State that the payment of the minimum amount of Thirty-five Dollars (\$35.00) is **obligatory** upon Subordinate Lodges in the case of every member who is in good standing at the time of his death.

The fact that the minimum amount is fixed at \$35.00 does not prevent any Lodge from paying such amount as it may desire to provide in its By-Laws.

Another phase, in connection with this subject, which has been the means of causing many misunderstandings, and has resulted in bringing about an unfavorable impression of our Fraternity, is the fact that in the burial of deceased brothers, the Lodge is not clear as to its duty where a member is buried without the usual ceremony provided by our Order for deceased members. As the law is construed at the present time, if the Lodge is denied the right to officiate at the services of the deceased brother, then there is no liability on the part of the Lodge. The question arises as to the construction of what shall be deemed a denial to officiate. In the event of a brother's death, the widow, in the hour of trouble, generally appeals to those friends who occupied a somewhat confidential relation to her deceased husband.

The widow is overcome with grief. She is not in any position to take up business matters. The friend of her husband takes charge of the funeral arrangements, and the possibilities are that the funeral will be conducted by a fraternal organization to which this friend is closely attached. If the Odd Fellows do not conduct the funeral it is doubtless because the friend has decided otherwise, without the knowledge of the widow. During his lifetime the husband has repeatedly told the wife that in the event of his death he would be buried by the Odd Fellows, and that she would receive so much money. The Lodge does not pay the money, and finally the matter is brought to the widow's attention—she appeals to the Lodge for the money due on account of the death of her husband, and then she is informed that, because the Odd Fellows did not conduct the funeral services, she will get nothing—this is the first knowledge that she has had of the provisions of the law. She is denied that which rightfully belongs to her, and which has been taken away from her without her knowledge or consent.

It is one of the fundamental principles of our Order that "We bury the dead," and in my opinion this means the actual burying—it does not mean that a ritualistic service shall be termed a burial. Let us pay the amount which we agree to pay without equivocation. Let us pay it without any conditions. Let us pay it whether we conduct the services or not.

The very thing which has appealed to the people of every land and has enabled this Grand Fraternity, in the brief period of ninety-two years, to become the strongest Fraternity that the world has ever known, is the fact that we have invited to our membership those who could become united with us in promulgating the principles of Friendship, Love and Truth without sacrificing any duty or obligation which they owe to the nation, to the state, to their family, to their God or to their conscience. This liberality on our part has been the means and instrumentality of bringing to our ranks men of every nationality in the world. Let us say to the world that we are going to continue that spirit of freedom of thought and action, and that we will remember that Divine Injunction which was handed down centuries ago, when the Good Samaritan said to the man who was wounded and bleeding, on the highway: "While he is not of my country, of my flesh or of my religion, yet after all is he not my Brother?" The test of Brotherhood is not the utterance of words, but it is the expression of the human heart.

CREDENTIALS FOR GRAND LODGE OFFICERS.

During the past year, while visiting in other jurisdictions, I have been impressed with the necessity of having credentials for our Grand Lodge Officers. It seems as though our Grand Lodge has never issued

any papers to our Grand Lodge Officers certifying to their election. Any brother visiting in another jurisdiction has nothing except his Official Receipt to show what official position he holds. I recommend that the Grand Secretary have prepared a suitable form, which shall be issued to all elective and appointive Grand Officers immediately after the close of the Grand Lodge Session, showing their election, their title, and the term of office for which they have been elected.

REPORT TO THE GRAND LODGE.

It has come to my notice on a few occasions that Lodges are somewhat derelict in paying funeral benefits and funeral expenses. This is a very serious matter to our Order, as it injures our reputation. It not only affects the reputation of the individual, but it also affects the general reputation of the Independent Order of Odd Fellows. I recommend the following amendment to the Constitution of Subordinate Lodges:

When a member of a Subordinate Lodge dies, the Secretary of said Subordinate Lodge shall, within thirty days of the death of said brother, report the name of said deceased brother to the Grand Secretary of the Grand Lodge, and at the same time shall report as to whether the funeral benefits and funeral expenses have been paid in accordance with the laws of the Grand Lodge, and at the same time shall report the name and address and the names and addresses of the surviving children if there be any. If the funeral benefit and expenses have not been paid, the Secretary shall state the reason why they have not been paid.

MUST USE APPLICATION PRESCRIBED BY CONSTITUTION.

In dealing with saloon keepers, I have learned that many lodges are not using the form of application prescribed by our Subordinate Lodge Constitution. My attention has been called to several applications where the words "Saloon keeper, bar tender or professional gambler" have been omitted.

I therefore recommend that no Subordinate Lodge shall be permitted to use any form of application other than that prescribed in Section 5 of Article II of the Subordinate Lodge Constitution.

DUES TOO LOW.

Under our present Constitution, Lodges are permitted to charge as low as seven cents a week for their dues. We find that, as a result of this, Lodges have become bankrupt. Lodges are attempting to pay \$5.00 a week sick benefits and are charging dues at the rate of \$3.50 and \$4.00 per year. They can not meet their obligations; and while

this is, in a measure, a matter for the local Lodge, yet the Grand Lodge assumes very great responsibilities in providing homes for our aged and the orphan children of all Subordinate Lodges, and should, therefore, exercise supervision over the Subordinate Lodges and should protect them by such legislation as will prevent them from becoming bankrupt. No Lodge in the State should charge less than ten cents a week dues. This is only \$5.20 per year, and most Lodges are charging much more.

I therefore recommend that Section 5 of Article X of the Subordinate Lodge Constitution be amended by striking out "seven cents a week" and inserting, in lieu thereof, "ten cents a week."

CONTINGENT FUND.

At the last session of the Sovereign Grand Lodge the following resolution was adopted:

"Resolved, That the Grand Lodges of the various Grand Jurisdictions be invested with the power to permit Subordinate Lodges under their respective jurisdictions to set aside five per cent of their income from all sources as a contingent fund, to be expended in the payment of necessary and proper obligations, which every Lodge must meet, and for which purpose a Subordinate Lodge, under existing laws, can not expend its funds."

Under our present laws, Subordinate Lodges are only permitted to set aside five per cent of their dues as a contingent fund. This will enable the Lodges to set aside five per cent of their annual income from all sources.

In view of the fact that many Lodges have difficulty in securing funds for entertaining, I presume that this new legislation will be thankfully received by our Subordinate Lodges.

I recommend that the Committee on Legislation report an amendment to our Subordinate Lodge Constitution, in conformity with the powers delegated by the Sovereign Body.

TERRITORIAL JURISDICTION.

There is possibly no one question that causes as much strife and discord among Lodges as this. It adds greatly to the heavy burden which every Grand Master must bear in the performance of his duties. We have many cases where Lodges are inactive and in a dormant state, occupying splendid territory. Many good men, in localities such as I have mentioned, do not become affiliated with our Order for the reason that they will not join the Lodge because it is in the condition in which it is. These Lodges will not waive jurisdiction, and thus our Order is deprived of the membership of many desirable people. I

want it to be distinctly understood that I would not advocate any proposition which would be the means of taking from those Lodges any strength which they need for their own sustenance, but I believe that the losses which we are sustaining are greater than the benefits. In the financial analysis, it results in the "survival of the fittest." Should we not do that which will be for the good of the greatest number? Let us eliminate every question which is productive of dissension and strife.

I recommend that the Committee on Legislation report an amendment or such amendments as may be necessary to abolish territorial jurisdiction in this State, and as this will be a Constitutional Amendment, which will be required to lie over one year, I also recommend that the incoming Grand Master, at least three months prior to the expiration of his term of office, give due and timely notice to the Lodge throughout the State that this question will be voted upon at the session of the Grand Lodge in 1912.

WHAT SHALL WE DO FOR TWENTY-FIVE YEAR MEMBERS WITHOUT A LODGE?

The following resolution was passed at the last Session of the Sovereign Grand Lodge:

"Resolved, That the Sovereign Grand Lodge hereby permits and authorizes Grand Lodges to enact legislation so as to make provision for brothers of defunct Lodges who have been members of this Order for not less than twenty-five years, by the transfer of membership of such brothers to any other Lodge of the jurisdiction; and provided, further, that the Grand Lodge may reimburse such Lodges for the amount of sick, funeral or death benefits paid to such members in excess of the amount of dues collected from them by such Lodge."

We have a law which partially covers matters of this kind, but under the power given us by the Sovereign Grand Lodge we can do more than we could under existing legislation. This is one of the most serious questions which we have confronting us today, and in matters of this kind we ought to do everything in our power to preserve the membership of those brothers who have been faithful for twenty-five years.

I recommend that the Committee on Legislation report such amendments as will permit our jurisdiction to exercise the full benefit of the power given by the Sovereign Grand Lodge.

PENALTY.

In Section 8, Article X of the Subordinate Lodge Constitution it is provided that Lodges in their By-Laws may further provide that, as a penalty, such non-beneficiary members shall not become entitled to **Weekly Benefits** for a period subsequent to such payment not ex-

ceeding thirteen weeks. I find that many Lodges misconstrue this and seek to enforce the penalty, not only against weekly benefits, but also against funeral benefits and funeral expenses. It was undoubtedly in the mind of the author of this amendment that the penalty should be invoked against weekly benefits, for the reason that a member becomes sick very frequently, yet he only dies once.

I recommend that the Committee on Legislation report an amendment to this section, such as will make it explicit that the penalty does not apply to funeral benefits or funeral expenses.

SECRETARY.

Section 1 of Article III of the Subordinate Lodge Constitution provides: "That a Secretary who shall be known as Recording Secretary if a Financial Secretary is chosen." The law permits Lodges to select one Secretary to fulfill the duties of both the Recording and the Financial Secretary. The Constitution does not fix the term of office where there is only one Secretary.

I recommend that the Committee on Legislation report an amendment fixing the term of office of the Secretary at one year where there is only one Secretary elected.

LIMITATION AS TO CLAIM.

There is an urgent necessity for some limitation to be fixed as to when a claim on account of sickness or disability should be barred. These matters should not be allowed to be brought up after several years have elapsed.

I recommend that our Committee on Legislation should present an amendment to the effect that "A claim on account of sickness or disability shall be barred after one year from the date of discontinuance of such sickness or disability."

PROFICIENCY REQUIRED.

Section 1 of Article VI provides "That no degree shall be conferred upon a candidate unless, by examination in open lodge, he shall have been found proficient in the highest degree he shall have attained; that he is in possession of the unwritten work thereof, so as to give an intelligent explanation of its uses and as near as may be in the language of said work."

I am pleased to know that there are some Lodges that are making an honest effort to comply with this law, but there are many others that pay absolutely no attention to it. No candidate should be permitted to go out of any Lodge without being proficient. By so doing you do him a great injustice and you injure your Lodge. The candidate

J. A. Lopp

Grand Warden,
Mt. Carmel.

is afraid to undertake the visit in another Lodge, because he will not attempt to get in if he has not been thoroughly grounded in the work.

If the necessity of being perfect is not impressed upon him, your work has been in vain. The latter part of this section, which provides "That when urgent necessity is shown and a dispensation therefor shall have been granted by the Lodge Deputy Grand Master, such examination may be dispensed with." There is no occasion for such a law as this. Under no circumstances should this examination be dispensed with. If we instruct our candidates properly, we will not have so many members dropped for the non-payment of dues.

I recommend that the Committee on Legislation report an amendment to this section in accordance with the recommendations herein contained.

WHEN DUES COMMENCE.

This question is asked so frequently that it will be of material benefit to incorporate a provision in our Subordinate Lodge Constitution. Dues commence at the time of the initiation of a member. I request the Committee on Legislation to embody this in an amendment to the Constitution.

SUPERVISION OF PROPERTY.

Throughout the jurisdiction many Lodges have become involved in litigation on account of improper business methods, which have been used in purchasing property. If the proper precaution had been taken Lodges would not have sustained the losses which they have. It frequently happens that, in taking a deed to property, certain conditions are inserted in the covenants of the deed which make it a very great hardship on these Lodges. They do not seem to understand these conditions at the time, but unfortunately they realize their mistake later. Many other Lodges make bad investments, and the result is that they not only lose what money they possess, but are also burdened with a very heavy indebtedness, which it is impossible for them to pay. I believe that the Grand Lodge should, in some manner, require all Subordinate Lodges that desire to acquire real estate and who may desire to erect Odd Fellows' Halls, to submit a statement of their financial condition and probable income to be derived from the proposed building and purchase of land; also to submit the plans and probable cost of such building and lands. Some plan could be devised whereby these matters could be passed upon by a committee or some Grand Lodge Officer, so that the financial interest of these Lodges might be conserved.

I recommend this subject to the serious consideration of the Committee on Legislation and request that if it is possible for them to submit some plan in accordance with the above views, which will meet the approval of this Grand Body, they do so.

REINSTATEMENT AND DISMISSAL CERTIFICATES.

I find that there is much confusion among the Lodges as to the payment of fees in the matter of reinstatements. Many Lodges will adopt a model set of By-Laws, which provides "That the fee for reinstatement after dropping shall be one year's dues." Then they read Section 2 of Article VIII of the Subordinate Lodge Constitution, where they find that an application for reinstatement after one year shall be treated like a proposition for membership by initiation. Then they read Section 4 of Article X of the Subordinate Lodge Constitution, where they find that the same fee as is charged for an initiate of the same age. They do not read the last part of the section, which provides "Or such lesser sum as the By-Laws may prescribe."

If the applicant has been dropped for several years, the Lodge does not like to reinstate him for one year's dues, which possibly may be \$4.00, as some Lodges are charging. Having adopted this model By-Laws, it is impossible for the Lodge to rely upon the Constitution. I think that these sections might be simplified. Then again many Lodges are laboring under the misconception that a brother can not be reinstated as a beneficial member if he is over fifty years of age. The language in Section 3 of Article VIII of the Subordinate Lodge Constitution says "That a brother over fifty years of age may be reinstated as a non-beneficial member." It does not state that he shall not be reinstated as a beneficial member.

Many Lodges decline to issue Dismissal Certificates, taking the position that the brother must be reinstated and then given a Withdrawal Card. Then some Lodges have the idea that a Dismissal Certificate can not be granted after the expiration of five years. I am of the opinion that there should be a constitutional provision as to the fees for reinstatement. No brother who has been out of the Order for ten years should be permitted to be reinstated for one year's dues. I think that there should be a graded scale of fees. I think the fee for reinstatement within one year should be one year's dues and so much additional added thereafter for every year that the brother remained out of the Order.

I recommend that the Committee on Legislation report certain amendments to these various sections, which will clarify the situation and make our Constitution more easily understood by our membership.

WITHHOLDING WITHDRAWAL CARDS.

In the formation of new Lodges considerable trouble has arisen from the fact that brothers desiring to become charter members of new Lodges have been unable to secure their cards. Their Lodges have postponed and delayed the granting of these cards in many instances and refused in others, so that it was necessary that many of them were deprived of being charter members of the new Lodge and afterwards were caused to tender their resignation, in order to become charter members. The chain of the brothers' membership has been broken. In nearly every instance this has been the result of petty jealousy. If a brother is worthy and his own Lodge has not seen fit to prefer charges against him, then he should be given a card if he wishes to sever his connection with that Lodge.

I recommend that the Committee on Legislation present such amendments to this Grand Lodge as will remedy these matters in the future and prevent Lodges from doing an injustice to faithful brothers.

SEMI-MONTHLY MEETINGS.

It has come to the attention of the Grand Master that many Lodges are not holding regular weekly meetings. It seems as though it is impossible for some of the weaker Lodges to meet every week. I have had requests to permit Lodges to meet twice a month for financial reasons. Some Lodges are having a hard struggle for existence. They can save considerable rent by meeting twice a month. In my opinion we would be serving the best interest of the Order to permit Lodges to meet semi-monthly where it is unquestionably for the best interest of the Lodge.

I would recommend that the law be amended so as to permit Subordinate Lodges to hold semi-monthly meetings and I request that the Committee on Legislation submit the necessary amendments covering this subject.

SMOKING SHALL BE STRICTLY PROHIBITED IN THE LODGE ROOM WHILE THE LODGE IS IN SESSION.

This was the action of the Sovereign Grand Lodge at its last session.

CLASSIFY LEGISLATION.

I recommend the adoption of the following:

Immediately after the close of each Grand Lodge Session of each year, the Grand Secretary shall prepare a summary of all legislation which was enacted at the session of the Grand Lodge and also the legislation which was enacted at the last session of the Sovereign Grand Lodge, together with all the approved decisions of the Grand

Sire and Grand Master and all resolutions of the Grand Lodge relative to new laws and have the same published in a separate part of the Grand Lodge Journal and in consecutive order, so that any one can easily find these matters without looking through the entire Grand Lodge Journal and the Sovereign Grand Lodge Journal.

INSTALLATION.

I recommend the adoption of the following:

A brother can not be installed into and hold, at the same time, more than one of the offices in a Subordinate Lodge provided for in the Ritual and General Law.

PRESERVE THE CHAIN OF MEMBERSHIP.

Frequently Lodges are compelled to surrender their charters and the membership of some brother, who has been a member of the Order for a good many years, is severed. Some legislation should be enacted to make a provision for preserving the chain of membership of these brothers before the Charter is surrendered.

I recommend this subject to the Committee on Legislation, with the hope that they may be able to report to this Grand Body something which will enable us to remedy this great defect.

ASSESSMENTS, WHEN PAYABLE.

Much confusion, annoyance and trouble arises from Special Assessments. I believe that, where it is possible, Lodges should fix a higher rate of dues so that Special Assessments may be obviated.

I would recommend that an amendment to our Subordinate Lodge Constitution be reported by the Committee on Legislation to the effect that assessments are not payable and do not stand against a brother's account until the first of the quarter subsequent to their accruing.

FINANCIAL CONDITION OF THE ORDER.

The receipts of the Grand Lodge during the past year amount to \$133,183.63. This exceeds the receipts of last year by \$12,844.02. The Grand Treasurer shows total cash in the treasury of \$59,636.72. Last year he showed a balance of \$42,886.38. This shows a net gain of \$16,750.34 for the fiscal year.

Our Order is to be congratulated upon the splendid condition of its finances.

PRIVATE SECRETARY FOR THE GRAND MASTER.

No one except the Past Grand Masters and the Grand Master has any conception of the volume of business that is transacted in the Grand Master's office. The correspondence is enormous. During the past year, it has been impossible for the correspondence in the office to be handled by one stenographer. One stenographer has devoted her entire time to the work, and two others have devoted considerable time to the work. Sometimes as many as 125 letters a day have been sent out from this office. Every Grand Master comes into office and employs a new stenographer. The work of the office is entirely new to the stenographer. In fact, the Grand Master knows very little about the work which has been done by his predecessor. He does not know what matters have come before those who preceded him. During the present year I have had much correspondence relative to matters which, upon investigation, I learned had been taken up and investigated by my predecessors. During the year, the Grand Master becomes acquainted with the condition of the Order throughout the State. He works along certain lines and does that which, in his opinion, is for the best interests of the Order. There ought to be a stenographer who might be termed a private secretary to the Grand Master. The Grand Master should select a stenographer with the idea that it should be a permanent position. In the opinion of your Grand Master, it would be a valuable thing for the Order to secure a stenographer who would be permanent, whose services would be at the command of each succeeding Grand Master; that is, the stenographer should take up his residence at the place of residence of each Grand Master. In my opinion, this position should be filled by a brother who is a competent stenographer. He would then be familiar with all the work of the Grand Master's office. He could inform the next Grand Master as to the work which had been done by his predecessor. When correspondence would come into the office of Grand Master, he would know whether the same matters had been before the preceding Grand Masters or not. He would know the condition of the Order throughout the State. He would know where special work was necessary. He would know where there were strong Lodges that could help the weak. He would be familiar with every detail in order that the Grand Master might be relieved of many matters which could be attended to by the stenographer, so that the Grand Master could give his attention to more important matters. I believe that, in the course of two or three years, such a brother would be invaluable to the Order. The Grand Lodge now pays \$600 for a stenographer, and I am of the opinion that, for \$600 more, such a brother could be secured. It would be money well invested by the Grand Lodge. In my opinion, such a stenographer should be employed by the Grand Master with the consent and approval of the Deputy Grand

Master and Grand Warden. The Deputy Grand Master and Grand Warden are interested in securing the proper man for this position, because it will be necessary for them to be associated with the same stenographer during their term of office.

I recommend that there be appropriated the sum of \$1,200.00 for a stenographer for the Grand Master for the coming year, and that the Grand Master select a brother for this position, with the consent and approval of the Deputy Grand Master and Grand Warden; that his selection be made with the view of securing an available brother who will permanently fill this position. I realize that it will be impossible for the Grand Master to secure such a person immediately, and I recommend that, until such a person is selected, the Grand Master be authorized to pay the sum of \$50.00 per month for a stenographer, and after he has selected a brother in accordance with the above recommendation, that this brother receive the sum of \$100 per month.

BUILDING FOR GRAND SECRETARY.

Our Grand Lodge records are intact. We are unfortunate in having our Grand Secretary's office located in a building which is not fireproof. This is a vital matter to our Order in this State. If these records should be destroyed, money could not replace them. We ought to have a building in Springfield especially constructed for our records. This building ought to be fireproof. In my opinion, the office of the Grand Secretary should be located at the Capital of the State, regardless of the residence of the brother who fills that position. Our insurance rates at the present time are very high. I do not favor the idea of building a Temple or erecting a building for business purposes, but necessity demands that we should take action in preventing a calamity coming to our Order, such as we would experience in the loss of our records. It has been estimated that a suitable location could be secured outside the business district of Springfield and a fireproof building erected for \$15,000, and not to exceed \$20,000 at the most. The cost of such a building would not exceed very much the amount we are now paying for insurance and for rent. This building could also be used for the purpose of preserving the records of each Grand Master, so that they would be available to the Order at all times.

I recommend that action be taken on this matter at this session of the Grand Lodge, and that a Special Committee be appointed, consisting of the incoming Grand Master, Grand Secretary elect, and the three members of the Finance Committee, to carry out the instructions of this Grand Lodge in such manner and form as they may be given.

SUPPLIES.

Our cipher books now sell for \$1.00. As the cost of these books is only twenty-five cents, I am of the opinion that the membership would use a great many more if the price was reduced. I recommend that the price of cipher books be fixed at 50 cents. Our Grand Lodge does not realize very much money on the profits arising from the sale of supplies. Our great revenue is derived from the Capitation Tax. I think that it should be our aim to get all our supplies into the hands of our Lodges with as small a profit as possible, keeping in mind, however, the loss incident to the handling of these supplies.

STATE FAIR HEADQUARTERS.

Following the custom which has been heretofore adopted, I appointed Past Grand Brother Charles R. Coon, of Sangamon Lodge No. 6, of Springfield, to provide Odd Fellows Headquarters during the State Fair. These headquarters consisted of a tent in which a number of chairs were placed, drinking water, etc. There was a sign upon these headquarters, "Welcome I. O. O. F." These headquarters are patronized by many members of our Order and it affords a common meeting place for our members. The expense of this is \$30.00, and I consider the money is well expended for the good of the Order. A Grand Lodge warrant for that amount was drawn in favor of Brother Coon.

SPECIAL RELIEF.

I drew a warrant upon the Special Relief Fund for the sum of \$50.00 in favor of Past Grand Master R. W. S. Wheatley. I sent the money to his Lodge to be spent for Brother Wheatley's benefit. The Lodge filed a report with me, showing the expenditures in detail. On the 13th of January, 1911, I visited Past Grand Master Wheatley at his home. He had been confined to his home then for a period of more than four years, and the only income which he had was the sick benefits which he received from his Subordinate Lodge.

BOOK OF CONSTITUTIONS.

In a short time after I assumed the duties of Grand Master, I learned that many Subordinate Lodges had not received Constitutions and By-Laws for many years, and that they were working under the Constitutions which had been adopted ten or fifteen years ago. I, therefore, deemed it my duty to place in the hands of all the Lodges the very latest Constitutions. I had the Grand Secretary prepare a Book of Constitutions, containing the Grand Lodge Constitution, the Grand Lodge ByLaws, the Grand Lodge Rules of Order, the Constitu-

tion for Subordinate Lodges, Rules of Order for Subordinate Lodges, the Assembly Constitution, the Assembly Rules of Order, the Rebekah Lodge Constitution, the Transfer Law and the rules governing appealed cases. These books were furnished to every Subordinate and Rebekah Lodge in the State. I believe that the Lodges have appreciated these latest laws which have been enacted by our different bodies.

GRAND LODGE BANNER.

It may be surprising to many members of our Order that our Grand Lodge has no banner. When we participate in any parades we have nothing by which our jurisdiction can be designated. Our jurisdiction has been attracting the attention of the entire world on account of the wonderful acquisition we have made in new members. It is highly important that a jurisdiction as old and prominent as ours should have a Grand Lodge banner.

I, therefore, recommend that the incoming Grand Master be directed to secure a Grand Lodge banner and that such amount of money be appropriated for this purpose as the Finance Committee shall deem necessary.

PHOTOGRAPHS.

It has been a matter of frequent comment that we have no first-class collection of photographs of the buildings of our Homes. The demand for these pictures is frequently made. The Lodges throughout the State make frequent use of views of our institutions. The time is not very far distant when we will have an OFFICIAL DISTRICT of Odd Fellowship in Illinois and the brightest pages of that book will be those which contain the cost of our beloved institutions.

I, therefore, recommend that the incoming Grand Master, during his term of office, secure for the Grand Lodge a full and complete set of photographs of the grounds, buildings and interior views of the buildings of our Homes.

ILLUSTRATED LECTURES.

During the past year it has been my pleasure on several occasions to witness stereopticon views of our Homes in connection with lectures concerning these institutions. No better plan can be devised to bring before our membership the practical workings of our Order. Several brothers who are zealous in the cause of Odd Fellowship have spent a great deal of money in securing pictures of these institutions and also in preparing slides and in operating machines in connection with the exhibit of these views. These brothers are entitled to great credit for the splendid work which they have done. A new field is

being opened up in this direction and its usefulness will prove very beneficial to our Order. In exhibiting these pictures, it has been apparent that there is a lack of comprehensive knowledge as to certain features of our Homes. These brothers have not been able to secure the necessary information. If the Trustees of these Homes would prepare a historical sketch of these institutions, these sketches could be published by the Grand Lodge with very little expense and placed in the hands of those who are so magnanimously devoting their time and means to this cause. These little books will also be valuable to the Lodges, as many brothers throughout the State need this necessary information in the preparation of addresses.

I, therefore, recommend that the Trustees of our two Homes be instructed to prepare historical sketches of the two Homes and deliver the same to the Grand Master within three months from the adjournment of the Grand Lodge in November, 1911, and that the Grand Master and Grand Secretary be instructed to have said historical sketches published within thirty days from the delivery of the copy of them by said Trustees and insert in such publications such views of the Homes as they may deem necessary at an expense of not to exceed \$200.00 to this Grand Lodge; and that a sufficient number of copies be published to supply each Subordinate Lodge in the State with one copy free of charge, and that a supply be kept on hand in the office of the Grand Secretary and sold to members at the cost of publication.

BOOKS FOR GRAND MASTER AND GRAND SECRETARY.

I recommend that the Grand Lodge purchase special books for the Grand Master and Grand Secretary for the following purposes:

Keep a record of new Subordinate Lodges.

Keep a record of new Rebekah Lodges.

Keep a record of Charters surrendered by both Subordinate and Rebekah Lodges.

Keep a record of losses by fire.

Keep a record of the reinstatement of expelled members.

A special book for the Grand Master for dispensations and decisions.

The Grand Master and Grand Secretary shall turn over all these books to their successors.

FINANCE COMMITTEE.

Perhaps the most important committee in connection with the Grand Lodge is the Finance Committee. This committee exercises general supervision over our finances. During the past year I have had occasion to call upon this committee on many occasions. They have

rendered to me and to our Order splendid service. The Grand Lodge is to be congratulated upon having such an efficient committee. The reports given to me by the committee are set forth in full.

FIRST REPORT, BY BRO. M. P. BERRY, P.G.M., OF NO. 412.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee on Finance would respectfully report as follows:

In obedience to our established custom, we met at the office of the Grand Secretary on Saturday, May 6, 1911, for the purpose of examining his books and accounts and to check up his reports, and the receipts and disbursements of his office for the period of six months ending May 1, 1911, at which time we also made a careful inventory of all the supplies in his office at that time. We found everything in his office, all of his books and records, in their usual good condition, and all very satisfactory to your committee. We also found that all money collected by his office during this period of time had been properly disbursed.

We found the receipts of his office were as follows:

SECOND REPORT, BY BROTHER W. H. PEASE, OF NO. 80.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee on Finance would respectfully report as follows:

Following the custom of former years, we made our annual visit to the Orphans' Home at Lincoln, Ill., on Thursday, October 5, 1911. Brothers J. W. Birney, G. M. Carson, C. W. Keiser, members of the Board of Directors, and Sisters Lina D. Carlin, Kate A. Troxell, Margaret E. Weldon, Rebekah Advisory members; also Dora L. North, President, and Mary P. Miller, Secretary of the Rebekah Assembly, were present. We made a general inspection of the farm and buildings, also the stock, and are pleased to report the thrifty condition of the farm and stock. We desire to call your attention to the condition of the older buildings at the Home, and believe steps should be taken to make some needed improvements at once. Some outside carpenter work and painting should be done before cold weather. We do not believe it good business policy to permit the buildings of our Homes to become dilapidated in appearance and feel confident the Grand Lodge will cheerfully meet all demands for repairs actually needed, and we so informed the Board of Directors. A new silo has been built this year, and, at the time of our visits, had been nearly filled with ensilage. We found 149 children in the Home, 77 girls and 72 boys—ten less than at the time of our visit in 1910. Four applications were accepted while we were there. We found no sickness at this time, and believe much credit is due Dr. and Mrs. Lucas for the able manner in which they are conducting the Home and for the watchful care given the children in their charge. A careful examination of the books shows the following condition:

THIRD REPORT, BY BROTHER GEORGE F. KOESTER. OF NO. 601.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee on Finance would respectfully report as follows:

We made our annual visit to the Old Folks' Home at Mattoon, Ill., on Saturday, October 7th, 1911, for the purpose of auditing the accounts of the Home.

We found Brother Yantis and his good wife in charge of the Home. This was necessitated by the Superintendent, Brother John R. Watson, leaving the Home soon after his sister's death, about September 15th, and before a new superintendent had been selected.

The Order is deeply indebted to Brother Yantis and Sister Yantis for this sacrifice of their personal time and interests for the benefit of the Home.

The new addition to the Home, which is on the right of the old building, is nearing completion and, when completed, will give to the old folks a reading and rest room, which will add much to their comfort and pleasure. The frame cottage has also been remodeled so as to take care of about fifteen of the brothers in addition to furnishing living quarters for the farmer and his family.

The Trustees have also seen fit to build a silo on the premises, which will enable them to take care of their stock in better shape and at less expense than heretofore.

The Trustees, after getting out the plans for an addition to the Home, found that same would cost considerably more money than they had in the Building Fund, but, after consultation with the Grand Master and the Finance Committee, they decided to go ahead with

the improvements as far as they could with finances on hand and then ask the Grand Lodge for an appropriation this year of sufficient amount to complete said building.

There are at present 121 members in the Home—97 brothers and 24 sisters.

We have examined the books and vouchers for the year and find the receipts and disbursements as follows:

GRAND MASTER'S ADDRESS.

It has frequently happened during the past year that Lodges right here in Chicago, my home city, wrote letters to me addressing them to Springfield, and Lodges throughout the State would send letters to me addressed to Springfield. I think that it is very essential that all the Lodges should know the exact location of the Grand Master and the Representatives can convey this information to their Lodges.

I recommend that the incoming Grand Master-elect have cards printed as soon as he is elected and that two of these cards be given to each Representative in attendance at the Grand Lodge, in order that they can deliver these cards to their Lodges and to their Secretaries, so that the Lodges have this information at their command at all times.

CONFIDENCE.

During the year, a brother, without my knowledge, wrote to some parties in Denmark and suggested that they might remit to me some funds for his benefit, stating that I was the Grand Master of the Odd Fellows. They immediately sent me a draft for \$1,000. This shows the high esteem in which our Order is held and the confidence reposed in our Executive Officers.

VIOLATIONS OF LAW.

In my opinion, there are not many willful violations of the law. Wherever an infraction of the law has been called to the Lodges' attention they have obeyed the mandate of the Grand Master.

RESPECT.

I appreciate the great respect which has been shown to the Grand Master in every section of the State. This is to the office and not to the man.

OTHER JURISDICTIONS.

The relations between this and other jurisdictions have been most harmonious. During the past year the Grand Master of Iowa and the Grand Master of Missouri have requested that permission be given to their jurisdictions to initiate candidates who were residents of the State of Illinois. It appeared that these gentlemen desired to unite with these Lodges—had no Odd Fellows' Lodge in this State that was convenient. Believing that it would be for the best interest of the Order, I granted these requests.

APOLOGY.

In my official letters to the Lodges I stated that I would publish the gains of our Order in their respective counties. I regret that I am unable to do this as I have published the county list of official visitations and have also published the Lodges of the State by counties, and I deem that it will be too much of expense to include another county list. I trust that the brothers will coincide with my views in this matter. A brother, from the county list, can easily determine the total membership of his respective county.

OTHER DEPARTMENTS.

The relations between the officers of the Grand Encampment and the Patriarchs Militant branch of our Order have been most courteous and cordial. We have worked in perfect harmony and the executive heads of these departments have been of great assistance to me. Every department is of value to our Order, and we should do all in our power to promote the general welfare of each branch. I am under very great obligations to Grand Patriarch J. B. Brown and General James Henry Harris, Department Commander. I also wish to thank Grand Scribe Sam Baker for the many courtesies which he has extended to me.

MY ASSOCIATE GRAND OFFICERS.

In the discharge of my official duties I have had the earnest co-operation and support of all my associate Grand Officers. I have assigned to them much work and they have all cheerfully responded. The reports which they have submitted are published in connection with this report. The Grand Secretary, John H. Sikes, has been of great assistance to me, and we are to be congratulated upon having such an efficient Grand Secretary. I gratefully acknowledge the splendid work of W. A. Hubbard, Deputy Grand Master; John E. Jennings, Grand Warden; H. M. Blood, Grand Marshal; Harry G. Cormick,

Grand Conductor; Thomas B. Needles, Grand Treasurer; E. R. Sayler, Grand Representative; W. M. Groves, Grand Representative; Dr. J. A. Lucas, Past Grand Representative; Fred B. Merrills, Past Grand Representative; W. R. Humphrey, Past Grand Representative; E. S. Conway, Past Grand Sire; Chester M. Turner, Past Grand Representative; H. E. MaKutchan, Grand Representative, and Owen Scott, Past Grand Representative.

THE FUTURE.

I anticipate that next year will be the greatest year that Odd Fellowship has ever witnessed in Illinois.

MY SUCCESSOR.

Brother W. A. Hubbard, Deputy Grand Master, is especially well fitted for the work and he will fill this position with great credit to the fraternity. I bespeak for him the same courteous treatment and sincere friendship which you have accorded to me.

MY STENOGRAPHER.

Miss Winifred Findley has devoted her entire time to the work of the Order. She has been faithful, prompt, courteous and efficient in the discharge of her duties. She has worked diligently and her duties have been arduous. I wish to thank her personally and in the name of the Order for her splendid services.

MY HOME.

My official duties have taken me away from home many days and more than 100 nights from my family. On the 13th of February James Irwin Davis came to our home. Two months later my dear wife was taken with diabetes. My dear little girls, Ruth and Eloise, have earnestly pleaded with me on many occasions to remain home with them.

In fulfilling my obligations, there has ever been present with me the anxiety of the loved ones at home. They have missed me and I can assure you that it will be a real, genuine pleasure to return to my own fireside free from care and official responsibility.

CONCLUSION.

Before undertaking this great work I asked the Divine Guidance of the Supreme Ruler of the Universe, and at the close of this service we thank Him for the blessings which our membership have enjoyed. May He bless you one and all, and may our lives be spared for greater work in behalf of humanity.

Fraternally submitted,

James Ewing Davis.

To the Grand Master of the Grand Lodge of Illinois:

We take great pleasure as the Board of Directors of the Odd Fellows' Orphans' Home in making this our annual report to you, and the Grand Lodge of the State of Illinois.

We are forced by real facts to say that the home at Lincoln, Illinois, is one of the best fraternal homes in the United States. It maintains its high standard in that element which makes Odd Fellowship so prominent in this country, because love in this Home prevails, and the Odd Fellows and Rebekahs of the Jurisdiction of Illinois know that their reward comes from the growth and development of our children into useful citizens of the State. Judgment has been so well exercised by you in the building of substantial structures for your children that each year with the improvements that you make for the benefit of them you love makes the tie stronger between the members of the Subordinate Lodges and the Rebekahs of the State of Illinois, that it has been very noticeable that both bodies work in harmony for the general good of this Home.

The instruction in Domestic Science has been very profitable to our children. The work done in the manual training school has been very commendable, and each Odd Fellow and Rebekah who has visited the Home has gone away feeling that their money expended in these two directions has been very profitable.

The Board of Directors and the Advisory Board feel very grateful to the Grand Master and to the Officers of the Grand Lodge for the great interest which they have manifested during the entire year for this Home. There never has been a time when the Grand Master, with his great influence and power, has not exerted all of it for the benefit of the children, and every officer of the Grand Lodge has upon all occasions and at all times given his assistance to the two boards to advance its interest in every direction.

We are not forgetful of the Grand Encampment which has already shown its love for the children, and every member of that blessed department of the Order has shown his willingness to do anything that would add to the comfort and the pleasure of the children of the Home.

We may add at this time that the Advisory Board have aided the Board of Directors at all times with their sympathy and love and have never failed to assist in the work which is so necessary at times for the loving hands and hearts of women to do. We look upon them as most valuable because as nearly half of the children in the Home are girls, they can, by their advice and counsel as well as by their money, do more in reference to them than can be done by any department of Odd Fellowship. They have always been ready and willing to do anything within their power to advance the interests of the children.

The Grand Lodge has done much, but they should do more for this Institution. With nearly one hundred thousand Odd Fellows and fifty thousand Rebekahs, every want of the Home should be supplied. The buildings should be kept in constant repair; there should never be a time with this grand body of loving men and women when the board should feel itself cramped for the want of funds to renovate, repair, and beautify the buildings which you have so lovingly given for the children of Odd Fellowship. The members of the board believe that there should be a more liberal view taken upon the question of repairing and beautifying the grounds and buildings of the Home. The Administration building, as an illustration, should have at least six thousand dollars expended upon it in the way of repair, renovating, and remodeling many of the rooms. The Grand Lodge, if courageous enough to call upon the Subordinate Lodge to supply these necessary wants and repairs, will do it gladly, and this board recommends most earnestly that sufficient appropriation should be made at the next session of the Grand Lodge to repair, renovate, remodel, and beautify the buildings which are your property.

The board in caring for the various departments of this Home have used all the economy necessary to provide for the wants of your children, and we have expended every dollar in a judicious, economic way. We desire to restate the fact that an institution which creates good citizenship, saves the children of the State, relieves the wants of the distressed, takes fatherly and motherly care of the children of the deceased, and gives to them health, strength and a character fitting them for the duties of this life ought not to be cramped in the expenditure of money to prepare a habitable place for them and to give them all the advantages which are given to children under the care of one of the greatest fraternities in the world.

While attending the Grand Lodge every Representative to the Grand Lodge and every Rebekah of the Assembly of the State of Illinois should visit the Home and make a close inspection of it so that they personally could state to the Grand bodies their opinion of the Home, and could vote intelligently on every appropriation made. The Superintendent, Matron and the members of both Boards have invited close scrutiny into every department of your Home.

The following is a list of all the children in our Home October 1, 1911, together with the age, date of admission, name and number of the Lodge certifying to them:

How to Gain Admittance.

Lodges or guardians, wishing to place in the Home children who are eligible to its benefits, should apply to the Superintendent, Dr. J. A. Lucas, Lincoln, Illinois, for a blank form of application, this to be filled and signed by the guardian and the Lodge (under seal) of which the father was a member at the time of his death. The application should be returned to the Superintendent, who will present it to the Board of Directors for consideration at their first meeting thereafter.

All applications coming before the board are carefully considered as eligibility and individual merits demand.

Lodges or guardians are expected to provide children with at least one change of clothing before sending them to the Home.

Domestic Science Building.

This splendid building has attracted the wide attention of our Order, and hundreds of others besides, all of whom speak in words of praise.

The chandeliers for the addition have not yet been placed. When they are the building will be one of the greatest monuments of Rebekah Odd Fellowship in the world.

Assembly.

A collection of \$49.60 was taken and placed in bank for the children. Every child in the Home will have an interest in the bank.

Christmas and Holidays.

It is with profound thanksgiving that we acknowledge the generous gifts of money and presents as your labor of love. As all the donations were acknowledged through the Herald, we shall save space and expense by not repeating here.

Schools.

Literary, Music, Domestic Science and Manual Training.

Three graduated this year in the 8th grade and one in High School. Each teacher is doing excellent work and as each has but two grades we report better things than ever.

The same careful attention is given to both instrumental and vocal music as has heretofore been done.

After four years of experience we are more than ever convinced that domestic science is one of the great acquisitions to the Home.

Manual training has proved a success. We shall be able to convince the good Brothers of its meritorious worth in the near future. Even now, the work speaks for itself. There is no department where greater enthusiasm prevails than here. When the much needed equipment is completed our boys will be able to make greater progress.

Grand Master James Ewing Davis delivered the address to the graduating class. It was brief but large in its scope. Miss Daisy Cooper, now Mrs. J. W. Birney, furnished special music.

The teachers for this year are:

Miss Nina Petrie, principal, seventh and eighth grades.

Miss Flora Sheets, fifth and sixth grades.

Miss Carrie Jones, third and fourth grades.

Miss Mary Evans, first and second grades.

Miss Huldah Peters, music.

Miss Annette Klienau, domestic science.

Mr. Norman Rosenbarger, manual training.

Prof. H. O. Merry, band music.

The Band.

Prof. Merry has brought our band to a very desirable place in the standard of juvenile bands. Sigurd Carlstrom is leader. Through the generosity of our good brothers the band was sent to the Sovereign Grand Lodge. The Grand Master makes a full report of expenditures and receipts.

FINANCIAL STATEMENT.**Cash Donations, Etc.**

The following, given in detail, are the cash receipts by donations and otherwise during the year. Useful and valuable articles have been given as in former years, for which we are very grateful, but as they have been duly acknowledged by letter and in the Odd Fellows' Herald, from time to time, it seems unnecessary to again enumerate them, as they would require much space and expense.

CONCLUSION.

Under the conscientious guidance of Dr. and Mrs. J. A. Lucas as Superintendant and Matron, the Board itself and each member thereof know of the loving and careful work done by these two people. The reason why we invite criticism and the careful scrutiny of all the members of the Order is that we have become so attached to them that it may be, in our great respect for them, we might overlook some matter on account of what seems to us the wonderful care and love shown towards our children. It has been well said that there are thousands of children who do not receive the love and care that our children do in our Home. We firmly believe that this is true. As a Board we have endeavored to watch the expenditures of the Institution, we have looked after the sanitary condition of the buildings, we have endeavored to learn whether our children were treated with love and affection, we have looked into the school department as the educational force of the Home, we have watched with great care the moral and

religious instruction given, we have gone personally as members of the Board over the farm, we have examined carefully all of the buildings, we have talked to the teachers, the farmer, the governess and all their assistants, we have watched the boys and girls in their work, as far as we could we have endeavored to do our duty to the Order of Odd Fellowship. Brother and Sister Lucas have never failed to comply with every direction and order of the Board. The health, the love, the good will, the manifest interest in every department of this Home has been marvelous to the Directors thereof.

We sincerely hope and trust that if this Board, together with the Advisory Board, are mistaken in any of these statements made, that you will openly show these mistakes to the officers and members of the Grand Lodge and the Rebekah Assembly.

The greatest work in this world is to redeem, save and make a splendid citizen of the child. If this work has been done in this Home, every member of every Subordinate Lodge, and every member of every Rebekah Lodge in the State of Illinois can cheerfully share in this great work.

We trust we have done our work well, and that it will meet the approval of all the members of our blessed Fraternity in the State of Illinois.

INTRODUCTORY.

To the Grand Master, James Ewing Davis, and the Members of the Grand Lodge I. O. O. F. of Illinois:

We take pleasure in submitting to you our report of the affairs of the Old Folks' Home for the year ending September 30th, 1911, and cordially invite your careful consideration to this branch of the benevolent work of our Order. We feel honored in the expression of confidence that assigned to us a part in the management of this Home.

It has been our pleasure to note the interest throughout the jurisdiction in the welfare and betterment of this branch of our work, and also an apparent growing appreciation on the part of our brothers and sisters who are members of the Home Family; general contentment seems to prevail; the members are cheerful and a spirit of helpfulness is being cultivated. There are at present one hundred and twenty-one members, ninety-seven brothers and twenty-four sisters. Of these, fifty-eight are over 75 years of age, nineteen over 80, and nine over 85. There are eleven under 60 years. Brother and Sister Foss are still with us and enjoy remarkably good health, considering that Brother Foss is 95 and his good wife 94 years old. Both are sweet-tempered and the entire household enjoy them very much. The health of the Home has been exceptionally good, there having been but seven deaths during the year among the members. The Grim Reaper, however, did not confine himself to the aged, for our worthy Matron, Sister Watson, was removed by the hand of death. She had endeared herself to many of the members of the Home, and they did her many acts of kindness during the several months of her illness. The death of Sister Watson brought about changed conditions in the management of the Home, and the Superintendent, Brother John R. Watson, deemed it best to tender his resignation. This was accepted by the Board, as they desired to have a man and his wife for Superintendent and Matron, and after a careful investigation they engaged Brother and Sister W. W. Clark, of Harvey, Ill., for these positions, and we believe the interests of the Home will be well cared for under their supervision. Six more applicants have been accepted and several more applications are now pending.

PERMANENT IMPROVEMENTS.

During the year we have remodelled and enlarged the cottage in a substantial way that adds much to its appearance and also provides room for fourteen brothers. It also gives better and more ample quarters for the farmer and farm help. The new addition to the main building, the need of which was mentioned in our last report and for which so many voluntary contributions were sent in through the Grand Lodge and State Assembly, is nearing completion and will add much to the comfort and convenience of the members, and also provide additional room for about twenty more applicants—and from present indications these accommodations will soon be needed. Besides providing room for the twenty new members, this addition contains a library and reading room and also a visitation room for brothers and a visitation room for sisters. It is splendidly built and all who have visited the Home have expressed pleasure in the arrangement and construction of this addition. The cost exceeded the amount of money in our hands for building purposes by about \$5,000.00; but, after conferring with several Grand Lodge officers, the Finance Committee and members of the Order, we deemed it wise to proceed with the work and believe that it will meet with your hearty approval.

FARM AND GARDEN.

Our farm and garden have again given us good yields. This is especially true when the unusual drouth is considered. The dry weather, however, was most noticeable in our potato crop, but we raised about 500 bushels, which will run us well up into winter. Our berries and tomatoes kept the table well supplied while in season, and furnished a large quantity for canning purposes.

STOCK.

Our increased membership has necessitated a larger herd of cows, which we have supplied from our own raising, and we are now able to supply to the old people an abundance of rich milk and cream. A silo has been constructed and filled, and we anticipate good results to our dairy herd.

CONCLUSION.

In closing our report we desire to acknowledge our appreciation to Grand Master Davis, Grand Secretary Sikes, and the other Grand Lodge officers, also to the President of the Assembly, Sister North, and Secretary, Mrs. Miller, and officers of the Assembly, for the many kind words and acts toward the Home. The Finance Committee have been courteous and thorough in their examination into the financial

affairs, and the many visiting brothers and sisters have given us much encouragement by the good reports that they have carried to their respective lodges.

The Advisory Board met with us twice during the year and our joint meetings have been pleasant and harmonious. On each occasion of our joint meetings the Advisory Board has arranged special entertainment for the old people, which was greatly enjoyed by all. We wish to thank the Fraternal Press, and each brother and sister, for every kind word, thought and deed for this Benevolent Home.

REPORT OF GRAND SECRETARY.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Dear Brothers—The year 1911 will be known as one of the most prosperous in the history of Illinois Odd Fellowship.

Following a year of unusual activity, it was scarcely to be expected that the enthusiasm of the Order would continue, but reports and general condition of our Subordinate Lodges seem to indicate that there has been no abatement in work and no cessation of interest.

The county meetings which have been held under the direction of Grand Master Davis have accomplished much and the visitations made by Grand Officers have been greatly appreciated.

The outlook for the coming year is most encouraging and we are anticipating a continuance of the marked interest and growth which Illinois Odd Fellowship has enjoyed for a number of years. The statistics presented in this report cover the year beginning April 1st, 1910, and ending March 31st, 1911, but the financial statements as to receipts and disbursements by the Grand Lodge run from Nov. 1st, 1910, to Oct. 31st, 1911.

My report to the Sovereign Grand Lodge is compiled from annual reports received for the term ending March 31, 1911, which figures show a gain in Subordinate membership of 4,786.

The net gain in Rebekah membership for the year ending Dec. 31, 1910, was 3,533. This branch of Odd Fellowship is in a most flourishing condition.

Grand Lodge Journal of 1910.

The Grand Lodge Journal for the session of 1910 consisted of 672 pages.

To arrange copy, read proof, and index the Grand Lodge Journal, requires the entire time of a thoroughly competent person, whom we have for several years secured in the person of Bro. Past Grand Secretary N. C. Nason.

Honorable Veteran Jewels.

Under instructions from the Grand Lodge of Illinois (See Journal 1907, page 430; Journal 1908, page 383) I have presented during the year, without expense, Honorable Veteran Jewels to the following

brothers, who have held continuous membership in the Order for fifty years or more. I also extended to each the congratulations of the Grand Lodge and best wishes for the future.

GRAND SECRETARY ATTENDS SOVEREIGN GRAND LODGE.

Your Secretary attended the eighty-seventh annual session of the Sovereign Grand Lodge of the I. O. O. F., held at Indianapolis, Ind., September 18th to 23d, 1911. There was a very large attendance of Grand Secretaries and Grand Scribes from the various jurisdictions and several interesting and profitable sessions were held, at which live topics were discussed and papers read. Your Secretary read a paper on "The Value of Special Sessions of the Grand Lodge." It was the consensus of opinion that the last session was the most valuable one which has ever been held by Grand Secretaries and Grand Scribes.

Odd Fellows' League and Relief Board.

Pursuant to action had by the Grand Lodge of Illinois, the Odd Fellows' League and Relief Board of Chicago has made two reports to my office since the last Session of the Grand Lodge. These reports give in detail the business done by the Relief Board, including receipts, disbursements, relief rendered, etc. These reports are on file in the Grand Secretary's office and can be seen by any one interested.

Trustees of the Orphans' and Old Folks' Homes.

All bills allowed by the two Boards of Trustees are forwarded to me with an attached certificate signed by the President and Secretary of the Board and countersigned by the Grand Master. These bills and vouchers are kept on file in my office for future reference, and orders on the Grand Treasurer are drawn for the several amounts. Upon

these vouchers the Grand Master and myself have drawn orders on the Grand Treasurer for the sum of \$32,709.50, to pay bills contracted by the Trustees of the Old Folks' Home, and the sum of \$31,915.97, to pay bills contracted by the Directors of the Orphans' Home, making a total disbursement for these two charities of the sum of \$64,625.47.

Grand Secretary's Office Quarters.

On December 1, 1907, a five-year lease was made with the Odd Fellows' Building Company, of Springfield, Ill., party of the first part, and the Grand Lodge of Illinois, of the Independent Order of Odd Fellows, party of the second part, for the use of Rooms Nos. 405-410, inclusive, and 413-414, and a large brick vault, being on the fourth floor of said building.

The rental to be paid was \$840.00 per year, for the term of five years, ending November 30, 1912.

This lease will expire before another session of the Grand Lodge and I would suggest that the matter of making another lease or securing other quarters for the Grand Secretary be left in the hands of the incoming Grand Master, Grand Secretary and Grand Treasurer.

Judiciary and Appeals Committee.

As Secretary of the Judiciary and Appeals Committee, I report that four sessions of this committee were held, as provided by law, on the third Tuesdays of November, 1910, February, May and August of the present year. At the November session four opinions were rendered and the By-Laws from thirty-four Subordinate and thirteen Rebekah Lodges were acted upon. At the February session six opinions were rendered and the By-Laws from forty-two Subordinate and thirteen Rebekah Lodges were acted upon. At the May session five opinions were rendered and the By-Laws from seventy-two Subordinate and eighteen Rebekah Lodges were acted upon. At the August session three opinions were rendered and the By-Laws from thirty-eight Subordinate and ten Rebekah Lodges were acted upon.

State Armory.

For the first time in almost a quarter of a century the Grand Lodge of the Independent Order of Odd Fellows of the State of Illinois convenes in annual session in a building other than the State House. Our sessions will be held in the State Armory, for the reason that the last session of the legislature installed an individual roll top desk and swivel chair for each member of the House, making a large amount of furniture, and passed a resolution instructing the Secretary of State not to have this furniture removed. Under these conditions it became impossible to accommodate the members of the Grand Lodge in the House of Representatives.

I trust that the Grand Lodge will be comfortable in its new quarters, which I believe will prove satisfactory to the Grand Officers and Representatives.

JUDICIARY AND APPEALS COMMITTEE

I. O. O. F.

PROCEEDINGS OF THE FIRST SESSION

February 14, 1911

CASE NO. 405.

J. W. Hercules,	{	Before Committee on Judiciary and Appeals, February Session, 1911.
vs.		
Pontiac Lodge, No. 262, I. O. O. F.		

Opinion by Brother Henry Phillips, of No. 16.

The record in this case is not in as satisfactory a condition as could be wished, being very voluminous, and lacking in some particulars, but as the case is before us we will try to get at the merits of the controversy as best we can.

Bro. J. W. Hercules, an architect by profession, and a member of Pontiac Lodge, in November, 1909, became afflicted with a peculiar disease of a nervous character, which affected his eyes and head, so that he could not conduct his work as an architect; a disease rarely met with, and known to but few outside the medical specialist; the Lodge paid him benefits up to March 3, 1910, without question, and afterward paid him benefits up to March 31, 1910, and at the meeting of his Lodge April 7, 1910, his Lodge refused further benefits, and declared him off the sick list, and now he claims benefits from March 31, 1910 at the rate of \$5.00 per week as we gather from the record before us.

On April 14, 1910, Bro. Hercules notified his Lodge that he claimed sick benefits from March 31, 1910, to the date of such notice, April 14, 1910, amounting to \$10.00, and a commissioner was appointed to investigate the claim, and take evidence thereon. A large amount of evidence was taken. On the 26th of May, 1910, the evidence being reported to the Lodge, was read, and upon a hearing of same and arguments of counsel for the Lodge and Bro. Hercules, a ballot was taken and the claim was rejected by the Lodge, and appeal taken to this Committee.

From the nature of the disease afflicting Bro. Hercules, it would seem unreasonable that one not a physician would be able to determine the condition of Bro. Hercules as to his ability to work. The testimony seems to establish the fact that from March 31, 1910, to April 14, 1910, Bro. Hercules was not able to follow his profession or work as an architect, or to engage in other employment, and we hold that he is

entitled to receive from his Lodge ten dollars, as and for his benefits, from March 31, 1910, to April 14, 1910.

This disposes of the contention in the record before us. An outside matter appears in the argument of Bro. Hercules filed with us as to a stenographer's expense, but we have no record of such matter and decline to say anything about it.

The appeal in this case is sustained, and Pontiac Lodge, No. 262, is directed to pay Bro. Hercules ten dollars in satisfaction of benefits due him from March 31, 1910, to April 14, 1910. Appeal sustained.

CASE NO. 406.

Mt. Pleasant Lodge, No. 126, I.O.O.F.	} Before Committee on Judiciary
vs.	
Joseph Maxwell,	
	and Appeals, February Session,
	1911.

Opinion by Bro. Henry Phillips, of No. 16.

Bro. Maxwell was charged by his Lodge with conduct unbecoming an Odd Fellow, the specific charge being:

First. We charge Brother Maxwell with abusive and slanderous language against Bro. J. T. North, a member of his Lodge.

Specification first. That in James Jackrous' store, since January 1, 1910, said Joseph Maxwell called Bro. J. T. North a son of a ——— in presence of Brothers Sam. Hancock, Grant Kendall, and Curtis Swigert, in abusive and improper language.

Charge Second. That Bro. Maxwell again called Bro. North a son of a ———, and if he would say anything out of the hall, he would like a chance to whip that son of a ———.

Specification Second. All this happened on April 6, 1910, in presence of Brother J. T. Meridith, Bro. James Beckwith, G. B. Shorer, and T. W. Curry, on the streets of Farmer City, Ill.

Charge Third. Calling Brother North a yellow dog.

Specification Third. While Lodge was in session on the 15th day of April, 1910, Bro. North being Chaplain, and in the chair, Bro. Maxwell turned to Brother Grant Kendall and said: "Don't the Chaplain's chair look well with that yellow dog in it?"

Copy of charges and specifications were duly served on Bro. Maxwell. Evidence was taken, and a change of venue was duly ordered

to Gibson Lodge, No. 542. Plea of "not guilty" was entered by Bro. Maxwell and case heard by Gibson Lodge. As a result of the trial, the specification under charge first was sustained and charge first was not sustained as to the remaining charges and specifications. The vote was in favor of the defendant and Bro. Maxwell was found not guilty. An appeal was prayed and taken in Mt. Pleasant Lodge, No. 126, from the action and judgment of Gibson Lodge, No. 542. Previous to the entering of a plea of not guilty, and the change of venue being taken in Mt. Pleasant Lodge, defendant filed or presented various objections to the proceedings; among others, that the form of the charges are informal, vague and indefinite. That the first charge does not state any offense within the law. It seems to us that any person reading the charges and specifications in this record cannot mistake their meaning, and are sufficiently definite to put any one upon notice as to what he is to answer, and it is very evident that defendant could not make any mistake in determining what he is called to answer. To say that the use of the language used by defendant is no violation of the principles and law of Odd Fellowship challenges our judgment and knowledge of what Odd Fellowship stands for, and teaches, more especially when such language is used concerning an officer of the Lodge occupying his chair of office in open Lodge. We must hold that such language concerning Brothers of our Order is an offense of which the Lodge should take notice and punish.

Objection is made also that the record does not contain the written appointment of the prosecuting committee, also several other technical statements. The most serious of these objections is that there is no statement in the record of the filing in Mt. Pleasant Lodge of the record of Gibson Lodge as to the trial. The record of the trial in Gibson Lodge under its official seal is here, with the other papers in the case, and we conclude it is here properly.

Upon the trial of the case defendant objected to the reading of the testimony taken by the Commissioner, because the Lodge had no right to hire a stenographer outside of the Lodge.

The certificate of the Commissioner who reported the testimony states that the foregoing evidence was taken before me in shorthand and transcribed by Ruth E. Parlier, and that the same is correct and contains all the evidence taken. Signed, "A. A. DeLong."

This certificate clearly states that the evidence was taken before the Commissioner and that the same is correct and contains all the evidence taken. That is sufficient. If it were vital that the stenographer must be a member of the Order, we take it for granted that whoever makes the assertion that the stenographer is not a member of the Order, must show that fact, and there is no evidence that this stenographer was not a member of the Order.

In the course of this trial, defendant offered to prove provocation or justification for the use of the language he is charged with using and he was denied that privilege.

If there be any justification or provocation for the use of the language charged to be used by defendant under the circumstances, which will, or could appeal to the mind of any reasonable man, the defendant should have the right to introduce such facts and circumstances under the same rules and principles which would govern the introduction of any other evidence in this case.

Upon a careful reading of the testimony in the case we are forced to the conclusion from undisputed statements of witnesses that Bro. Maxwell did use the language concerning Bro. North, at and about the several times stated in the charges and specifications, that such language so used, under the surrounding and attendant circumstances is conduct unbecoming an Odd Fellow, and that he should be found guilty of same and punished. We find the verdict to be against the evidence and direct the same to be set aside. We sustain the appeal and remand the case.

CASE NO. 409.

T. R. Crawford, et al,	}	Before Committee on Judiciary and Appeals, February Session, 1911.
vs.		
Lecture Lodge, No. 563, I. O. O. F.		

Opinion by Bro. Henry Phillips, of No. 16.

This case appears to be an appeal on the part of Bro. G. W. Rhoads and T. R. Crawford from the action of the Lodge in ordering a fine of \$1.00 each against them for failure to attend as watchers, during the sickness of Bro. S. Mullins. From the papers before us, it is impossible to determine what is right in the case; no copy of any By Law concerning the matter of watchers is given. No record of notice to the Brothers to perform duty as watchers is found. All that appears is a notice to the Brothers to appear at a certain time at Lodge and give reasons why a fine should not be imposed upon them for failure to watch with a sick Brother. Nothing is given as to what excuses were offered by the Brothers; such excuses may have been of such a character that no reasonable person would say that they should

not be received, or so frivolous as to be of no value. The character of the duty demanded to be done is of such a high nature, in fact, being one of the principal duties and obligations of our Order, that we do not think it wise to permit this case to be disposed of upon any technical point and are unwilling to do so. We therefore return the case to the Lodge to make and transmit to this Committee a complete record and hereby continue this hearing until the next session of the Committee.

CASE NO. 414.

New Home Lodge, No. 185, I. O. O. F.	}	Before Committee on Judiciary and Appeals, February Session, 1911.
vs.		
P. J. Engles.		

Opinion by Brother Henry A. Stone, of No. 122.

This is an appeal from the action and judgment of the Lodge in expelling Bro. P. J. Engles for conduct unbecoming an Odd Fellow in the use of slanderous and abusive language and defaming the names of Brothers J. W. and Will Patterson of said Lodge.

The evidence in this case shows clearly that the charges were fully substantiated by several members of the Lodge, both in public and in open Lodge. We are of the opinion that the Lodge was justified in its action and penalty.

Appeal dismissed and action of Lodge sustained.

CASE NO. 415.

William Conner, et al,	}	Before Committee on Judiciary and Appeals, February Session, 1911.
vs.		
Justus Lodge, No. 490, I. O. O. F.		

Opinion by Bro. Oscar D. Olson, of No. 361.

This is an appeal by three members of Justus Lodge awarding sick benefits to Bro. I. Hirsh, a member of said Lodge.

It appears from the record that the Brother reported himself sick on Oct. 5, 1910, and the Visiting Committee rendered its report on Oct. 12th, recommending that no benefits be paid. On said date a special committee was appointed to further investigate the claim of Bro. Hirsh. The special committee reported on Oct. 19th that Bro. Hirsh was attending to his business and said report was approved by the Lodge and special committee discharged.

On Oct. 26th Justus Lodge, No. 490 paid one week's benefit to Bro. Hirsh and from this action an appeal is taken.

We are of the opinion that the Lodge was in no way warranted in paying the benefits to Bro. Hirsh, and the appeal is sustained.

Vevay Park Lodge, No. 754, I. O. O. F.	} Before Committee on Judiciary
vs.	
W. D. Seymour.	
	and Appeals, February Session,
	1911.

Opinion by Brother Oscar D. Olson, No. 361.

This was an appeal from the decision of Vevay Park Lodge, No. 654, brought before this Committee by seven brothers of said Lodge. The Lodge in considering this case dismissed same, after a great deal of testimony had been taken.

The specifications seem ample to sustain the charge and the testimony in support thereof is of such nature that a complete hearing should be had upon the merits and the matter disposed of in regular form.

It is therefore ordered that the appeal be sustained, that the action of said Lodge dismissing said cause be set aside and Vevay Park Lodge, No. 754, proceed to the trial of said matter.

PROCEEDINGS OF THE SECOND SESSION

May, 1911

CASE NO. 409.

Geo. W. Rhoads, et al.,	} Before Committee on Judiciary and Appeals, May Session,
vs.	
Lecture Lodge, No. 563, I. O. O. F.	
	1911.

Opinion by Bro. Henry Phillips, of No. 16.

This case was before this Committee at the February term as Case No. 409, and was given consideration to some extent, but no opinion was rendered, for lack of a complete record, and the case was returned to the Lodge to make and transmit a complete record.

As stated at the February Session, the case comes up on the question whether a fine was rightfully imposed on the Brothers for failure to attend the sick Brother as watcher. The Committee refer to Case No. 409 above, and further say that from the statements and evidence given, it appears that the By-Laws of the Lodge provide that Brothers should give the sick Brothers personal attention, as the By-Laws provide for no nurse or nurse hire, except in cases of contagious diseases. Nothing before us shows that the sick Brother in this instance was suffering from a contagious disease, or that the sickness was an extreme or contagious one, requiring the services of a skilled or professional nurse. Members of the Lodge were therefore entitled to respond to the requirements of the Lodge in giving their personal attention as watchers.

It seems that Brothers Rhoads and Crawford were each personally notified to attend as watchers at the bedside of Brother Stephen Mullins, and refused to comply with such request and notice.

No reasonable excuse seems to have been offered why either of said Brothers failed to attend as such watchers, and we are of the opinion that under the By-Laws of the Lodge, the fine of \$1.00 each, was properly assessed or imposed.

We therefore approve the action of the Noble Grand and the Lodge and order the appeal dismissed. Appeal dismissed and action of Grand Master and Lodge sustained.

CASE NO. 418.

Rose Cohn, Fannie Zar,	} Before Committee on Judiciary	
vs.		and Appeals, May Session,
South Park Lodge, No. 488, I.O.O.F.		1911.

Opinion by Brother W. E. P. Anderson, of No. 107.

This case comes to us on an appeal and also on an agreed statement of the facts for our determination as to which one of the plaintiffs, namely, Rose Cohn or Fannie Zar, is entitled to the funeral benefit and expenses. The facts agreed to are as follows:

First. That Chas. Cohn was a member in good standing of said Lodge and on December 29, 1910, he departed this life, leaving surviving him Rose Cohn, his wife, and his married daughter, Fannie Zar.

Second. That on or about the 24th of October, 1910, Chas. Cohn made a written request of said Lodge that all funeral benefits due him at the time of his death be paid to his said daughter, Fannie Zar.

Third. That on or about April 8, 1909, the said Rose Cohn filed in the Circuit Court of Cook County her bill for divorce; that said Chas. Cohn filed an answer thereto, and that said action was still pending and undetermined at the time of his death; also that in relation thereto an affidavit was filed with said Lodge by the said Fannie Zar and made a part hereof.

Fourth. That said Rose Cohn made a written claim against said Lodge for the funeral benefit and expenses.

Fifth. That said Fannie Zar also made claim against said Lodge for funeral benefits and expenses.

Sixth. That the By-Laws of said Lodge provide that upon the death of a Brother there shall be paid as funeral benefit \$140.00 and funeral expenses, \$60.00.

Seventh. That the funeral expenses were paid by the daughter, to-wit: Fannie Zar.

The transcript of the records is in substance as follows: October 27, 1910; letter received from Brother Chas. Cohn relative to the disposition of death benefit, referred to the Noble Grand.

December 29th, Brother Chas. Cohn was reported as having died this 7:00 p. m.

Jan. 5, 1911; it was reported that Brother Chas. Cohn was buried according to the rites of the Order on January 1, 1911.

Jan. 19th; letter received from Fannie Zar thanking Lodge for attention received at funeral of her father, late Brother Cohn. Laid on table.

Same date; letter from Fannie Zar, making application for funeral expenses and benefits, as the orphan of Brother Chas. Cohn. Laid on the table for one week.

February 2; letter from Mrs. Rose Cohn, who stated that she was the widow of Chas. Cohn, deceased, asking for funeral benefits and expenses. Laid over for one week.

February 9th; letter received from Fannie Zar demanding the sum of two hundred dollars, funeral benefits and expenses, in the matter of the death of Brother Chas. Cohn, deceased. Also affidavit from Fannie Zar, which is made a part of the record and marked Exhibit "B" and states in substance as follows: That she is the daughter of Chas. Cohn; that the said Chas. Cohn had no other children than affiant; that on or about the 5th day of September, 1907, he was married to one Rose Cohn; that they lived together as husband and wife until sometime in the early part of 1908, when the said Rose Cohn refused to live with the said Chas. Cohn any longer and left him; that from and after said time, the said Chas. Cohn and Rose Cohn never lived together as husband and wife; that he never contributed to her support; that barring one occasion when she caused his arrest on a charge of abandonment, which proceedings were afterwards withdrawn by said Rose Cohn, she never made any demand on him for support or maintenance; that during all the time of his illness she never came to see him or inquired of his welfare, although she knew where he was living; that on or about the 8th day of April, 1909, the said Rose Cohn caused a bill for divorce to be filed in the Circuit Court of Cook County, Illinois; that the said Chas. Cohn filed an answer to said bill; that the said Rose Cohn never requested any order to be entered for the payment of alimony, solicitor's fees, etc.; that said suit is still pending in the Circuit Court; that said Chas. Cohn became unable to work and care for himself and that affiant took him into her house, took care of him, furnished to him all his needs and requirements, supported him from said time until the day of his death; that during all the time that said Chas. Cohn lived at her house, the said Rose Cohn never called to see him, nor made any inquiry in regard to his welfare; that up to the time of the death of the said Chas. Cohn, he was dependent upon affiant and her husband for support and maintenance, with the exception of such moneys as may have been received by him from certain fraternal societies of which he was a member, the amount of which was very limited; that affiant caused to be paid all doctor's bills and hospital bills for the said Chas. Cohn; that she is now legally liable for all of his funeral expenses, amounting approximately to \$400.00, etc., and affiant respectfully requests the payment to her of all sums due by reason or on account of the debts of the said Chas. Cohn.

February 9th; letter received from Grand Master James Ewing Davis.

February 9th; on motion, the matter of the claims of the widow and daughter of Chas. Cohn, deceased, was made a special order for Thursday, February 23.

February 23d; the claims of Fannie Zar and Rose Cohn were refused until orders to pay by the Probate Court.

March 2d; letter received from Grand Master advising the appointment of commissioner to take testimony.

The above comprises all of the facts substantially, as agreed to by the parties interested, and taken from the records of the Lodge.

The statements contained in the affidavit of Fannie Zar are not contradicted, except in part, by the affidavit of Rose Cohn, which, however, is no part of the record herein. Merrills' Code, 1906, at page 258, Section 2197, provides: "The right of property to the funeral benefit is in the family of the deceased, and not in the brother. It does not begin to exist until after his death; and therefore no disposition of such benefit can be made by him in his lifetime."

So that from the above the direction of Brother Cohn to pay the benefits to the daughter has no standing in the case.

Sec. 2204 of the Code is as follows: "The persons who are beneficiaries of the funeral benefit are the widow, orphans (under the age of twenty-one years), or the dependent relatives of the deceased, or relatives upon whom the deceased was dependent at the time of his death."

Sec. 2205. "The S. G. L. has clearly stated who are beneficiaries of the funeral benefits, and where there is left a widow who has lived with the deceased brother to the time of his death, she alone is entitled to the funeral benefit, and she alone can relinquish it to the Lodge."

Sec. 2217. "The right of a widow to funeral benefits does not depend upon color or any other embarrassment under which she may labor at the time of her husband's death. If she was his lawful wife and he died in good standing, she is entitled to funeral benefits."

From the foregoing it clearly appears that for more than a year prior to the death of Brother Chas Cohn, he was dependent upon his daughter, Fannie Zar, for attention and support, and that she has paid all of the funeral expenses amounting in the aggregate to \$400.00. It also appears that the said Rose Cohn had not lived with him during that time as his wife and also that she was not living with him as his wife at the time of his death.

We therefore direct that South Park Lodge No. 488, cause to be paid to the daughter, Fannie Zar, the funeral benefits to the amount of \$140.00 and also the funeral expenses to the amount of \$60.00.

CASE NO. 419.

Frank Beck, et al.,	}	Before Committee on Judiciary
vs.		and Appeals, May Session,
Welcome Lodge, No. 770, I. O. O. F.		1911.

Opinion by Brother W. E. P. Anderson, of No. 107.

This case was referred by Welcome Lodge on a statement of facts submitted by each side, to Grand Master James Ewing Davis, for his consideration and decision, and by him re-referred to this Committee. From the statements there appears a commendable spirit of harmony between all of the members of the Lodge.

The substantial facts practically concurred in are: That Brother G. W. Martin, a member of Welcome Lodge, prior to February 6, 1911 had had two paralytic strokes which resulted in his becoming somewhat negligent and forgetful; on Monday, Feb. 6th, however, he had a third stroke, and on Saturday, Feb. 11th, was placed on the sick list at a regular meeting of the Lodge, and on Sunday, Feb. 12th, he died. After his death it developed that he was six months in arrears for his dues and therefore the contention on the one side is that he was not beneficiary.

It also appears that Brother Martin knew that he was in arrears and had been in the Lodge rooms on one or two occasions for the purpose of paying his dues, but that the proper officer (the Secretary) was not present to receive the same, and that no business had been transacted for several meeting nights by the Lodge for lack of a quorum; that Brother Martin, who lived in the country, probably came to town three or four times a week and that the Secretary lived near the Lodge room, but Brother Martin failed to pay his dues, although the Secretary would have received them at any time.

It also appears that the Secretary failed to send any notice to Brother Martin of his arrears.

From the foregoing facts it is left for us to determine whether or not Brother Martin at the time of his death was beneficiary.

In answer to the question, "does the fact that a Lodge places a Brother on the sick list legally entitle him to sick benefits regardless of the fact that he is more than thirteen weeks in arrears for dues?" We reply, no; but taken in connection with the fact which the Lodge must have known as to Brother Martin's condition of mind relative to forgetfulness, and also the fact that he was not notified by the Secretary of his arrearages, in our judgment absolved the Brother from the effect of a technical construction of the various sections of the Code relative to the payment of dues, and entitle him to a liberal construction thereof.

"A Financial Secretary is required to send written notices of arrears at stated times; should he fail to do so the Lodge may not take advantage of his neglect to deprive a Brother or his widow of pecuniary benefits."

Merrills' Code, 1906, Sec. 1188.

It is conceded that Brother Martin was at the Lodge room one or two times on the regular meeting night of the Lodge for the purpose of paying his dues, and was prevented from so doing by reason of the Secretary not being present, and also by reason of the fact that no meetings were held, so that he was not even given the opportunity of paying his dues to a temporary Secretary.

"A Brother's right to benefit or to vote can not be curtailed by reason of non-payment if it is proved that he offered to pay his dues and assessments, but could not because the proper officer was not present to receive them, unless the Brother at a subsequent meeting, when the officer was present, has failed to pay the said indebtedness."

Merrills' Code, 1906, Sec. 1415.

It is not claimed that Brother Martin was at any subsequent meeting of the Lodge to the one or two above spoken of.

"Dues accrue weekly, and only for convenience are paid at stated periods. It is the right of a Brother to pay his dues at any time, and the words 'any time' are construed to mean at any Lodge meeting."

Merrills' Code, 1906, Sec. 1977.

"It has also been held that when a Brother was sick on the morning of the day, his dues must be paid to prevent his becoming non-beneficial and by reason of such sickness he was unable to attend the Lodge meeting that night, he was held to be beneficial, although his dues were not paid that evening."

Merrills' Code, 1906, Sec. 2057.

We recognize seriously the fact, that in our conclusions of this case we are probably treading on dangerous ground, but we can not reconcile our minds, in view of the facts and circumstances surrounding this particular case, to the proposition that Brother Martin was

at the time of his death non-beneficiary. To do so might in the future, by reason of the officers and members of our Subordinate Lodges not discharging their proper duties in attendance of the Lodge meetings, deprive numerous worthy brothers of the benefits to which they might otherwise be justly entitled.

In our judgment Brother Martin was at the time of his death beneficiary, and we so find, and hereby remand the case to Welcome Lodge, No. 770, I. O. O. F., so that it may direct the payment of the funeral benefits and funeral expenses in accordance with the findings herein.

CASE NO. 420.

William Mills,	}	Before Committee on Judiciary and Appeals, May Session, 1911.
vs.		
Cameron Lodge, No. 786, I. O. O. F.		

Opinion by Brother Owen Scott, of No. 186.

This case involves the question of benefits. Brother William Mills, a member in good standing, was operator of a Mutual Telephone System. On June 21, 1910, in an electrical storm. Brother Mills, while answering a call, received a severe shock from lightning, which destroyed his hearing. Brother Mills was getting \$50.00 per month for his services. In consequence of deafness he was unable to perform the duties of an operator. He took the best of medical advice and treatment and received some relief.

The Lodge put Brother Mills on the sick list, dating from June 21, 1910, and he remained so until July 26th, when he was taken off at his own request. Four weeks' benefit were paid. He resumed his work as operator. On August 2d he again lost his hearing. He was again placed on the sick list dating August 2d, and so remained until February 11, 1911, when he was declared off the sick list and voted three weeks' benefits, \$12.00. This Brother Mills refused to accept, claiming that he was beneficial for the entire time, from August 2, 1910, to February 11, 1911, less one week as per By-Laws, exempting the first week. The amount involved is \$104.00.

From the action of the Lodge Brother Mills appeals. The Lodge insists that because he can superintend his other business, he is not

entitled to benefits. It is admitted that his deafness prevents him from filling the position of operator of the Telephone Exchange. His wife now fills that place. A physician's certificate is presented saying that "has treated Brother Mills during the period in question, and that Brother Mills has been unable to follow his avocation of operator of telephone or any other work from the 9th day of August, 1910, to the 24th day of April, 1911."

It is admitted that the cause of the disability was not from intemperance or other immoral conduct. The facts gleaned from the evidence and from the statements by both sides show that Brother Mills is seventy-five years old, but in fairly good health, except his loss of hearing caused by the shock from lightning. That he has little or no other business. His wife owns some property and is able to operate the telephone exchange from which Brother Mills is wholly incapacitated.

Sec. 2067, Code of 1906, holds that a Brother was beneficial who has lost his sight so that he could only distinguish the outline of objects and "yet attempted and succeeded to a limited extent in performing manual labor on his farm." It is quite evident that Brother Mills on account of his loss of hearing and his advanced age is incapacitated from doing such work as will enable him to follow any lucrative occupation. Your Committee therefore sustains the appeal and holds that the amount claimed by Brother Mills is due from his Lodge.

CASE NO. 421.

Mrs. John Anderson,	} Before Committee on Judiciary
vs.	
Grove City Lodge, No. 275, I.O.O.F.	
	and Appeals, May Session,
	1911.

Opinion by Brother Oscar D. Olson, of No. 361.

This appeal appears to be an appeal from the decision of Grove City Lodge No. 275, complaining of their action in denying funeral expenses to the widow of Jno. Anderson, a member of said Lodge, who died March 30, 1911.

The record shows that Grove City Lodge was not permitted to take part in the funeral arrangements and services of the deceased Brother, but that the entire charge of the funeral was assumed by the Masonic Lodge of which Brother Anderson was a member.

Merrills' Code, 1906, page 260, Section 2223, provides: "A Lodge refused permission to conduct or co-operate in the funeral of a deceased brother is not liable for funeral expenses, but is liable for the funeral benefits."

Incorporated in the record is a receipt from Mrs. Anderson, shown to be for funeral benefits, and it is therefore plain that Grove City Lodge No. 275 has fully complied with the law in this regard.

The action of Grove City in refusing to pay funeral expenses is sustained and the appeal dismissed.

Russellville Lodge, No. 911,

} Before Committee on Judiciary
and Appeals, August Session,
1911.

Opinion by Brother Henry Phillips, of No. 16.

In the above case this Committee heard and decided the same at the November Session, 1910. The opinion rendered was reported to the Grand Lodge at said November Session, 1910, and was approved. Under the law the parties interested have thirty days from the time that they are respectively notified of the opinion in which to take an appeal. By the approval of this opinion at said November Session of the Grand Lodge, the parties were cut off or deprived of their right to appeal within the said thirty days. Under the circumstances, this Committee now has lost jurisdiction of the case, and the only remedy which appears to us is that the Grand Lodge at its next Session withdraw its approval, leaving the opinion standing, subject to the right of an appeal by the parties interested. This Committee has no jurisdiction to take further action at this time in the matter.

vs.		
R. M. Griffith.		

Opinion by Brother O. D. Olson, of No. 361.

The above is an appeal by three members of Charity Lodge from the action of said Lodge in discharging the committee appointed to investigate complaint of conduct unbecoming an Odd Fellow, and of stealing corn, against R. M. Griffith.

It appears that Brother Griffith was convicted of some offense and punished by the criminal courts, but just what this offense was is not shown, except that a plea of guilty was entered by him to petit larceny.

The facts before us are very meagre, but sufficient is shown to indicate that there was a serious infraction of the laws of our Order, and the appeal is sustained and Charity Lodge, No. 284, is directed to proceed to try the brother.

CASE NO. 423.

Paris Wilson,	}	Before Committee on Judiciary and Appeals, August Session, 1911.
vs.		
New Hope Lodge, No. 263, I. O. O. F.		

Opinion by Brother W. E. P. Anderson, of No. 107.

Brother Paris Wilson, a member of New Hope Lodge, No. 263, I. O. O. F., located at Blandinsville, Illinois, prior to the year of 1908, removed to South Haven, Kansas, where on September 1st, 1908, he suffered a stroke of paralysis which not only rendered him helpless, physically, but greatly impaired his mind, resulting in his being committed to an insane asylum in Kansas. It appeared at the time of his being stricken he was in arrears for dues to his Lodge and therefore non-beneficiary.

On September 23rd, 1910, Mrs. Ella Wilson, the wife of Brother Wilson, through her attorney, presented to the Lodge a claim for sick benefits due her husband from September, 1908, to September, 1910, amounting in the aggregate to three hundred and twelve dollars. The claim was read to the Lodge on October 10th, 1910, and the Lodge appointed one of its members to investigate the matter. On February

6th, 1911, the case came before the Lodge for its consideration, and on hearing each side, the Lodge, by its vote, rejected the claim; hence this appeal.

It is claimed on behalf of Brother Wilson that he had recovered from his stroke of paralysis and that his recent incapacitation was brought about by other causes after he had become beneficiary.

On a careful consideration of the facts and proofs presented on the part of both Brother Wilson and New Hope Lodge, we are satisfied that Brother Wilson is still suffering from his affliction and incapacitation of September, 1908, and that the Lodge acted properly in rejecting the claim.

It is therefore ordered that the action of New Hope Lodge, No. 263, I. O. O. F., in the above case, be and is hereby sustained and that the appeal be dismissed.

UNFINISHED BUSINESS.

The following proposed amendment to the Constitution for Subordinate Lodges was presented, and consideration of the same was postponed for one year.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Dear Brothers—Owing to the fact that the necessary expense of conducting a Lodge in a large city is so much greater than in an ordinary sized one—such as rents, light, fuel, insurance—and further, the greater liability that a Lodge assumes, owing to the hazards which their members are subject to; therefore, we, the undersigned Representatives, beg to submit for your careful consideration the following amendment:

Proposed amendment to Article X, Section 2, Constitution for Subordinate Lodges, changing the initiation fee “only” in cities having a population of 200,000 or more, from five dollars (\$5.00) to ten dollars (\$10.00). Said section, if amended, would read as follows:

MINIMUM FEE FOR MEMBERSHIP.

“No person shall be admitted to membership in this Lodge for a less sum than is hereby provided, viz.: By initiation, in all cities or towns where there are fifty (50) or more Lodges located, the fee shall be ten (\$10.00) dollars; by deposit of card, two dollars (\$2.00); as an

Ancient Odd Fellow, five dollars (\$5.00); and as a non-beneficial member, five dollars (\$5.00): Provided, that no admission fee shall be charged a brother who shall be admitted by transfer certificate, except he shall pay for a medical certificate regarding his health, should one be required by the by-laws of this Lodge; and provided, further, that no admission fee shall be charged an applicant for membership under Article X, Section 6, of the Constitution of the Grand Lodge of the State of Illinois, regarding the 'Aged Odd Fellows Register'; Provided further, that no fee shall be charged for issuing a transfer certificate."

GRAND LODGE CONSTITUTION.

The following proposed amendment to the Constitution of the Grand Lodge was presented, to be entered on the Journal for consideration at the next annual session:

Proposed Amendment.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

The following is offered as an amendment to Article IV of the Grand Lodge Constitution, relating to election of Grand Lodge Officers; and, if adopted, will read as follows:

Section 1. The officers of the Grand Lodge of the State of Illinois shall be: Grand Master, Deputy Grand Master, Grand Warden, Grand Secretary, Grand Treasurer, Grand Chaplain, Grand Marshal, Grand Conductor, Grand Guardian, Grand Herald; the first five of whom shall be elected in the manner hereinafter described, and the others shall be appointed by the Grand Master.

Section 2. If any Officer shall neglect or refuse to attend the Grand Lodge, his office may be declared vacant, and the same shall be filled by the Officers and members present; provided, that should such absence be caused by sickness or disability, the Officer may be excused by a majority of the members present.

Section 3. Should such vacancy occur, by resignation or otherwise, in any of the elective offices of the Grand Lodge, not otherwise provided for, the Grand Master, or in his absence the Deputy Grand Master, shall appoint a member of the Grand Lodge to fill such vacancy until the next regular session of the Grand Lodge, and he shall be en-

titled to all the honors and emoluments of the office, as though elected by the Grand Lodge.

Section 4. Nominations of candidates for Grand Officers may be made by any Past Grand transmitting the name of any Past Grand eligible for office to the Grand Master, stating the office for which he is nominated, at any time prior to the first day of May. The Grand Master shall, immediately after the first day of June, transmit to each Past Grand nominated a notice of his nomination, requesting his acceptance or declination of the same; and if he accepts, he shall furnish the Grand Master with the notice of his acceptance and a certificate of good standing in his Subordinate Lodge; failing to do so, the Grand Master shall not place his name on the ticket. On the first of June the Grand Master shall transmit to the Grand Secretary the names of all Past Grands who have accepted nominations; and the Grand Secretary shall, before July 1st, transmit to the several Lodges, together with suitable election blanks, the names of all the nominees who have accepted the nominations, and the locations of the respective Lodges in which they hold membership, stating the several offices for which they were nominated; provided, that no Past Grand can accept the nomination or be a candidate for more than one office at the same time.

Section 5. At the last regular meeting of each Subordinate Lodge in the month of July the Past Grands in good standing of such Lodge shall be entitled to vote by ballot for Grand Officers. The tellers shall be furnished by the Secretary with a list of all Past Grands of the Lodge who are not more than thirteen weeks in arrears for dues, and no Past Grand shall be permitted to vote whose name does not appear in said list; provided, if any Past Grand whose name has been omitted shall pay up his dues so as to make him less than thirteen weeks in arrears for dues at the time, he shall be allowed, on presenting a receipt to that effect, to have his name added to said list and to cast his vote. Immediately after the reading of the minutes the Noble Grand shall appoint two tellers from among the members of the Lodge, and thereupon declare the ballot open, and the same shall remain open until the order of business of "Good of the Order" shall have been reached, when the ballot shall be declared closed; whereupon the tellers, assisted by the Secretary, and under the supervision of the Noble Grand, shall count the votes in open Lodge and announce the result, and a record thereof shall be entered upon the minutes. The Noble Grand, Secretary and Tellers shall, on the same evening, make an abstract in triplicate of the votes cast for each candidate, attach their signatures and the seal of the Lodge to same, and immediately transmit one copy of said abstract to the Grand Master and one copy to the Grand Secretary (and the Grand Secretary shall retain these abstracts unopened until after the last day upon which abstracts may be sent

in, or August first). The Secretary of the Lodge shall retain the remaining copy thereof in said Lodge and deliver the same to the Representative to the Grand Lodge, who shall deliver it to the Committee on Returns at the next session of that body. The Grand Secretary shall, at the following session of the Grand Lodge, deliver the said abstracts received by him to the Committee on Returns, for comparison with the report of the Grand Master.

Section 6. The Grand Master shall, on the second Tuesday in August, call to his assistance three disinterested Past Grands, residents of the city in which the Grand Master resides, and proceed to open and count the votes cast for Grand Officers. If any of the returns shall be irregular, or want any of the requisites prescribed in Section 5, the Grand Master shall immediately transmit said irregular returns to the Lodge or Lodges making said irregular returns, and call attention to the irregularities, and request the correction of the same. After having canvassed all correct returns and transmitted (if there be any) said irregular returns as above prescribed, said board of canvassers shall adjourn to a future date, not less than fifteen nor more than thirty days, when they shall meet and complete the canvass.

The Past Grands having the highest number of votes shall be declared duly elected to the offices for which they were respectively nominated; provided, the number of votes received shall not be less than one-third the total number of votes cast for all candidates for such office, in which event the candidate who shall have received the highest vote in a majority of the Subordinate Lodges shall be declared elected. If no candidate shall have received one-third of the entire vote, or the highest vote of the Subordinate Lodges, the Grand Lodge shall proceed to elect to fill the vacancy, by a majority vote, from the three persons who received the largest total vote. In the event of a tie vote, the candidate receiving the votes of the largest number of Subordinate Lodges shall be declared elected, if he shall have received one-third of the total number of votes cast in the Subordinate Lodges. In the event of death, removal or declination of the candidate otherwise to be declared elected, the candidate receiving the next higher number of votes, not less than one-third the total vote, shall be declared elected. The Grand Master shall, immediately after the vote has been canvassed, certify the result of the count to the Grand Secretary, who shall notify the candidates of their election.

Section 7. The returns from the several Lodges, together with the tally sheet, properly certified to by the Grand Master and his assistants, shall be sealed up and returned to the Grand Lodge at the commencement of its next session, for revision and the correction of errors, if any be found therein. Such returns, together with duplicate returns held by the Grand Secretary, shall be referred to the Com-

mittee on Returns, who shall carefully examine the same and report to the Grand Lodge.

Section 8. Representatives to the Sovereign Grand Lodge from this Grand Lodge shall be nominated and elected in the same manner as is provided for the election of officers of this Grand Lodge. At the election of officers in the month of July, of odd-numbered years, there shall be elected one Grand Representative to serve for a term of one year, and at the election of officers in the month of July of even numbered years there shall be elected two Grand Representatives, one to serve for a term of one year and one to serve for a term of two years. In making nominations for such officers to be voted for in even numbered years, the Past Grand making the nomination shall state for which term the brother is nominated, and the election blanks furnished by the Grand Secretary shall designate one class of candidates as "Grand Representative for one year," and the other class of candidates as "Grand Representative for two years"; provided, that, in case a Past Grand shall be nominated for both the one-year and two-year terms, he may not be a candidate in both classes, but must state in his acceptance the term for which his acceptance is filed.

Proposed Amendment No. 2.

"Section 5. Every Subordinate Lodge shall pay to the Grand Lodge such capitation tax as may, from year to year, or by the by-laws of this Grand Lodge, be determined upon; provided, however, that there shall never be appropriated from such capitation tax for any one fiscal year a sum to exceed one dollar (\$1.00) per capita for the Odd Fellows' Orphans' Home and the Odd Fellows' Old Folks' Home, for maintenance and all expenses of such Homes."

Appealed to Grand Lodge From Judiciary and Appeals Committee.

Case No. 412 was decided November session, 1910, and the opinion appears in the Journal and is as follows:

CASE NO. 412.

F. E. Jordan,	} Before Committee on Judiciary and Appeals, November Session, 1910.
vs.	
Wyoming Lodge, No. 244, I. O. O. F.	

Opinion by Brother Henry A. Stone, of No. 122.

This is an appeal from the decision of the Commissioner of this Lodge in allowing \$60.00 funeral expenses for Brother William H. Jordan, deceased, a member of said Lodge. The grounds for appeal being that, on account of the Lodge being refused to take charge of the funeral, although requested to furnish a speaker and six honorary pall-bearers, that the Lodge is not liable for the funeral expenses. The Commissioner duly appointed, after due investigation, ruled that the Lodge was not refused co-operation and was therefore liable for the expenses provided in the By-Laws. Section 4 of Article II of the By-Laws of this Lodge reads as follows:

"There shall be allowed for funeral expenses a sum not to exceed \$60.00; provided, however, that in case the family or friends refuse to allow the Lodge to conduct the funeral services, the Lodge shall not be held liable for the funeral expenses."

This last proviso is clearly unconstitutional. Section 10 of Article X of the Constitution provides (See Code of 1906, Section 2190), as follows:

"In case of death of a beneficiary member of this Lodge there shall be allowed not less than \$20.00 as a funeral benefit to the beneficiary or beneficiaries entitled thereto, and such further sum as may be actually incurred under the laws of the Order for funeral expenses, not less than \$60.00, unless shared by another society. Liabilities for funeral expenses shall be limited to \$60.00, unless the Lodge by By-Law assumes liability for a greater amount; provided, however, that the Lodge may with written consent of the funeral beneficiaries expend the funeral benefits toward the funeral expenses."

OPINION:

Appeal dismissed and action of Commissioner sustained.

Opinions in the following appeal cases will be found in the Grand Secretary's report: Case No. 414, New Home Lodge No. 185, I. O. O. F. vs. P. J. Engles; Case 418, Fannie Zar et al vs. South Park Lodge No. 488, I. O. O. F.; Case 423, Paris Wilson vs. New Hope Lodge No. 423, I. O. O. F.

CONCLUSION.

The marvelous achievements of Odd Fellowship in the fraternal field and the fact that we now number 2,023,731 members have inspired a remarkable degree of loyalty. To hold membership in our fraternity is recognized as an honor and good men from all walks of life are seeking admission. The Order presents a broad field for usefulness in the uplift of mankind and it is worthy of note that men are asking membership in order to be of service to their fellow men.

Grand Master James Ewing Davis has been thoroughly imbued with the principles of the Order and in reality has overtaxed his physical ability in order to be of service to our beloved Order. His year's work constitutes a record of which he can be proud and for which splendid service he will receive the gratitude of our entire membership.

The willingness of our Lodges and individuals to co-operate in every movement for the betterment of the Order has been a source of inspiration and I am mindful of the untiring service and courteous treatment which has so generously been given to me during the past year.

I extend most sincere thanks to my associates and co-workers in all departments, and particularly to General James Henry Harris, De-

DECISIONS.

During the year I have rendered the following decisions:

Decision 1. Question.—Is it lawful for officers or past officers of Grand or subordinate lodges to use their official titles in endorsing or promoting any insurance or other business?

Answer.—No.

Dec. 2. Question.—The Loyal Protective Insurance Company publishes endorsements of its business, signed by certain officers or past officers of Grand Bodies, using their official titles. It also stated that it is the only insurance company endorsed by Grand Lodge Officers. (Exhibit.) Is the Loyal Protective Insurance Company conducting a lawful business in conformity with the tenets of the Order?

Answer.—The Loyal Protective Insurance Company is a private enterprise and must be conducted as such. It is not in conformity with the law of The Sovereign Grand Lodge to use the names of members of the Order as members of the Order or as officers of the lodge to promote a private business.

Dec. 3. Question.—Is it lawful for a brother to act as agent or promote the interests of such an insurance company which uses in its advertising matter official endorsements as described?

Answer.—No. (See Sec. 471, Busbee's Digest.)

Dec. 4. Statement.—Can any portion of the special 5 per cent fund provided for in Article 503 of the Digest, be used for the purpose of purchasing jewels for Past Grands, by subordinate lodges?

Answer.—No.

Dec. 5.—Statement.—The question has been raised as to the true intent and meaning of the law in reference to the regalia of the different branches of our Order, each being kept separate and distinct, and neither to be permitted to loan to any other branch of the Order for display, or any other purpose.

The robes, etc., used in the portrayal of the various degrees it is thought by some, in view of the fact that they are manufactured, publicly displayed, and advertised in illustrated catalogues, labeled with the names of the characters they are intended to portray, and the employees of said regalia firms need not necessarily be members of the Order, and therefore the law of our Order should not debar one branch

from loaning to the other, when for the best interests of the Order it would be desirable to do so.

Question.—Can a subordinate lodge loan any portion of its robes that could be utilized by the male members of a Rebekah lodge in portraying the characters they may take in the conferring of the Rebekah Degree?

Answer.—No.

Dec. 6. Statement.—The Committee on Laws of the Grand Lodge of Manitoba, I. O. O. F., had a by-law submitted to them for approval, which reads as follows:

"40. If the attending physician advises that the nature of the illness is such that the attendance of a nurse is necessary, one shall be procured by the chairman of this committee, and such attendance shall be continued until terminated by the chairman on the advice of the attending physician, the cost of the said nursing to be paid for out of the Sick Nursing Fund, but in no case to exceed \$1.50 per day; if in the hospital 75 cents per day, to be paid to the hospital authorities."

Dec. 7. Statement.—The Committee on Laws rules that the word day in the 8th and 9th lines be struck out, and the word night be inserted. The Sovereign Grand Lodge having decided that a lodge must provide by its by-laws for night nurses or watchers, and that it may provide for day nurses or watchers, and in that case the word day does not cover both night and day as intended by The Sovereign Grand Lodge.

Question.—Was the Committee on Laws right in striking out the word day and inserting the word night in the by-law?

Answer.—No. The committee had no such power.

Dec. 8. Statement.—The Grand Lodge of Manitoba, I. O. O. F., has instructed its Committee on By-laws to approve of a by-law that reads as follows:

"A nurse shall be procured by the Chairman of the Visiting Committee on the advice of the attending physician, the cost of said nursing to be paid out of the Sick Nursing Fund, but in no case to exceed one dollar and fifty cents per Calendar Day."

Question.—Are the words "Calendar Day" proper words to insert in a by-law in regard to hiring a nurse, The Sovereign Grand Lodge having decided that only night nurses or watchers must be furnished, and that a lodge may provide for day nurses or watchers in its by-laws?

Answer.—Yes.

Dec. 9.—Statement.—A and B, hotel owners and keepers, are members in good standing in Addison Lodge, No. 345, both having joined

the lodge prior to 1895, when the law was enacted prohibiting hotel keepers tending bar from becoming members of the Order. A and B have been continuous members since joining, have at all times been hotel keepers, and dispensed liquors over the bar.

At the general election held in the fall of 1907, the local option question was submitted and the temperance people carried the day, making Addison a dry town for two years and six months.

At the general election held in the fall of 1909 the local option question was again submitted and license was restored.

On October 1, 1910, said A and B procured license and again commenced dispensing liquors over the bar.

Question 1.—Are said A and B liable to expulsion from the Lodge under the law prohibiting hotel keepers tending bar from being members of the Order?

Answer.—Yes.

Question 2.—Does the question of being deprived of the privilege of selling liquor by vote of the people constitute a going out of the liquor business under the law prohibiting hotel keepers tending bar from being members of this Order?

Answer.—Yes.

Question 3.—Does the resumption of this business, dispensing liquor over the bar, in accordance with the vote of the people and the laws of the State of New York, constitute a resumption of the liquor business under the law prohibiting hotel keepers tending bar from being members of this Order?

Answer.—Yes.

Dec. 10.—Statement.—There is nothing in Report 91, page 151, Daily Journal, 1910 session, to show that Article X of the By-Laws of The Sovereign Grand Lodge was to be amended by the adoption of said report. Article XXX of the By-Laws provides that no resolution shall operate to change, alter, or amend any of the By-Laws of The Sovereign Grand Lodge, unless said resolution upon its face and by its terms assumes to make such change, alteration or amendment, and shall state distinctly the particular By-Law to be affected.

Question.—Is not the whole matter set forth in said Report 91 null and void, inasmuch as it was not presented in proper form, and was in effect an amendment to the By-Laws of The Sovereign Grand Lodge?

Answer.—It is my opinion that an attempt has been made by Report 91, page 151, Daily Journal, 1910 session, to amend Article X of the By-Laws of The Sovereign Grand Lodge. Article XXX of the By-Laws of The Sovereign Grand Lodge provides the manner in which the same may be amended. The requirements of Article XXX have not been complied with in the present instance.

It is, therefore, my opinion that the whole matter in Report 91 is void and without effect and should be set aside, and I have directed the Grand Secretary accordingly.

Dec. 11. Question.—If the Constitution of the Grand Lodge of Kentucky fixes a minimum fee that shall be charged all who join a Lodge in Kentucky, and a resident of Kentucky joins a Lodge in another or adjacent jurisdiction that charges a lesser fee than the Constitution of the Grand Lodge of Kentucky provides, under the laws of The Sovereign Grand Lodge shall the difference be paid to the Grand Lodge of Kentucky?

Answer.—“Any person residing in one jurisdiction and joining a Lodge or Encampment in another jurisdiction, whose fees for admission to membership, either by initiation or deposit of card, are less than the minimum fees charged in his own jurisdiction, shall pay to the Lodge or Encampment he so joins the amount of the minimum fees charged in his own jurisdiction, and the Lodge or Encampment which he joins shall pay the excess thus collected over to the Grand Lodge or Grand Encampment of the jurisdiction in which he resides.” (Busbee’s Digest 451, page 131.)

I therefore answer your question—Yes.

Dec. 12. Question.—Did the action of the Grand Lodge of 1898, granting the privilege of adjacent jurisdiction to receive as members residents of Kentucky, and in which this provision is a part of said action—“Provided further that the laws of The Sovereign Grand Lodge are complied with,” do away with the law of The Sovereign Grand Lodge as found in Sections 451 and 926, Busbee’s Digest, 1903, providing that any difference in fees shall be paid to the Grand Lodge of the jurisdiction in which the candidate is a resident?

Answer.—No.

Dec. 13. Question.—Will both forms of the Veteran Jewel, as now sold, be recognized after January 1, 1911, in lieu of regalia?

Answer.—Yes.

Dec. 14. Statement.—A brother, having changed his place of residence, now wishes to avail himself of the advantages of the transfer law of 1904. The Lodge to which he now belongs has a level rate of dues, for all its members, of \$1.50 per quarter. The Lodge to which he wishes to transfer has a graded scale of dues regulated according to the age of the member at admission to the Lodge, the minimum rate being \$1.55 per quarter. The benefits of the new Lodge are also greater than the Lodge from which he proposes transferring.

Question.—Must the brother pay the rate of dues provided by the new Lodge’s By-Laws or does his connection with his old Lodge in any

way influence the amount of dues to be paid into the Lodge to which he transfers?

Answer.—As soon as transfer is effected he will be controlled by the By-Laws of the new Lodge.

Dec. 15. Question.—Is a Syrian, an Arab or an Arabian entitled to membership in our Order?

Answer.—First, a Syrian is a Caucasian and is therefore entitled to membership. (Proc. 1906, page 434, Decision 26.)

Second, an Arab or Arabian, is not entitled to membership in our Order. The best dictionaries state that the Arab is a member of a swarthy race inhabiting Arabia, and largely Syria, and northern Africa. (Sec. 2, Art. 16, Constitution, page 783, Busbee's Digest.)

Dec. 16. Statement.—The Rituals of Subordinate and Rebekah Lodges (page 34, Subordinate; page 13, Rebekah), provide that when balloting upon applications for membership or degrees, it is not permissible to exhibit the ballot to any member except to the Noble Grand and the Vice Grand. The contention is made that the Ritual governs only in matters purely Ritualistic, and that Grand Bodies may provide by legislation that the ballot may be exhibited to, and examined by, the supporters of the Noble Grand.

Question 1.—Are not the provisions of the Rituals, above mentioned, applicable upon all Lodges?

Answer.—Yes.

Question 2.—Do not all of the instructions appearing in any part of the Rituals, whether relating to the degrees or otherwise, apply equally upon all Lodges of the Order regardless of the fact that contrary provisions may appear in the Constitutions of Grand Bodies having jurisdiction over such Subordinates, or that contrary legislation may have been enacted either by such Grand Bodies or by The Sovereign Grand Lodge?

Answer.—Yes.

Question 3.—Are not all laws of The Sovereign Grand Lodge, Grand or Subordinate bodies which conflict in any manner with the provisions of the Rituals null and void?

Answer.—Yes, in so far as they conflict with the Rituals.

Question 4.—Can any of the general instructions appearing in the Rituals be changed, altered, or amended by The Sovereign Grand Lodge except by two-thirds vote required for a change in the written work of the Order?

Answer.—No. (Sec. 5, Art. 1, Cons. Sov. Grand Lodge, page 772, Busbee's Digest; Secs. 2222-2224 and 2561.)

Dec. 17. Question 1.—Does the adoption of a resolution to establish concurrent jurisdiction throughout a Grand Jurisdiction abridge the rights and intention of The Sovereign Grand Lodge in its provision for the use of "Transfer Certificates" within Grand Jurisdiction?

Answer.—No.

Question 2.—If so, has a Grand Body the right to establish concurrent jurisdiction to the exclusion of this form of change of membership?

Answer.—Yes.

Dec. 18. Question.—May a number of members of a Subordinate Lodge, from their own means, and without expense to any branch of the Order, erect a memorial window in a Sectarian Church, in memory of deceased members of their Lodge; said window bearing appropriate inscriptions and using emblems of the Order, together with the name and number of the local Lodge, followed by the letters I. O. O. F.?

Answer.—Yes.

Dec. 19. Question.—Is the use of the Rituals permissible in public installations, the instructions concerning the use of the gavel, the entering, retiring and all other instructions found in the book itself being strictly followed?

Answer.—No.

Dec. 20. Question.—Can a Third Degree member, not being a Past Grand, act as District Deputy?

Answer.—No.

Dec. 21. Question.—Can a Lodge charge a brother, coming to it by Transfer Card, \$1.00 per year for every year over the age of 45?

Answer.—No.

Dec. 22. Question.—Can a line officer of the Patriarchs Militant purchase and keep in his own possession a Ritual of the Patriarchs Militant degree?

Answer.—No.

Dec. 23. Question.—Also, can a line officer, or any officer of the Patriarchs Militant, copy the unwritten work of the Patriarchs Militant degree in full and carry the same in his pocket, and read it in conferring the Patriarchs Militant degree?

Answer.—No.

Dec. 24. Statement.—A member of the Order resides in California, but belongs to a Lodge in Kansas. Such member conducts him-

self in California in a manner unbecoming an Odd Fellow, and a Lodge or member of the Order in California desired to file charges against such brother.

Question.—What is the procedure?

Answer.—In the absence of any local regulation upon the subject, a member desiring to prefer charge or charges against a member or members of one Subordinate Lodge shall present such charges in the usual form to such Lodge, of which the accuser is a member. Such Lodge shall forthwith forward to the Lodge to which the accused may belong a certified copy of the charge or charges, over signature of the Noble Grand and Secretary, and attested by the seal of the Lodge. And the Lodge to which such charge or charges shall be sent, shall proceed to hear and determine the same in like manner as if preferred by a member of its own body. (Busbee's Digest, Sec. 2019.) (Proc. S. G. L., 1871, pages 5194-5.)

Dec. 25. Question.—Who may file charges?

Answer.—Any member of a Subordinate Lodge.

Dec. 26. Question.—In what Lodge should they be filed?

Answer.—In the Lodge to which the accused brother belongs.

Dec. 27. Question.—What Lodge has jurisdiction to try the case?

Answer.—The Lodge to which the accused brother belongs.

Dec. 28. Question.—Can a Grand Lodge charge a sum equal to one year's dues in addition to the price of the certificate, on application for a Dismissal Certificate from a former member who has been dropped for non-payment of dues by a Lodge now defunct?

Answer.—Yes.

Dec. 29. Question.—Has the Grand Master the authority to confer the Rebekah degree on five Subordinate members, or five outsiders (eligible to the degree), for the purpose of instituting a Rebekah Lodge?

Answer.—Yes. Provided the Grand Master is a member of the Rebekah Lodge himself.

Dec. 30. Question.—What will the Grand Master do who is not a member of the Rebekah Lodge?

Answer.—Appoint some Past Grand, or Past Noble Grand, who is in good standing in the Rebekah Lodge to confer the degree and institute the Lodge.

Dec. 31. Question.—Does any member transferring from one Lodge to another have to pay anything extra, he being over forty years of age, under the Transfer Law, where the By-Laws of a Lodge say all

applicants over forty years of age must pay the sum of one dollar for each year over forty?

Answer.—No.

Dec. 22. Question.—Is an Assyrian entitled to membership in our Order?

Answer.—An Assyrian is of the Caucasian race, and, therefore, is entitled to membership in our Order.

Dec. 33. Statement.—“Resolved, That Article VII, Section 1, of the Rebekah Assembly Constitution, be amended by substituting the word ‘fifty’ for the word ‘ten,’ and by inserting the words ‘on all sisters of Rebekah’ after the word ‘levied,’ making the amended portion of that Article read as follows: ‘And that an annual per capita tax of not less than fifty cents be levied on all sisters of Rebekah, one-half of which must be paid to the Assembly Secretary on or before the first day of July, and one-half on or before the first day of January in each year, and when collected by her to be paid to the Grand Secretary, said tax to be designated as the Gill Home Tax, and to be used in the maintenance of the Home; Provided, That no sister of Rebekah shall hereafter become eligible who has not paid the Gill Home Tax as herein specified, and has not been in continuous good standing for five successive years immediately prior to her application for the benefits of the Home.’”

Question.—Is a law constitutional to tax sister Rebekahs for the maintenance of the Home?

Answer.—Yes, the Grand Lodge having legislated authorizing the assessment. Grand Bodies are permitted to adopt such laws for the purpose of establishing and maintaining Homes for aged and indigent Odd Fellows and widows of deceased members of the Order, and Homes for the care, protection and education of orphans of deceased Odd Fellows, as they may determine to be consistent with the welfare of the Order in their respective jurisdictions. (Journal 1892; 13016, 13120, 13161.) Grand Bodies have the legal right and full power to make reasonable and necessary assessments upon their Subordinates to provide and maintain Homes for such dependents. (Journal 1894; 14115; 14150.)

Rebekah Assemblies are subordinate to Grand Lodges, and members of Rebekah Assemblies are subject to a tax imposed by the action of a State Grand Lodge.

Dec. 34. Question.—Can a Rebekah Assembly make a law (in case the above tax is not paid by the sister and she is suspended for non-payment of dues from her Lodge) that can hold the Lodge responsible for the tax?

Answer.—No.

Dec. 35. Question.—Can a Rebekah Assembly refuse a Lodge their credentials for their delegates to the Assembly, after they have paid their Assembly per capita tax, provided their members have not all paid the Home Tax?

Answer.—No.

Dec. 36. Question.—Can the Assembly suspend a Rebekah Lodge or take its charter in such a case?

Answer.—No.

Dec. 37. Question.—A new member admitted April 10, August 10, or November 10, should they pay this tax? If so, what part of the year, or would the tax be made up on the report of the members in good standing on December 31 of the previous year, the same as a per capita tax?

Answer.—This depends upon local legislation of the Grand Jurisdiction involved.

Dec. 38. Question.—Who is entitled to vote in the Grand Encampment for Grand Representatives to The Sovereign Grand Lodge? Some Subordinate Encampments send as many as six or eight to the Grand Encampment, when entitled to only one. Have they a right to a vote?

Answer.—All persons entitled to vote on any question are entitled to vote for Grand Representatives, unless otherwise provided by local law.

Dec. 39. Question.—Can a Lodge refuse to pay a brother benefits for permanent injury sustained by him while in the discharge of his duties as a car inspector for a railroad company, simply for the reason that he is trying to support himself in another business which produces much less income than he was formerly receiving, but not enough to provide himself and five children with food and clothing?

Answer.—No.

Dec. 40. Question.—While a brother is in good standing in his Lodge and receives an injury which makes it impossible for him to follow his usual occupation, but is able to carry on a business which does not furnish a sufficient income to support him and his five children with decent clothing and proper and healthy food, can the Lodge refuse to pay him benefits?

Answer.—No.

Dec. 41. Statement of Facts.—1. When Bro. Otto Hartung, P. G. of Reno Lodge No. 14, made his will he included the following provision: "10—I give, bequeath and devise all the residue of my estate, both real and personal, as follows: (a) To the I. O. O. F. of the State of Nevada, the income from my estate to be paid over to them

by my executors and trustees annually, if within five years from the date of my death the said I. O. O. F. of the State of Nevada does establish a Home worthy of its name for orphans and foundlings, near Reno, Nevada, and to be known by the name of the 'Royal D. Hartung Home for Orphans and Foundlings,' but if the I. O. O. F. of the State of Nevada does not accept the provisions of this bequest within the time herein mentioned, then I give and bequeath all of my estate to the Board of School Trustees, of Reno, Nevada."

2. He then made further provision that unless the School Trustees did accept the money under the conditions set forth in the will, then the money, the income of the estate, should go to the University of Nevada.

3. The Rebekah Assembly of Nevada, during the past ten years, has raised approximately six thousand five hundred dollars for the purpose of building an Odd Fellows' Orphans' Home in Nevada.

4. The Grand Lodge of Nevada, at its annual session held on the 20th and 21st of June, 1911, directed its Board of Trustees of the Grand Lodge to act in conjunction with the Trustees of the Rebekah Assembly, and build an Orphans' Home at or near Reno, in such a way as to enable the Rebekah Assembly to secure the income from the Hartung estate to support said Home.

5. Bro. Charles Burke, P. G., of Reno Lodge, No. 14, offered to give to the Rebekah Assembly of Nevada sufficient ground for the purpose of building said Home, the same to be in the Burke addition, and to be near the street car line. The Rebekah Assembly, by resolution, on the 21st of June, directed their trustees to act with the Trustees of the Grand Lodge, and proceed at once to build an Orphans' Home, accepting Brother Burke's offer, and so build as to avail themselves of the income of the Hartung estate.

6. The income from the Hartung estate will be approximately two thousand dollars per year.

7. It is the judgment of the leading Odd Fellows and Rebekahs of Nevada that the two thousand dollars per year income will practically support the Orphans' Home in Nevada for the next ten years to come, and take care of all the orphans of Odd Fellows who are left without a Home.

8. Mr. Hartung died early in the year of 1910, and the executors of his will have asked the Grand Lodge, I. O. O. F., of Nevada, to give up its right to the estate of Brother Hartung, so that they may give the income from the estate to the University of the State of Nevada, and are very anxious to secure said income for the University of Nevada.

Question.—Is there any law or principle in Odd Fellowship that would prevent the Rebekah Assembly of Nevada placing over the

I. O. O. F. Orphans' Home the name of "Royal D. Hartung Home for Orphans and Foundlings?"

Answer.—There is no law of The Sovereign Grand Lodge to prevent the use of the name of a dead person in connection with establishment of institutions of the Order, such as Lodges, Encampments, Rebekah Lodges, etc. Following this principle, I can not see wherein there can be any legal objection under the law of The Sovereign Grand Lodge that would prevent the Rebekah Assembly of Nevada placing over the I. O. O. F. Orphans' Home the name "Royal D. Hartung Home for Orphans and Foundlings."

Dec. 42. Statement.—A number of Scarlet degree brothers in this jurisdiction desire to have an Encampment chartered to work in the Bohemian language, excepting the Ritualistic work for which The Sovereign Grand Lodge has made no provision.

Question.—Could they be issued a charter to work in the Bohemian language, which would mean keeping their records and transacting all Encampment business in that language, but conferring the degrees in the English language?

Answer.—No. An Encampment may not be organized to keep its records and transact its business in the Bohemian language, and confer the degrees in the English language. This, because there is no law of The Sovereign Grand Lodge authorizing the same.

Dec. 43. Question.—Does the Transfer of Membership Law, as it now stands, apply to the quasi-independent jurisdictions, and in particular to the Jurisdiction of Sweden, as governing the transfer of membership from that jurisdiction to a Lodge in our own Jurisdiction of Pennsylvania and vice versa?

Answer.—Yes, this law applies to all jurisdictions acting under the authority of The Sovereign Grand Lodge and must be so respected, unless restricted in special charters issued to quasi-independent jurisdictions.

Dec. 44. Statement.—Our Grand Lodge and Grand Encampment, acting under legislation digested in paragraphs 834 and 838 of Busbee's Digest, has enacted legislation providing that members of our Home are not entitled to benefits, and are not subject to the payment of dues. The R. W. Grand Lodge, F. & A. M. of Washington, is opening a Home for indigent Masons in this State. Under the rules and regulations of the Trustees of the Masonic Home, as well as the rules and regulations governing the Odd Fellows' Home of Washington, a member must be indigent and without means of support or income to be eligible to membership in the Home. Under the statutory laws of this State, neither of these Homes can accept any compensation for the care or maintenance of the members. Some of the members of the

Odd Fellows' Home expect to be, and no doubt will be at their own request, transferred to the Masonic Home, as soon as it is opened.

Question 1.—Must the Subordinate Lodge, I. O. O. F., pay benefits on account of disability of one of its members, who is a member or inmate of the Masonic Home of Washington?

Answer.—Yes.

Question 2.—If your answer is in the affirmative, to whom shall the benefits be paid?

Answer 2.—To the brother.

Question 3.—Must the member pay dues to his Subordinate Lodge while a member of the Masonic Home?

Answer 3.—Yes.

Dec. 45.—At the annual session of our Grand Lodge the following resolution was adopted:

Resolved, That the Grand Secretary be and he is hereby authorized to correct the records of this Grand Lodge in the matter of the record of standing of Martin Garrett, of East Tacoma Lodge, No. 89, so as to show continuous good standing of Brother Garrett.

Statement.—The records of the Grand Secretary's office show that, prior to the admission of Brother Garrett to East Tacoma Lodge he was a member of Sumner Lodge and some time in 1900 he was dropped for non-payment of dues from said Sumner Lodge, through no fault of his, from the fact that he wrote the Secretary of said Lodge, who failed to send him a statement of his dues, and the first notice Brother Garrett had was that he was dropped for non-payment of dues.

Resolved, That Sumner Lodge be requested to correct the records of said Lodge so as to make the chain of membership continuous.

Question.—Does this action of the Grand Lodge cure the break in the continuity of Brother Garrett's membership; and would Brother Garrett be entitled to purchase and wear a Veteran Jewel? (If it were not for his suspension for non-payment of dues, as above noted, he would have twenty-five years' continuous membership.)

Answer.—No.

Dec. 46. Statement.—At the recent session of our Grand Lodge the following resolution was adopted:

Resolved, That the Grand Secretary is hereby authorized to correct the records of this Grand Lodge as to the standing of W. H. Hughes, of Seattle Lodge, No. 7, so as to show continuous good standing of Brother Hughes. Further,

Resolved, That Seattle Lodge, No. 7, be requested to correct the records of said Lodge so as to make the chain of membership con-

tinuous. Brother Hughes was dropped while in Alaska through failure of transmission of mail. The records of Seattle Lodge, No. 7, as well as the records of the Grand Secretary's office, show that Brother Hughes was dropped for non-payment of dues on October 16, 1894, and that he was reinstated on October 8, 1901. With the exception of this break the membership of Brother Hughes has been continuous since May 19, 1870.

Question 1.—Does this action of the Grand Lodge cure the defect in Brother Hughes' membership; and is he a Veteran Odd Fellow, entitled to procure and wear a Veteran Jewel?

Answer 1.—No.

Question 2.—Has the Grand Secretary any right to change the records in his office as directed in said resolutions?

Answer 2.—No.

Question 3.—Has the Grand Secretary a right, on this record, to procure a Veteran Jewel for Bro. W. H. Hughes?

Answer 3.—No.

GRAND SECRETARIES AND GRAND SCRIBES.

It is with great pleasure that I mention the fact that I have noticed the good work that is being done by the Grand Secretaries and Grand Scribes of the various jurisdictions to advance the interests of the Order in general. Their meetings as an association, during the sessions of The Sovereign Grand Lodge, have proven well worth the effort and expense incident thereto. The Order universal is receiving an impetus and encouragement from their meetings and the action taken by them collectively that results in harmonious and useful methods for the Order's progress.

I indulge the hope that all jurisdictions may encourage this Association by sending their Grand Secretaries and Grand Scribes as representatives thereto in future years.

THE FRATERNAL PRESS.

There is no independent work connected with our Organization that is doing greater good than the work that is done by the Fraternal Press. The publishers and editors of the various papers and magazines constituting what I style as the Fraternal Press of Odd Fellowship have been untiring in their zeal to advance the interests of our great Order throughout the world. They are unselfish, energetic, patient and thorough in all that they do to this end, and have been of great help in securing the attention to our Order that has been most beneficial in caring for its many interests.

I desire to extend to each and all of them my personal thanks for their kindly co-operation and assistance, and to urge upon the membership in general that loyal support be given to these various publications.

NECROLOGY.

The dread reaper, death, has visited our membership during the past year with severe results. Many of the leading members of the Order have been removed from our midst, and from the activity incident to their membership. Their lives and work will last in the memories of those associated with them as grand examples of our great Institution.

So many good men have been taken from us that space will not permit me to mention all, but I take this opportunity to refer to the demise of Past Grand Sire Fred Carleton, of Texas, one of the sturdy, active, energetic, substantial Odd Fellows of his day. His loss to the Order is great, and I can not find words to fully express its scope. I have heretofore referred to the Proclamation issued at the time of Brother Carleton's death.

Also, I am pained to report the death of Past Grand Sire Milton J. Durham, of Kentucky. This grand old man was an inspiration to every Odd Fellow during his entire lifetime as a member of the Order. His pure life, high purpose as a man, and his Christian character exemplified in his everyday life, are tributes to the worth and exalted position he had gained as a citizen, an Odd Fellow and a friend.

Last October I visited the city of Lexington, his home, and dedicated the new Orphans' Home, of which he was President. His address on this occasion, as President of the Home, introducing the Grand Sire, was full of tender love and sentiment connected with the institution and the Order. He will be missed in the councils of our great organization, and his place will be hard to fill. At the time of his death I issued Proclamation heretofore referred to and submitted with this report. I recommend that a committee composed of all the living Past Grand Sires be appointed to prepare suitable memorials for Past Grand Sires Carleton and Durham.

Although I do not feel permitted to report the names of all the leading members throughout the world that have died during the year I can not refrain at this time from mentioning the great loss to this Order in the death of Bro. Joseph B. King, Grand Secretary of the Grand Jurisdiction of Ontario. He was an active, earnest, zealous Odd Fellow, serving as Grand Secretary of that Jurisdiction for forty-five years. His life was pure and noble, gentle, kindly and lovable, and was admired by all who knew him. His loss to the Order universal is very great, and especially so to the Jurisdiction of Ontario which he so faithfully served.

I recommend that a special committee of the Grand Representatives of the Jurisdiction of Ontario be appointed to prepare suitable memorial to be acted upon by this Grand Lodge and printed in our Proceedings.

SPECIAL COMMITTEES.

Under instructions and authority given in Report No. 10 from the Committee on Distribution of Grand Officers' Reports, the Grand Sire appointed the following Special Committees:

On death of Past Grand Sires Durham and Carleton: Past Grand Sires Underwood, Pinkerton, Conway and Kuykendall.

On the death of the late Joseph B. King, Grand Secretary of Ontario: Representatives Derbyshire, McBride, Morrey and Meek, of Ontario.

The reports of these committees being quite lengthy, your representatives did not include them in this report, and desire to say they will appear in full in the Sovereign Grand Lodge Journal. We will state, however, the ceremonies were beautiful and impressive, the addresses given by the Past Grand Sires on the death of our "Fallen Heroes" made a lasting impression on the Sovereign Grand Lodge and will be treasured in the memory of the representatives present as long as life shall last.

CORRESPONDENCE.

My correspondence has extended to practically all the jurisdictions and countries in which the Order is established, and comprehended the several branches. Seeking a better understanding of conditions and when possible encouraging renewed or continued efforts for the Order's growth, in assuming my duties I addressed the following letter to the several executive officers—Grand Masters, Grand Patriarchs, Presidents of Rebekah Assemblies, Department Commanders, Grand Secretaries, Grand Scribes and Secretaries of Rebekah Assemblies:

Dear Brother—At the very beginning of my term as Grand Sire it is my desire to get very near the executive officers of the several Jurisdictions—Grand Masters, Grand Patriarchs, Presidents of Assemblies, Department Commanders, Grand Secretaries, Grand Scribes, etc.—and to join with them in an earnest campaign for the growth in Odd Fellowship in all its branches and everywhere; and as an introduction I address you this letter and ask you to consider it personal to yourself.

The growth of Odd Fellowship has been phenomenal, almost marvelous in fact, with practically no one year in which it has receded in membership, notwithstanding the competition of smaller and similar societies in every community. This speaks for its unequalled popularity and the practically universal approval of good men and women everywhere. What I much desire is that it shall not only continue in

popularity, usefulness and growth, but that these shall increase from this time forward as never before, and I therefore appeal to you to put forth such efforts in your Jurisdiction as will bring about this result. It is not my purpose to assume any of the prerogatives attaching to your high office and duties, but I do want you to feel that every forward step you shall take will give me the greatest possible pleasure, and that I stand ready, not only to approve, but to aid you in whatever way shall be in my power.

I will be glad to hear from you as often as it shall be your pleasure to communicate with me.

Sincerely trusting that it will be your purpose constantly to lead your Jurisdiction to greater membership and greater things,

I am most sincerely and fraternally,

JOHN B. COCKRUM, Grand Sire.

In response to this letter the Grand Sire received most favorable replies from all parts of the Jurisdiction under the Sovereign Grand Lodge. However, only those from Illinois will be included herein, as follows:

Illinois.—John H. Sikes, Grand Secretary: Illinois Odd Fellowship is in a thoroughly active condition at the present time. You doubtless recall that we led all Jurisdictions last year in net gain and hope to do the same again this year, and not only that, but we expect to land a banner or two in this Jurisdiction, if possible.

We have a new Grand Master, James Ewing Davis, of Chicago, who is taking hold of the work vigorously, and I assure you that Illinois will do its full share in pushing along Odd Fellowship in 1911.

Illinois.—Sam. J. Baker, Grand Scribe, writes: "In handing you the abstract of annual reports of Encampments of the Jurisdiction of Illinois it affords me great pleasure to note the splendid net increase of membership in our State. The reports from Illinois seem to me to contain some solution of the question of prosperity in the Patriarchal branch of our Order. We have had Grand Patriarchs whose lives were devoted to the cause, and who gave their entire attention to the details of the State work. Could the Subordinate Encampments throughout our State have had the same class of Patriarchs in the chair of Chief Patriarch, I feel sure our increase in membership would have been three times what it is. This Jurisdiction is enjoying a gratifying amount of prosperity, and I think you will find my prophecy true, when the returns are made for the year 1911, when I say we will excel any previous year in our history."

Maj.-Gen. James Henry Harris, Department Commander: Appreciating that you may deem it as an exhibition of egotism if I were to say that it has always been my purpose to advance the status of this Department, realizing that increase of membership is, in a

measure, brought about by the high standing of the Order, it will therefore be my desire to continue in the future along the same lines that I have followed in the past. With personal pride, coupled with strong feeling and regard for the present incumbent of the Grand Sire's office, that official may with reason believe that his administration will have every help that the Department Commander of Illinois can give.

Illinois.—Mary P. Miller, Secretary, writes: "The summary of Rebekah Lodges in Illinois for the 12 months ending December 31, 1910, shows the membership of this branch of the Order to be 47,057. To be able to report this gives us much pleasure, and is an inspiration to greater achievements. We are not contented nor satisfied. Large membership, however, avails us nothing unless the true spirit of fraternal love pervades this great body from center to circumference, and impels the sisterhood to demonstrate its teachings by an every-day, individual practical work, and this is quite apparent to the guest who visits our Orphans' Home at Lincoln, where we point with pride to the Domestic Science Memorial Building, and the beautiful chapel nicely furnished with an organ and comfortable seats at our Old Folks' Home. The appropriations for both these buildings were donated by the Rebekahs of Illinois. Many new Lodges have been instituted during the year. Our President, Dora L. North, and the other officers are alert to the advancement and progression of the Order, and much interest and enthusiasm is manifested in the work throughout the State."

Whereas, There has been expressed in many jurisdictions a desire for a new funeral ceremony in harmony with the teachings, growth and progress of our Order; therefore, be it

Resolved, That a special committee of three be appointed by the Grand Sire to re-write and issue a new funeral ceremony, and report thereon at the next session.

Res. No. 43—

Reps. Birdseye, Starr, Lum and Lee, of Washington, moved the following, which was referred to the Committee on Legislation and adopted.

Resolved, That the Grand Lodges and Grand Encampments may provide, by appropriate legislation, that under their respective jurisdiction any member of this Order who is now or who may become an inmate of any Home maintained by any Fraternal Body for the aged and indigent of its members, and under whose laws, rules and regulations, or under the laws of the State, Territory or Province in which said Home is located, the inmate would not be permitted to receive stated sums as benefits from our Order, and the Home would be prohibited from accepting any compensation for the keeping or support of its inmates, shall thereby relinquish all claim for weekly benefits from such member's Lodge and Encampment during the time he shall continue to be an inmate of such Home.

Resolved, further, That during the time or times that any Lodge or Encampment shall be freed from the liability to pay weekly benefits to any of the members by reason of their being inmates of such Home, no weekly dues shall accrue against any such member, but he shall remain in good standing without the payment of any dues; provided, he shall have been in good standing and beneficial at the time of his admission as an inmate of such Home; be it further

Resolved, That Grand Lodges and Grand Encampments are authorized to legislate to permit Subordinates to communicate, or cause to be communicated, the passwords to members who are inmates of such Homes.

Res. No. 68—

Rep. Sebastian, of Texas, moved the following, which was referred to the Committee on Legislation and adopted.

Resolved, That smoking shall be strictly prohibited in all Lodge rooms of the Order while the Lodge is in session.

Patriarchs Militant Branch.

The condition of the Patriarchs Militant branch of the Order, and the laws relating to its management, have given me no little concern during the past year. The question of its future conduct is one to which I desire to especially direct the attention of the Representatives.

Careful, painstaking and full consideration should be given to the needs of this branch of loyal brothers who so unselfishly devote themselves to our work, and the laws for their government should be fraternal, kindly and fair to their interests.

The Grand Sire, by law, is the Commander-in-Chief, and the law provides for the election of a General Commanding whose term of office shall be four years, while that of the Grand Sire is but two years. The General Commanding is elected during the middle of a term of Grand Sire. It will, therefore, be observed that the term of office of the General Commanding, to which he is elected, in part, extends over the administration of three Grand Sires.

This is the only branch of the Order having a distinctive head in any way. There is no more reason why the Patriarchs Militant should have a separate official as its Commanding General, than that the Encampment or Rebekah branches should have their separate executive heads. There should be but one head to the Order, and that should be filled by the Grand Sire.

I do not make these observations from any personal reason, but I believe the good of the Order, and the future welfare of the Patriarchs Militant branch, require that your attention be called to these facts, and I submit that some change with relation to the office of General Commanding should be made. And, I recommend that the office of General Commanding, as an elective office of The Sovereign Grand Lodge, be abolished, and established as an appointive office of the Grand Sire, and that each Grand Sire be authorized at the beginning of his term to appoint a General Commanding to serve during his term as Grand Sire, and if vacancies occur in the said office, for any reason, that the Grand Sire be authorized to fill the same. Also that the Grand Sire be clothed with authority to remove the General Commanding for cause at any time.

In the following will be found the report of the special committee to whom had been referred the recommendation of the Grand Sire as above set forth. The report of the committee was adopted and the office of General Commanding was made appointive, whereupon the Grand Sire appointed Gen. A. R. Stocker of Ohio as General Commanding, Patriarchs Militant, for one year.

Report No. 44. By Rep. Dockery, of Missouri, from the Special Committee on Report of the Grand Sire.

To The Sovereign Grand Lodge, Independent Order of Odd Fellows:

The special committee to whom was referred that part of the report of the Grand Sire referring to the "Patriarchs Militant Branch," found on pages 36 and 37, have carefully considered the same and beg leave to submit the following resolution and recommend its adoption:

Resolved, That Section 6, Patriarchs Militant Code, be repealed and the following new section enacted in lieu thereof, to be known as Section 6:

Section 6. The Grand Sire of The Sovereign Grand Lodge, I. O. O. F., shall be ex-officio Commander-in-Chief of the Patriarchs Militant, and the Grand Secretary of The Sovereign Grand Lodge shall be the Adjutant-General. The active command of the Patriarchs Militant shall be vested in an officer with the rank of General, who shall be appointed by the Grand Sire, subject to the approval of The Sovereign Grand Lodge, and who shall hold his office for a term of two years, or until his successor is appointed and qualified; provided, the officer first appointed after the enactment of this law shall serve only until the session of The Sovereign Grand Lodge in 1912. The Grand Sire shall have the power to remove such officer at any time for cause and appoint a successor, who shall serve until the next session of The Sovereign Grand Lodge. He shall receive as compensation for his ser-

vices and expenses such sum as The Sovereign Grand Lodge shall determine at each annual session.

Report No. 53.—By Rep. Henshaw, of Indian Territory, from the Committee on Legislation. Same was adopted.

To The Sovereign Grand Lodge, Independent Order of Odd Fellows:

Your Committee on Legislation, to whom were referred Resolution No. 17 and Resolution No. 42, both pertaining to the same subject, have duly considered the same and recommend the adoption of the following:

Whereas, It is the aim and purpose of our beloved Order to faithfully provide for all of its members and to perform with fidelity every obligation to every member; and

Whereas, In the instance of a Lodge being defunct, no provision is made for the member who, because of age or infirmity, cannot gain admission into another Lodge, and therefore, it may happen, and does happen, that brothers who have devoted their time and means for many years to the upbuilding of the Order are left without the protection of Odd Fellowship at a period of life when they are in greatest need, and furthermore this condition may come about through no fault of the brother, who may live far removed from his Lodge at the time it becomes defunct and who may have been at all times faithful and prompt in payment of dues and the performance of all other duties of the true Odd Fellow; and

Whereas, It is a breach of Fidelity and a reproach to the Order, to so neglect to provide for a worthy brother and to fail in its part of the contract made with such brother; Therefore, be it

Resolved, That The Sovereign Grand Lodge hereby permits and authorizes Grand Lodges to enact legislation so as to make provision for brothers of defunct Lodges who have been members of this Order for not less than twenty-five years, by the transfer of membership of such brothers to any other Lodge of the Jurisdiction; and, provided further, that the Grand Lodge may reimburse such Lodges for the amount of sick, funeral or death benefits paid to such members in excess of the amount of dues collected from them by such Lodge.

Resolved, That all laws in conflict with this authority so granted to Grand Lodges be, and the same are hereby repealed.

Signed by the Committee.

Report No. 91. By Rep. Cushman, of Florida, from the Committee on Legislation. Same was adopted.

To The Sovereign Grand Lodge, Independent Order of Odd Fellows:

Your Committee on Legislation, to whom was referred Resolution No. 18, page 55, Daily Journal, beg leave to report that they have carefully considered same and beg to submit the following amendment to the Transfer Law and recommend its adoption:

Resolved, That the Transfer Law be amended by adding the following proviso: "That the foregoing shall not extend to or affect the Quasi-Independent Grand Jurisdictions," said Transfer Law, as amended to read as follows:

"That a member of the Order in possession of an Official Certificate or Visiting Card changing his residence from the Territorial Jurisdiction of his Lodge or Encampment to the Territorial Jurisdiction of another, and desiring to unite with a Lodge or Encampment at his new place of residence, upon making application for membership, accompanied by his Official Certificate or Visiting Card, showing his dues paid in advance, and being elected as provided by local law, upon notice being sent by the Secretary or Scribe, to his Lodge or Encampment, said Lodge or Encampment shall, unless charges are pending against him, without ballot and without fee, issue a Transfer Certificate and send the same at once to the Secretary or Scribe sending for the same; and upon the receipt of the Transfer Certificate, the member shall be entitled to sign the Constitution and become a member of the new Lodge or Encampment without the payment of any admission fee: Provided, That if a physician's certificate is required he must pay the expenses of same. The issuing of a Transfer Certificate shall sever membership in the Lodge or Encampment issuing it; provided that if the member becomes sick or disabled, or should die within four weeks of its date and before completing his membership by signing the Constitution of his new Lodge or Encampment, then said Transfer Certificate shall be canceled and said member shall retain his beneficial standing in his old Lodge or Encampment, the same as though no Transfer Certificate had been issued: Provided, further, That a brother desiring to receive advantage of the preceding proviso must pay his dues four weeks in advance of the date of his Transfer Certificate: Provided, That the foregoing shall not extend to or affect the Quasi-Independent Grand Jurisdictions."

Signed by the Committee.

Report No. 97. By Rep. Talbot, of Manitoba, from the Committee on Legislation. Adopted.

To The Sovereign Grand Lodge, Independent Order of Odd Fellows:

Your Committee on Legislation, to whom was referred Resolution No. 36, by Representative May, of Alberta, asking that the laws

relating to the issuance and granting of Withdrawal Cards to members of Subordinate Lodges and Encampments be amended by the following provisions, viz.:

That in all cases where a member shall apply for his Withdrawal Card for the purpose of becoming an applicant for the institution of a new Lodge or Encampment, he may pay in advance a quarter year's dues at the time of his application. Upon such card being granted and issued, if such member shall become sick or disabled, or should die within the period for which such advanced dues are paid and before completing his membership in the new Lodge or Encampment, said card shall be canceled, and said member shall be entitled to all sick and death benefits from his old Lodge or Encampment, the same as if no card had been issued.

Resolved, That the foregoing be adopted.

Signed by the Committee.

MATTERS OF INTEREST.

Strong pressure is being made to have the Sovereign Grand Lodge enact legislation granting to subordinate lodges the privilege of accepting for membership persons under 21 years of age. A resolution was offered to fix the age limit at 18 years, but after a heated debate this was voted down by a good majority. Another resolution, however, was offered amending Sec. two (2) of Art. 16 of the Constitution of the Sovereign Grand Lodge reducing the age limit to twenty years. This was laid over under the rules until next year.

A new official receipt and certificate for dues was adopted that does not require the signature of the Noble Grand and Chief Patriarch. This receipt is to be used at all times and is to be signed by the Secretary of the Lodge or the Scribe of the Encampment. It has a cipher key on the back and arrangements of dates on the lower edge to be punched showing the time of expiration.

The proposed merger of the Patriarchs Militant with the Encampment branch of the Order met with defeat. The committee appointed one year ago to consider the subject asked to be continued another year, but their request was refused.

The national tuberculosis sanitarium or sanitariums, as proposed, was disposed of by the adoption of a resolution which authorizes Grand Bodies to take such action as shall permit subordinates to have members afflicted with tuberculosis placed in sanitariums that may have been established within or without the state or province, either under the direction of the Order or not. This resolution merely legalizes such placing of tuberculosis patients without prejudice, expressed or implied, to other rights which the several state and subordinate bodies already possessed.

Sovereign Grand Lodge voted 135 to 42 prohibiting smoking in Odd Fellows' Lodge rooms during lodge sessions.

Past Grand Master's, Past Grand Patriarch's and Past Grand Representative's jewels, as well as Veteran and Honorable Veteran Jewels, may now be worn in lieu of regalia when not in official station, according to the mandates of the last session of the Sovereign Grand Lodge.

The Rebekah Veteran Jewel was ordered so constructed that hereafter the numerals 15 can be changed each five years to show approximately the period of the wearer's membership.

A lapel button was ordered, to be worn in lieu of a Veteran Jewel, at the wearer's option, said button to be made not to exceed three-fourths of an inch in diameter and furnished by the Sovereign Grand Lodge.

NEXT PLACE OF MEETING.

The hour having arrived for determining the next place of meeting, Representative Talbot, of Manitoba, extended a very cordial invitation to the Sovereign Grand Lodge to meet in the city of Winnipeg in 1912. His invitation was strengthened by resolution passed in the Grand Lodge, Grand Encampment and Rebekah Assembly of Manitoba; furthermore, the city of Winnipeg through its executive, the Mayor, sent a special invitation to the Grand Lodge. Many bright and brilliant propositions were put forth to captivate the Grand Lodge for 1912.

Representative Hohenstein, of Minnesota, in a splendid speech, invited the Grand Lodge to meet in Berlin, Germany, in 1912. Brother Hohenstein made several good points in his argument, why we should meet abroad, and the time may come when the experiment will be tried. The Grand Lodge proceeded to vote on the two places mentioned, the result of which gave Winnipeg a large majority.

The Sovereign Grand Lodge will meet in the city of Winnipeg in 1912.

ENTERTAINMENT.

In the foregoing will be found—in a condensed form—the main features, as they relate to our jurisdiction, of the business transacted at this session of the Sovereign Grand Lodge. In compiling this report we decided to make it as short as practicable. We trust our action will meet with your approval, as a complete report will soon be published by our Grand Secretary, Brother John B. Goodwin.

It would not be proper in closing this report did we not mention some features in the way of entertainment extended by the Odd Fellows of Indiana. Ideally located for the entertainment of large crowds, Indianapolis splendidly upheld its reputation as a city capable of caring for any crowds that might invade its limits.

From the time the advance guards arrived in the city the Saturday prior to the sessions proper until the last visiting three-linker had gathered up his belongings and departed there was something doing every minute. There was entertainment every minute for every one, and then some.

Indianapolis is almost the exact center of population in the United States and is one of the greatest railroad centers in the world. It also boasts the finest I. O. O. F. building in the world and in both the city is a top notcher.

Another unique feature of the city is the imposing soldiers' and sailors' monument standing in a circle in the center of the business part of the city, costing a half million dollars, pouring forth on two of its sides torrents of water to delight and please the eye.

Led by that big hearted, wholesouled Odd Fellow, Grand Secretary William H. Leedy, the event was a memorable one in the history of the Order and will mark an epoch in the history of three-link affairs.

EXCURSION TO THE HOME.

A free excursion on Saturday afternoon was given the representatives and ladies to visit the Indiana I. O. O. F. Orphans' Home, located at Greensburg, about 50 miles east of Indianapolis on the Big Four Railroad. Up to the time of the departure of our train, Brother Leedy had distributed more than 400 round trip tickets, assuring us that the train was free and wholly at our service. Sister Mary Smith Lewis, Superintendent of the Orphans' Home, assisted by the board of directors, met the visitors at the main entrance of the Home and conducted them to the long array of tables loaded with the good things of Earth. After luncheon we were shown about the buildings and grounds. Much praise was given the Odd Fellows of Indiana for their splendid Home.

HEAR SPECIAL SERMON.

Several hundred members of the Order attended services at St. Paul's Episcopal Church at 10:30 o'clock Sunday morning, where the Rev. Lewis Brown, rector, preached a special sermon on the organization of lodges for the furtherance of brotherly love. He said brotherhood is the distinctive mark of civilization, and that its adjustment is the distinctive mark of modern civilization. He praised the benevolence carried on by the Odd Fellows and lauded the principles of Odd Fellowship.

PUBLIC WELCOME.

A public welcome was given the representatives to the Sovereign Grand Lodge at 9 o'clock Monday morning in the beautiful Masonic Temple. Hon. U. Z. Wiley, P. G. M., P. G. Rep., acted as chairman. Addresses were given by Hon. Judge Adams on the part of the State, and Hon. C. W. Fairbanks on the part of the Order, responded to by the Grand Sire, Hon. John B. Cockrum.

BANQUET.

An affair memorable in Odd Fellowship was held Monday night at the Claypool Hotel, where an elaborate banquet was served and many eloquent speeches in praise of the Order were made.

Past Grand Sire W. L. Kuykendall, of Wyoming, introduced Grand Representative F. C. Goudy, of Colorado, as toastmaster, and he presented the speakers in a happy manner. John B. Cockrum, Grand Sire, and C. A. Keller, Deputy Grand Sire, were the guests of honor. Nearly six hundred banqueters were present and they joined heartily in the chorus with Miss Ruth Leedy, of Indianapolis, in singing the song by Miss Mamie Stewart, of the National Rebekah, entitled "Toiling for the Cause We Love."

One of the vigorous addresses of the evening was made by Grand Representative A. M. Dockery, former Governor of Missouri, who praised famous Hoosiers who have been prominent in Odd Fellowship

and the Nation's affairs. Gov. Dockery said that Odd Fellowship was one of the great Christian influences, but he discouraged the idea that any one should think that the Order should take the place of the church. He said he had held many offices, but the one which had made him the proudest was his presidency of the Odd Fellows' Orphans Home Board.

Other addresses were made by Grand Representative W. W. Milan, Washington, D. C.; Grand Representative B. J. Hubbard, of Texas; Miss Mamie Stewart, of Kansas City, and others.

THE PARADE.

The greatest event of the week was the parade on Wednesday night. The weather was perfect for such an affair and the thousands of people who packed the line of march were greatly pleased. It was estimated that fully eighteen thousand men and women were in the parade. It was given up to be the best fraternal demonstration of the kind ever given in Indianapolis. There were sixty-one bands and a drum corps; it took two hours and twenty minutes for it to pass a given point. There were seventeen thousand torches and lanterns and more than one hundred automobiles bearing visitors from all parts of the United States and Canada. The fire works, the torches and the Japanese lanterns carried by the thousands of men walking four abreast presented a brilliant spectacle. A fine display of fire works was given from the top of the Odd Fellows' building.

Special mention should be made here of the visit of our boys and girls—comprising the Orphans' Home band—on this occasion. They rendered several beautiful selections on Wednesday afternoon in University Square, after the exercises connected with the decoration program of the Colfax Monument by the Rebekahs of our Order. They were enthusiastically received on this occasion, as were they also during the evening in the great parade, where they held their position during the entire line of march, accompanied by Brother and Sister Lucas, Superintendent and Matron of our Orphans' Home at Lincoln. The band boys and girls appreciated this act of kindness on the part of Illinois Odd Fellowship by displaying their superior training and their fine traits of character while among strangers.

PRIZES OFFERED.

A very liberal offer of prizes was made to lodges in competing for honors in conferring the degrees and much interest was taken by degree staffs in the contest. The work was excellent in every particular. Illinois was a strong competitor for first prizes, but while we were not successful in taking first money we came in for high honors in second place. Lodges entering from Illinois were as follows:

Columbia Lodge No. 21, Peoria, received third prize in the Initiatory.

Manufacturers' Lodge No. 485, Moline, received second prize in the Second Degree.

Cook County Rebekah Lodge No. 90, Chicago, received third prize for their work in the Rebekah Degree.

Much praise and credit is due the members of the different degree staffs from Illinois for their earnest efforts and untiring zeal in promoting the Ritualistic work of our order.

CONCLUSION.

In concluding this report we desire to express our appreciation to you as your representatives to the Sovereign Grand Lodge. We trust you will overlook any shortcoming on our part and bear with us in our weak endeavor to serve you. It is a great honor to represent the Jurisdiction of Illinois with its almost "One Hundred Thousand Members" in the Subordinate Lodges, thirteen thousand Patriarchs and fifty thousand Rebekahs. Our jurisdiction ranks third in point of membership, while with the interest and enthusiasm in our Subordinate Lodges, Encampments and Rebekah Lodges we rank second to none. Assuring you of our great desire to promote the welfare of the order in assisting the Grand Master and Grand Patriarch in the discharge of their duties we beg to submit this report.

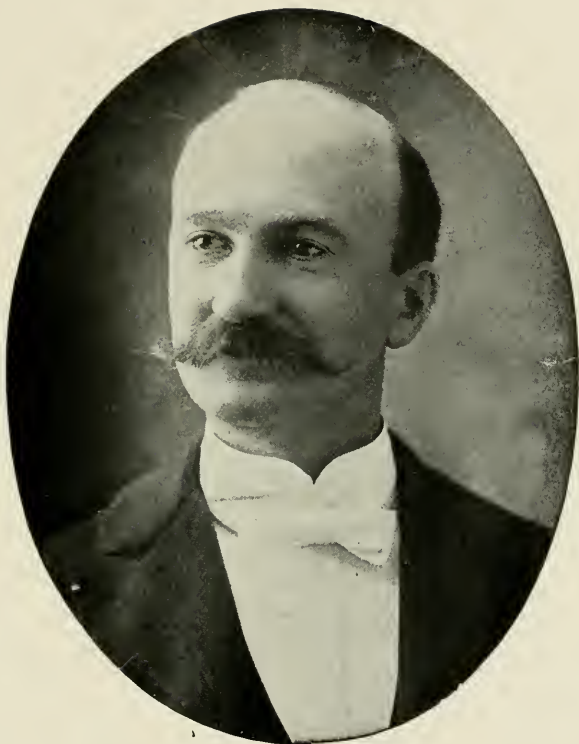

Fraternally yours,

W M Groves
E. R. Saylor.

The Committee on Legislation presented reports as follows, which were laid on the table, under the rule.

DOCUMENT NO. 6.

First report, by Bro. J. J. Crowder, of No. 21.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee on Legislation would respectfully report as follows, concerning the recommendation of the Grand Master (page 136), that an amendment be prepared to the Subordinate Lodge Constitution to provide a method of procedure when charges are preferred against both the Noble Grand and Vice Grand, and recommend the adoption of the following, to be known as Section 5½ of Article VII, of the Constitution for Subordinate Lodges:

CHARGES, PROCEDURE ON. Sec. 5½. When complaint shall be made, or charges shall be preferred, against the Noble Grand of a Subordinate Lodge, the Vice Grand shall perform all the duties of the Noble Grand with reference to the investigation and trial of such complaint and charges. In case complaint shall be made, or charges preferred, against both the Noble Grand and the Vice Grand, such duties shall be performed by the Junior Past Grand.

GEO. W. YOUNG,	O. H. RICHARDS,
J. J. CROWDER,	F. H. KREUTER,
OSCAR H. WYLIE,	F. O. NELSON,

WALTER H. BENNETT,	J. Q. A. LEBBETTER.
	Committee.

Considered and adopted Wednesday morning.

DOCUMENT NO. 7.

Second report, by Bro. J. J. Crowder, of No. 21.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee on Legislation would respectfully report as follows, concerning the recommendation of the Grand Master authorizing the Grand Master to appoint a temporary Grand Secretary for special sessions of the Grand Lodge (page 136):

Your Committee is of the opinion that this Grand Lodge is without jurisdiction in this matter, as the laws of the Sovereign Grand Lodge provide the rules and regulations under which special sessions

of a Grand Lodge may be held, and one of these rules is that the Grand Secretary must attend. (See Clause 498, p. 58, Merrills' Code).

Your Committee would suggest, however, that the appointment of a Deputy Grand Secretary, who is a member of the Grand Lodge, would meet the recommendation of the Grand Master.

Signed by the Committee.

Considered Wednesday morning and failed of adoption.
Reconsidered Wednesday afternoon, amended by striking out the last paragraph, and adopted as amended.

DOCUMENT NO. 8.

Third report, by Bro. Oscar H. Wylie, of No. 418.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee on Legislation would respectfully report as follows, in regard to the action taken by the Sovereign Grand Lodge at its last session relative to withdrawal cards, as shown in the Grand Master's Report, page 136. We recommend that the Subordinate Lodge Constitution be amended by adding a new section to Article IX of said Constitution, to be designated as Section 3A, which shall read:

WITHDRAWAL CARDS. Sec. 3A. In all cases where a member shall apply for his withdrawal card for the purpose of becoming an applicant for the institution of a new Lodge, he may pay in advance a quarter year's dues at the time of his application. Upon such card being granted and issued, if such member shall become sick or disabled or should die within the period for which such advance dues are paid, and before completing his membership in the new Lodge, said card shall be cancelled, and said member shall be entitled to all sick benefits from his old Lodge, the same as if no card had been issued.

Your Committee recommends that such proposed amendment be adopted.

Signed by the Committee.

Considered and adopted Wednesday morning.

DOCUMENT NO. 9.

Fourth report, by Bro. Oscar H. Wylie, of No. 418.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee on Legislation would respectfully report as follows: For the purpose of furnishing the Grand Master with full and complete information as to matter set forth in the By-Laws of the

respective Subordinate Lodges, so as to enable him to immediately act upon questions submitted with reference to the same, that a new section is recommended to be added to Article XII of the Subordinate Lodge Constitution, to be designated as Section 4 of said Article XII, to read as follows:

BY-LAWS. Sec. 4. "Every Subordinate Lodge shall file a copy of its By-Laws with the Grand Master between November 1st and January 1st of each year, and any and all amendments made thereto after that time shall also be immediately furnished the Grand Master."

Your Committee recommends that such proposed amendment be adopted.

Signed by the Committee.

Considered and adopted Wednesday morning.

DOCUMENT NO. 10.

Fifth report, by Bro. Oscar H. Wylie, of No. 418.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

We recommend the adoption of the following, to be known as Section 12 of Article II of the Grand Lodge By-Laws.

"The Grand Secretary shall, immediately after the close of each Grand Lodge session, prepare a summary of all legislation which was enacted at the last session of the Grand Lodge, and also the legislation which was enacted at the last session of the Sovereign Grand Lodge, together with all the approved decisions of the Grand Sire and the Grand Master, and all resolutions of the Grand Lodge relative to new laws, and have the same published in a separate part of the Grand Lodge Journal in consecutive order,"

"That a brother cannot be installed into and hold, at the same time, more than one of the offices in a Sunbordinate Lodge provided for in the Ritual and General Law."

Your Committee reports that this subject is fully covered by the General Law. (See Sec. 1114, page 127, Merrills' Code), and we therefore ask to be relieved of further consideration of the above named subject.

Signed by the Committee.

Considered and adopted Wednesday afternoon.

DOCUMENT NO. 23.

Eighteenth report, by Bro. Walter H. Bennett, of No. 357.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee on Legislation would respectfully report as follows:

Having carefully considered that part of the Grand Master's Report on page 137, with reference to electing and initiating the same night, we recommend that Section 5 of Article II of the Subordinate Lodge Constitution be amended by striking out of said section the words "Except by dispensation of the Lodge Deputy Grand Master." Nineteenth report, by Bro. Geo. W. Young, of No. 392.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee on Legislation would respectfully report as follows:

Upon the subject presented by the Grand Master increasing the Lodge dues from 7c per week to 10c per week, your Committee are of the opinion that this is a question that should be left to the discretion and judgment of the Subordinate Lodges.

That from the earliest history of the Order in this State the dues have been established and fixed at the rate of 7c per week. This being the minimum rate, any Lodge desiring to increase their dues to such an amount as in their judgment may be necessary for the proper conduct of the business of an Odd Fellows' Lodge, have the perfect right to do so.

Your Committee is therefore of the opinion that there is no good reason existing at present to arbitrarily increase the minimum rate of dues of the Subordinate Lodges. We therefore respectfully ask to be hence discharged from the further consideration of the subject.

Signed by the Committee.

Considered and adopted Wednesday afternoon.

Your Committee on Legislation would respectfully report as follows:

In accordance with the recent legislation of the Sovereign Grand Lodge and the recommendation of our Grand Master, your Committee on Legislation beg leave to submit an amendment to the Subordinate Lodge Constitution entitled "Contingent Fund."

Sec. 7. "The Lodge may, by its By-Laws, set aside an amount not exceeding 5 per cent of its income from all sources as a Contingent Fund, to be used and expended for entertainments and in payment of necessary and proper obligations which the Lodge must meet and for which purpose the Lodge, under existing laws, cannot expend its general funds."

Your Committee on Legislation would respectfully report as follows, on subdivision No. 11 of the recommendations of the Grand Master, found on page 27, with reference to qualifications of Lodge Deputy:

DOCUMENT NO. 27.

Twenty-second report, by Bro. Geo. W. Young, of No. 392.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee on Legislation would respectfully report as follows, upon the subject referred to this Committee by the Grand Master

on pages 29-31 and 146. entitled, Dropped Members, Causes, Effect. Remedy:

Your Committee on Legislation would most respectfully report that they have had this subject under mature and deliberate consideration, and we find that it involves so many intricate and scientific questions relative to the scale of dues and assessments established by the different Subordinate Lodges, and the sick benefits, funeral expenses, and expenses incidental to the proper conduct of the business of the Lodge, and the many other and various considerations incident to procuring and maintaining membership in our Subordinate Lodges, that your committee have not had the time to properly consider and formulate conclusions that would be satisfactory not only to the Grand Lodge, but to the members of the Committee themselves. We therefore request that this subject be referred to a committee of three to be appointed by the incoming Grand Master, to be reported upon at the next session of this Grand Lodge.

Signed by the Committee.

Considered and adopted Wednesday afternoon.

Your Committee on Legislation would respectfully report as follows, as to all that part of the Grand Master's Report entitled, "What shall we do for twenty-five year members without a Lodge?" found on page 143:

Your Committee feels that this subject is one of too much importance to be treated in the hurried manner incident to the usual dispatch of business during the session, and we would recommend that the subject matter be referred to a Special Committee to be appointed by the incoming Grand Master, with instructions to said committee to consider the question and report such suggestions as to them may appear to be for the best interests of the Fraternity.

Twenty-sixth report, by Bro. John Sandberg, of No. 261.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee on Legislation would respectfully report as follows, on the Grand Master's Report, found on pages 143 and 144, in regard to Section 8, Article X, of the Subordinate Lodge Constitution:

Your Committee is of the opinion that our present Constitution covers this point very clearly, and we cannot see why Lodges should misconstrue said section and include funeral benefits, as it only mentions weekly benefits. Furthermore, our laws provide that in case of the death of a brother, the Lodge must bury him as long as his name remains on his Lodge Roster. Therefore, your Committee begs to be relieved from further consideration of the subject.

Signed by the Committee.

Considered and adopted Wednesday afternoon.

And it is by virtue of the Board of Trustees which are elected annually, that each Subordinate Lodge in this State has a legal existence, that is recognized not only by the laws of the Order, but by the statute laws and the courts of the State.

Therefore, your Committee is of the opinion that no further legislation or recommendations coming from this Committee would be any more than advisory in their character. We therefore ask to be hence discharged from further consideration of this subject.

Grand Master appoint a committee of five to devise plans, ways and means whereby such brothers of this jurisdiction could be taken care of when afflicted with this dreadful disease. DOCUMENT NO. 44.

Thirty-ninth report, by Bro. Geo. W. Young, of No. 392.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee on Legislation would respectfully report as follows:

On page 87, in the Grand Master's Report, appears the following resolution that was passed at the last session of the Sovereign Grand Lodge:

"Resolved, That a special committee of three be appointed by the Grand Sire, to consider the advisability of adopting badges, or other designation of rank, as a substitute for regalia in our several branches, and report at the next session of the Grand Lodge with such recommendations as they may see fit." To which our Grand Master adds:

"I request that the Grand Lodge instruct its Grand Representatives upon this proposition."

Your Committee on Legislation beg leave to report that they have had this subject under consideration, and said Committee are decidedly of the opinion that the emblematic collar which was adopted and used by the fathers and founders of the Order nearly 100 years ago has sacred memories clustering around its history. It is the emblem of our Order, and its significance is world-wide and universally understood. Types and symbols have been connected with the history and teachings of our Order from the time it first came into existence as an organization. When we look upon the genial face of Thomas Wildey, the father and founder of the Order in America, we see encircled around his neck the emblematic collar, and, in tracing the history of the Order through all the years, we find that the collar has always been identified with its beauty, its simplicity and its progress, and has been an inspiration to thousands who looked upon the wearers of this emblem as among the great benefactors of mankind, and as representatives of one of the greatest and progressive fraternal orders of modern times.

The language taught by the symbols in the third degree conveys the beautiful teachings of our Order, and with all the changes and revisions of our ritual they have never been improved upon or discarded.

The emblematic collar as worn by the fathers and founders of our Order and as worn by its present membership throughout the world, is now and always has been, and always will be, an inspiration to the members of the Order, and to those who are not actively affiliated with the Order. It is symbolic of the highest type of manhood and Christian citizenship wherever the Independent Order of Odd Fellows is established among the civilized nations of the world; and our Representatives to the Sovereign Grand Lodge are instructed to vote and work, that the collar, that is recognized as the standard regalia of the Order, BE RETAINED.

DOCUMENT NO. 53.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

WHEREAS, The Grand Jurisdiction of Illinois is now the third largest in the world, and for a number of years past has led all others in point of interest, growth and enthusiasm, as well as in the influence of its distinguished representatives at the Sovereign Grand Lodge,, so that it seems certain that in a decade it will have the distinguished honor of being the LARGEST in the world; and

WHEREAS, At the present time the Grand Lodge of Illinois has not a suitable building to protect its valuable records now in the Grand Secretary's Office, and neither has a suitable building in which to hold its annual sessions, but is compelled to use inconvenient and undesirable makeshifts; and

WHEREAS, Many other orders and jurisdictions of lesser membership than ours have erected temples commensurate with their necessities and dignity, there seems to be no good reason why the great jurisdiction of Illinois should not now, in its day of rapidly increasing membership and wealth, emulate their commendable examples by, at least, taking some steps towards laying plans for the future building of a temple suitable to our necessities; and

WHEREAS, This could be easily accomplished, without financial strain, by the simple co-operation of all members, in small amounts, divided among so large a membership and spread over a series of years, the nucleus of a sinking fund could be established which would ultimately insure the building of a temple in which all Odd Fellows would have pride; therefore, be it

Resolved, That the incoming Grand Master appoint a Committee of Seven, whose duty it shall be to investigate the feasibility of building a temple for the use and ownership of the Grand Lodge. I. O. O. F. of the State of Illinois, said temple to be of a sufficient capacity, with its accessories, to house the office of the Grand Secretary and the annual sessions of the Grand Lodge and the Rebekah Assembly.

Resolved, That the Committee incur no expense and assume no liability for which the Grand Lodge shall be liable in their investigation, and that their duties shall be performed free of all charge, and that they report their findings, with any suggestions they may see fit to make regarding it, at the next annual session.

F., a cordial invitation to hold its meeting for 1913 in the City of Chicago, it being understood that the expense to this Grand Lodge shall not exceed the amount contributed by it toward the payment of the expenses of the session of 1896, held in the City of Springfield

Consent was granted, and the resolution was adopted by a unanimous vote.

The Committee on Printing presented the following report, which was laid on the table, under the rule.

DOCUMENT NO. 56.

First report, by Bro. Chas. McIntosh, of No. 403.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee on Printing would respectfully report as follows:

For printing the Grand Lodge Journal, the Officers' Reports, the Daily Journal, the Report of the Proceedings of the Committee on Judiciary and Appeals, and the stationery and supplies needed by the various officers of the Grand Lodge, we received bids from E. F. Hartmann & Co., Illinois State Register, Jefferson Printing Co., and Phillips Brothers—all of Springfield. We solicited bids from firms outside of Springfield but received none. The bids from the various firms were as follows:

Printing the Grand Lodge Journal:

Firm.	Price per Page.	Allowance for Pick-up.	Changes.
Hartmann	\$3.30	\$0.60	\$0.90
Register	3.15	.57	.79
Jefferson	3.25	.60	1.00
Phillips Bros	3.05	.60	.75

For printing the Grand Officers' Reports:

Firm.	Price per Page.	Allowance for Pick-up.	Changes.
Hartmann	\$2.25	\$0.60	\$0.90
Register	1.95	.47	.79
Jefferson	2.00	.55	1.00
Phillips Bros.	1.90	.45	.75

The contract was awarded to Phillips Brothers.

For printing the Daily Journal:

Name.	Price per Page.	Changes
Hartmann	\$3.25	\$0.90
Register	3.10	.79
Jefferson	3.25	1.00
Phillips Bros.	3.00	.75

The contract was awarded to Phillips Brothers.

For printing the Reports of the Committee on Judiciary and Appeals:

Name.	Price per Page.	Changes.
Hartmann	\$2.00	\$0.25
Register	1.80	.27
Jefferson	2.10	.35
Phillips Bros.	1.75	.25

The contract was awarded to Phillips Brothers.

By taking the average of the bids for furnishing stationery and printing circulars and blanks required by the Grand Lodge, it was found that Phillips Brothers' was the lowest, and the contract for stationery and supplies was awarded to that firm.

Respectfully submitted.

First report of the Committee on Home Libraries.

1918 Congress St., Chicago, Ill.,

Oct. 25, 1911.

HON. JAMES EWING DAVIS, *Grand Master, I. O. O. F., of Illinois:*

Dear Sir and Brother—The Committee on Home Libraries visited the Orphans' Home and looked over the books and cases there, and interviewed several of the Lodges which donated them, and obtained their consent to dispose of such as are not desirable or of use to the members of the Homes. We, thereupon, tried to get bids from dealers to sell such books as are not wanted; but, not having a list of them and their conditions, we, your committee, make the following recommendations:

First—That some member or members of the Homes be requested to make a complete list of the books on hand, and such as are not wanted.

Second—That all books not used or not desirable to keep be boxed and sent to Chicago, where they can be seen in dealers in second-hand books and bids invited from them to take them off our hands in exchange for books that are desired by the members of the Homes.

Third—A list of desired books be made that are wanted by the members of the Homes, and such list be obtained in exchange, so far as possible, from the dealer offering the best inducement.

Fourth—That the cases at the Homes not in keeping with the surroundings be disposed of, and the money derived therefrom be used to purchase lumber and hardware, and that the manual training department of the Orphans' Home be required to make sectional cases, such as are desired at each of the Homes, and as may be specified by the superintendents thereof.

Respectfully and fraternally,

DOCUMENT NO. 69.

The Independent Order of Odd Fellows stands for the Universal Brotherhood of Man. This great truth is the foundation stone upon which it has built its mighty structure during the past one hundred years, until today it binds together with its mystic ties more than a million men of different nationalities, each hailing the other as "Brother."

Our Order beholds with a peculiar pleasure the spread of this great doctrine among the different nations of the earth, believing, as we do, that the time is coming when one law will bind all nations, tongues and creeds, and that law will be the law of Universal Brotherhood.

We hail with ardent joy and approval the efforts now being made between the great nations of the earth to enter into peace treaties by means of which great national difficulties will be settled by arbitration and not by war.

It is not fitting that "Brothers" should face each other to fight. Odd Fellowship believes in Peace and in settling all disputed questions by peaceful methods.

Therefore, Be it *Resolved*, by the Grand Lodge of the State of Illinois of the Independent Order of Odd Fellows, in its Annual Session assembled, and representing nearly one hundred thousand men, That we, as an Order and as individuals, heartily commend and approve the efforts of the President of the United States in his attempt to secure a peace treaty with England, France and other great countries.

Resolved, further, That we commend this subject to the United States Senators from Illinois and urge their careful attention and co-operation in the final consummation of these treaties.

Resolved, further, That a copy of these Resolutions be sent to the President of the United States and one to each United States Senator from this State.

The document was read, and was adopted without a dissenting vote.

The following resolution was presented, and was referred to the Committee on Legislation. See fifty-first report of that committee.

DOCUMENT NO. 70.

Resolved, That upon each and every question determining the future action of the Independent Order of Odd Fellows of Illinois, the method of voting during this session shall be as follows: That the chairman of each county delegation poll the individual representatives of his county upon each and every question, and report the result of said poll when his county is called, and that the usual method of voting in the Grand Lodge be suspended.

WHEREAS, This Order is maintaining at Lincoln, Illinois, a private school for the orphans of our deceased brothers at great expense; and

WHEREAS, We fully believe it would be to the best interest of the orphans that they be placed in schools where they come in contact and competition with outside children the same as they must come in contact with worldly people upon leaving the home;

The Committee on Rebekah Degree presented their second and third reports, as follows, which were laid on the table, under the rule.

DOCUMENT NO. 78.

Second report, by Bro. John A. Lopp, of No. 35.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee on Rebekah Degree would respectfully report as follows, on the matter of the selection of delegates to the Rebekah Assembly:

The following resolution was adopted by the Rebekah Assembly, November 19, 1910, presented to the Grand Lodge at its last session and laid over for one year:

SELECTION OF DELEGATES.

Delegates to the Assembly are now elected in January of each year, the same occurring almost one year in advance of the meeting to which Delegates have been elected.

In view of the fact that a full semi-annual term elapses subsequent to this election, whereby many Noble Grands would be qualified to fill the office of Delegate to the Assembly, it would seem wise to change the election of Delegates from January to July. I therefore recommend that Section 2 of Article VII of the Constitution of the Rebekah State Assembly of Illinois be changed to read as follows:

Sec. 2. Delegates shall be elected by the Rebekah Lodges for the term of two years at the first meeting in July, immediately after installation, notification being sent to the Assembly Secretary of said election on blanks prepared for that purpose; even-numbered Lodges electing in even-numbered years, and odd-numbered Lodges in odd-numbered years.

The committee recommend approval of the above change in the Constitution of the Rebekah State Assembly of Illinois.

Third report, by Bro. John A. Lopp, of No. 35.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee on Rebekah Degree would respectfully report as follows on the matter of the Rebekah Rituals:

The following resolution was adopted by the Rebekah Assembly, November 22, 1911.

The law of our Order at this time prevents the Rebekah Rituals from being taken from the Lodge room. A law that cannot possibly be obeyed is worse than no law at all. The law as it is at the present time is, in ways, a detriment to our Lodges, in that according to other laws, we, as officers, are required to commit in a certain time the different charges; therefore, be it

Resolved, That the Rebekah Assembly petition the Grand Lodge of Illinois to instruct their Representatives to present a resolution to the Sovereign Grand Lodge to change the law, so that the Rituals of Rebekah Lodges may be used by the officers and officers-elect at the discretion of the Noble Grand.

The Special Committee on Death of Past Grand Master Wheatley presented the following report.

DOCUMENT NO. 80.

REPORT CONCERNING THE DEATH OF BROTHER R. W. S.
WHEATLEY, P.G.M.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee to whom was referred the preparation of a report concerning the death of Past Grand Master Wheatley, submit the following:

Death is always an unwelcome visitor. We never seem to be prepared for it. Life is so agreeable, especially when surrounded by friends, that we hesitate to lay down life's burdens, together with the joys that come to us. But it is inevitable and our duty is to prepare for the end, and as a preparation there is nothing better than to live in the midst of the blessings that come to us from our friends. The principles of this Order, Friendship, Love and Truth, when studied and understood and lived by the members of our blessed Order, are great stones upon which we can rear a great character. We, who annually attend this Grand Lodge, realize the fact that many of our dear brethren are annually passing to the great beyond. And while our hearts are grieved at their absence, we linger lovingly in memories' aisle, looking over the good deeds done by them. And as we come and go annually from these blessed reunions, may the Spirit of the Most High bind us in a stronger bond of friendship. Brother Wheatley was a man who won the hearts of his fellow men. He lived in an atmosphere of manliness, and in all his relations in this life he was known as a brother of lofty ideals. Many of us will miss his kindly face, and his loyalty and love which was shown to every member of the Grand Lodge with whom he was connected.

As Grand Master of the State of Illinois, he was industrious and gave the Order the full measure of his time and influence. And the good nature with which he was possessed dispelled many a conflict in the Subordinate Lodges in the State of Illinois. As a presiding officer he was fair and just to the Representatives of the Grand Lodge, and in his death we know and realize that the Order has lost a faithful servant, the State a noble citizen, and his family a true husband and father; therefore, be it

Resolved, by the Grand Lodge, I. O. O. F., of the State of Illinois. That we deeply feel the loss of a strong, noble man like Brother Wheatley, and that we extend to his family in this their sad hour of distress our sincere sympathy as his brethren in the great work in which we are engaged. We also instruct the Grand Secretary of this Grand Lodge to send a copy of this report to his widow at her residence in DuQuoin, Illinois.

JOHN J. BROWN,	CHAS. S. HARRIS,
T. B. NEEDLES,	W. M. GROVES.
FRED B. MERRILLS,	

On motion of Bro. Merrills, P.G.M., consideration of the report was made a special order of business for 11:00 o'clock Thursday morning.

The Committee on Finance presented their reports numbered from sixth to twenty-fourth, both inclusive, as follows:

DOCUMENT NO. 81.

Sixth report, by Bro. M. P. Berry, of No. 412.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee on Finance would respectfully report as follows, concerning the return of \$17.28 taken from Minerva Rebekah Lodge, No. 287, on September 14, 1904, when the charter of said Lodge was taken up, to Leonta Rebekah Lodge, No. 698, which is in effect the same Lodge as No. 297, being in the same place and composed largely of the same people.

Your Committee knows of no reason why this should not be done and we recommend that the petition of Leonta Rebekah Lodge No. 698 for this money be granted and the sum of money returned to it.

Signed by the Committee.

Considered and adopted Thursday morning.

DOCUMENT NO. 82.

Seventh report, by Bro. M. P. Berry, of No. 412.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee on Finance would respectfully report as follows, concerning the Resolution of L. H. Knodell, of No. 450, and others, the effect of which, if adopted, would be for the Grand Lodge to furnish at a cost of One Thousand Dollars two copies of the Odd Fellows' Herald to each Lodge in the State, one for the Deputy and one for the Secretary of the Lodge.

Your Committee have given this matter considerable thought and have listened to arguments for and against the proposition. There are two angles from which the subject matter may be viewed; from the one the proposition looks like it might be a beneficial one, from the other it looks like it would not be. Your Committee, therefore, do not care to make any recommendation for or against the resolution, but return it for the consideration and action of the Grand Lodge without any recommendation on our part.

Signed by the Committee.

Considered Thursday afternoon and tabled.

DOCUMENT NO. 83.

Your Special Historical Committee* would respectfully report as follows:

We have carefully considered the matter of the compilation and publication of a History of the Independent Order of Odd Fellows in the State of Illinois and conclude that this is a subject of far reaching benefit to the Order and a subject that should be carefully considered by every member of the Order in our Jurisdiction.

Such a history, when completed, should be authentic and complete, covering a field consisting of a brief history of the Origin of the Order in the United States; of the establishment of the Order in Illinois, beginning with the institution of the first Lodge in this State, and continuing showing the expansion and development throughout the State down to date of publication; and should contain a comprehensive narrative of the purposes, growth and evolution of the Subordinate

and Rebekah Lodges, Encampment and Patriarch Militant branches of the Order, and the Grand Bodies of each.

The work to be made such that when published it will be a credit to the Order and a book of reliable reference, that can be placed in any and all libraries and known as a standard production. To accomplish this purpose will require great research, time and study on the part of the author.

The effort of the Grand Master, through County Historians, so far has failed to produce the desired data and information of a character that such a production should contain. This statement is not made by way of criticism or disparagement of the County Historian, but is made to emphasize the importance of his position and the necessity for the continuance and redoubling of his efforts.

We recommend that the incoming Grand Master appoint a Committee of Seven (7) to formulate a plan for ascertaining the needed facts, data, etc., for the compilation of a work as above indicated, and to submit to the Grand Master, and he to submit to the Subordinate and Rebekah Lodges, Cantons and Encampments throughout the State, some method of financing the writing and publishing of such a history, together with a prospectus of the book and an estimate of the cost of the complete work, and that the Grand Master request that the matter of the publication and the plan of financing the same be carefully considered in each Subordinate body, so that the Representative can know and vote the sentiments of his Lodge at the next session of the Grand Lodge, when such Committee shall present a report for the consideration of this Grand Lodge.

Respectfully submitted.

In reference to the resolution presented by Brothers L. M. Koch, Representative No. 579, and S. A. Murdock, Representative of No. 143, and C. W. Your Committee have duly considered said resolution and submit that said method of voting is wholly impracticable, that it would consume a useless amount of time and tedious deliberation without obtaining any corresponding good results therefrom. DOCUMENT NO. 138.

JOHN CORSON SMITH.

On New Year's eve, December 31st, 1910, Brother JOHN CORSON SMITH, Past Grand Master, sank into wakeless slumber at his home in the city of Chicago, surrounded by his family and several of his life long friends. He had been ill for several years, suffering intensely from the severe gunshot wound he received while in command of a brigade and repelling a night assault at Kenesaw Mountain, June 27th, 1864. He never fully recovered from this wound, and during the closing years of his life it caused him much agonizing pain.

He was born February 13, 1832, in the city of Philadelphia, coming to Illinois in 1854, locating in Galena. He moved with his family to Chicago 1874, retaining his residence in that city until the final summons came. He engaged in the business of contractor and builder soon after his arrival in Galena, and continued in active business until his removal to Chicago. He was married to Miss Charlotte A. Gallaher in 1856, in Galena, and to them five children were born. The wife and four children survive him: Robert A. Smith, Bellingham, Washington; Samuel H. Smith, John Corson Smith, Jr. and Miss Ruth Smith, all of Chicago. Brother Smith was one of the best known and one of the best beloved men in this country. He was the idol of his own family, and they did everything in their power to cheer him and comfort him in his declining years and during his long illness. He truly loved his family, was indeed loyal to his country, and he ever recognized and was faithful to our Father in Heaven. He is missed by his loved ones at home, his comrades in war, and his brothers and friends in peace.

At the beginning of the Civil War he enlisted as a private in the 74th Illinois Volunteer Infantry. Before being mustered in, however, he was commissioned by Governor Yates to raise a company, and this he accomplished and was by his recruits selected as captain. This company became Company "I" of the 96th Illinois Volunteers, and in the regimental organization he was elected Major. He served with distinction throughout the four dark years in the history of this country. He was breveted "for gallantry" by President Lincoln, February 20th, 1865, and June 20th, 1865, he was breveted Brigadier General "for meritorious service," by President Johnson.

Brother Smith was named as one of the Centennial Commissioners of Illinois in 1874, and later was elected Secretary of the Board. In 1875 he was appointed by Governor Beveridge chief inspector of grain of the city of Chicago, which position he filled with credit for several years. In 1878 he was elected State Treasurer of Illinois, upon the Republican ticket. He was again nominated for State Treasurer in 1882, and was the only Republican candidate for a state office elected in Illinois that year. In 1884, he was elected Lieutenant Governor, and served as presiding officer of the Senate for four years.

Brother Smith loved his fellow men. His heart throbbed in loving, kindly sympathy for those less fortunate than himself, and no comrade or brother ever appealed to him in vain. He served as Department Commander of the Grand Army of the Republic in 1905, as Grand Master of the Masonic fraternity in Illinois in 1887 and 1888, and of the Grand Lodge I. O. O. F. of Illinois in 1871 and 1872. He served two years as Grand Representative to the Sovereign Grand Lodge I. O. O. F., 1873 and 1874. He was Grand Patriarch of the Grand Encampment I. O. O. F. of Illinois in 1860, and Grand Scribe of that body for twenty-five years, closing his service in 1899. The members of this Fraternity realize that they have indeed lost one of their best friends in the passing away of Past Grand Master Smith. At the time of his death and during his long life he was a member of Wildey Lodge, No. 5, and Lead Mine Encampment, No. 5, of Galena, and his remains were taken to that city for interment. When Grand Master, he had general charge of the distribution of the more than \$100,000 contributed by the Odd Fellows for the relief of our members and their families in dire distress as a result of the great Chicago fire. No sacred fund was ever disbursed more carefully or more satisfactorily than was this large amount under the able direction of Brother Smith. Failing health for several years caused him to be absent from the meetings of the Grand Lodge and the Grand Encampment, much to his disappointment and to the regret of the hundreds of his brothers who were personally acquainted with him. He will never meet with us again in this world, but in the world to which he has gone we hope to meet him and enjoy again his warm hand clasp, his kindly smile and his friendly and considerate words. This Grand Lodge extends its heartfelt sympathy to the family of Brother Smith in their bereavement. His life was a sweet benediction not only to them, but to the thousands who knew him and loved him. He rests from his labors now, but the influence of his life for good will go on and on in the years that are to come.

A short time before his death he wrote the following beautiful and touching poem:

"NEARING THE END.

I'm growing old; the hopes and fears,
That waged an every varying strife,
No more awaken smiles and tears,
Disturbing my serener life.

The ardent love, the jealous throb,
Which burned and raged without surcease,
Have left me; and a gentler glow
Of sweet contentment brings me peace.

Strong passion owns my reason's sway;
Calm pleasure comes where love's bestowed;
And quiet friendship soothes my way
Along life's peaceful autumn road.

No unknown future threatens ill;
No fierce ambition drives me on;
I gaze from life's sublimest hill
On dangers past and victories won.

What though my natural powers decay—
My lessening time makes less demand;
The labor done, at close of day,
The farmer resting views his land,

And sees the harvest waving fair,
The ridgy rows with plenty filled;
Sees fruitful fields, erst barrens bare,
The barrens bare his hands have tilled.

So looks life's landscape to my eyes;
My earthly work is nearly done;
A calm comes to me from the skies,
As slowly sinks life's setting sun."

DOCUMENT NO. 139.

Peoria, Ill., Nov. 17, 1911.

To the Grand Lodge of Illinois, I. O. O. F.:

The City of Peoria extends to you a cordial invitation to hold the annual session of the Grand Lodge for the year 1912 in this city.

No city in the State has better railroad facilities than Peoria, with its two direct lines to Chicago, two direct lines to St. Louis, and nine other roads radiating in every direction, giving direct communication to a large part of the State.

Our hotel accommodations will be ample to provide for all who would attend the sessions of the Grand Lodge and Rebekah Assembly. The Jefferson hotel, which will be completed before March 1, 1912, will be the largest and best hotel in Illinois outside of Chicago. With six other large hotels and a score or more of smaller ones, there will be sufficient and suitable accommodations for all, while our citizens will open their homes to care for hundreds who do not care to stop at hotels.

We have two large halls, either of which will be large enough for your meetings. The Coliseum will seat more than three thousand people, but is arranged so as to be convenient for a smaller number. The Shriners' Temple will seat about 1,800 and will be an ideal meeting place with its ample committee rooms and every modern convenience.

The Coliseum is owned by the city, and is furnished free of cost for conventions, and the expense of the Shriners' Temple will be borne by our citizens for your meeting.

If you should decide to meet with us, the Odd Fellows and citizens of Peoria will do everything in their power to make the session a pleasant and successful one, and the undersigned, as mayor of the city, and as a member of the Order, will do all that is possible to aid them in so doing.

Truly and Fraternally yours,

E. N. WOODRUFF,

Mayor.

At that time our new hotel will be completed and we should be glad to have you note the marked strides which have been made in the improvement of this city and be the recipients of such other courtesies as we may extend to you in the way of entertainment, etc.

Yours very truly,

The Special Committee to Witness Exemplification of Degree Work presented the following report, which was accepted, to be entered upon the printed Journal:

DOCUMENT NO. 143.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

We, your committee, appointed to witness the exemplification of the Initiatory and First Degree at the State Armory on the evening of Wednesday, November 22, and report on same, respectfully submit the following:

The meeting was conducted under the charter of Teutonia Lodge No. 166, of Springfield, Ill., by special dispensation given by Grand Master James Ewing Davis. Much credit is due the officers of this Lodge for the splendid efficiency displayed in opening the Lodge, and in the preliminary ceremonies necessary in conferring the degree. Especially would we commend their action in the thorough examination to which the candidate for the first degree was subjected. If all Lodges will follow this example it will be conducive of greater efficiency in the signs and symbols of our Order.

The Initiatory Degree was conferred by John Ericsson Lodge No. 361, of Chicago. Their work was splendid, every line spoken clearly and distinctly, reaching the furthestmost recesses of that large building and in a solemn and impressive manner that brought out the lessons and ideals which this degree is designed to impress upon the candidate as the first great principles of our Order. Their ritualistic and unwritten work was almost letter perfect. The floor work was beyond criticism. Their drill in the formation of the letters and symbols was

beautifully and faultlessly executed. Much credit is due their efficient Captain, V. D. Brevitz, and the entire staff for the splendid rendition they gave of this degree.

The First Degree was exemplified by Teutonia Lodge No. 166, of Springfield, Ill. The work of this staff satisfied and pleased every one, as it demonstrated the beautiful lesson taught in this degree, and in such a manner that it was entertaining as well as instructive. Their delivery was good, every one in the building being able to hear every word. Their ritualistic work was almost perfect and the unwritten work letter perfect. We were informed that this staff have taken but three lessons from our Official Examiner and Instructor, and by these lessons have completely changed their manner of conferring this degree. The splendid character of the work speaks volumes for their ability to adapt themselves to the new work, and of the ability of Chief Examiner and Instructor Warren C. Darnall to impart it to them.

The work of the evening was under the personal supervision and direction of Warren C. Darnall, Chief Examiner and Instructor, and under his able direction moved smoothly and in order. The Chadwick Bros. Quartette of Chicago was present, singing several songs during the evening that added greatly to the instructiveness of the degrees conferred as well as adding to the entertainment of the evening. There were at least twelve hundred in attendance, and all appeared to be deeply interested in the degrees as conferred, and we feel that in the portrayal of these degrees much good has been done the Order throughout the State.

(2) May a Lodge or persons direct or permit the Grand Lodge to use money that had been previously contributed to the Endowment Fund for new buildings? would most respectfully report that an answer to said questions in anything like a correct manner requires the examination and careful consideration of the conditions and restrictions under the law of the Order pertaining to and attached to the donation of said funds, and involves more time than the Committee can give to same at the present session of this Grand Lodge. It therefore requests of your honorable body that further action upon the part of the committee be postponed until its February session, 1912.

A GREAT GRAND SIRE HIGHLY APPRECIATED.

Keenly appreciating the signal honor conferred upon the Odd Fellows of Illinois by the visit of the Hon. JOHN B. COCKRUM, Grand Sire, during the session of the Grand Lodge, it is fitting that due recognition of our obligations to him be suitably expressed.

His able, exhaustive and convincing address delivered before this body will have a wide influence in pushing forward our great brotherhood.

Illinois indulges a just pride in the privilege of entertaining the representative head of the more than 2,000,000 noble men and queenly women of the civilized world, marching forward under the banner of Odd Fellowship to cement the bonds of fraternity among men. Our great annual gain in membership is the direct result of our superb system of beneficence as exemplified in our Homes for helpless orphans and the aged and indigent Odd Fellow, his wife or widow. Added to this are the visit to and care of the sick and the gentle ministrations in the burial of the dead.

The visit of the Grand Sire gives new inspiration and a deeper conception of duty that will be felt throughout our great state.

By direction of the Grand Lodge of Illinois, therefore, I submit the foregoing testimonial and expression of esteem of our 100,000 Odd Fellows to our Grand Sire, JOHN B. COCKRUM.

Dec. 4.—The five per cent Contingent Fund of a Subordinate Lodge may not be used for purchasing jewels for Past Grands. 507.

Dec. 5.—A Subordinate Lodge may not loan any portion of its robes that could be utilized by the male members of a Rebekah Lodge in portraying the characters they may take in the conferring of the Rebekah Degree. 508.

Dec. 6-7.—A Committee on Laws has not power arbitrarily to amend a law. 508.

Dec. 8.—Question.—Are the words "Calendar Day" proper words to insert in a By-Law in regard to hiring a nurse, the Sovereign Grand Lodge having decided that only night nurses or watchers must be furnished and that a Lodge may provide for day nurses or watchers in its By-Laws? Answer.—Yes. 508.

Dec. 9.—Question.—Does the question of being deprived of the privilege of selling liquor by vote of the people constitute a going out of the liquor business under the law prohibiting hotel keepers tending bar from being members of this Order? Answer.—Yes.

Dec. 9.—Question.—Does the resumption of this business, dispensing liquor over the bar, two years later, in accordance with the vote of the people and the laws of the State, constitute a resumption of the liquor business, under the law prohibiting hotel keepers tending bar from being members of this Order? Answer.—Yes. 509.

Dec. 10.—When the law requiring that a resolution to change, alter or amend any law must, upon its face and by its terms, state distinctly the particular law to be affected, a change, alteration or amendment in the enactment of which this requirement is disregarded is void. 509-10.

Dec. 11-12.—Question.—If the Constitution of a Grand Lodge fixes a minimum fee that shall be charged all who join a Lodge in the jurisdiction, and a resident of that jurisdiction joins a Lodge in another or adjacent jurisdiction that charges a lesser fee than the Constitution of the Grand Lodge of the jurisdiction in which he resides provides, under the laws of the Sovereign Grand Lodge, shall the difference be paid to the Grand Lodge of his jurisdiction? Answer.—Yes. 510.

Dec. 14.—A brother, having changed his place of residence, wishes to avail himself of the advantages of the transfer law of 1904. Question.—Must the brother pay the rate of dues provided by the new Lodge's By-Laws or does his connection with his old Lodge in any way influence the amount of dues to be paid into the Lodge to which he transfers? Answer.—As soon as transfer is effected he will be controlled by the By-Laws of the new Lodge. 510-11.

Dec. 15.—Question.—Is a Syrian, an Arab, or an Arabian, entitled to membership in our Order? Answer.—First, a Syrian is a Caucasian and is therefore entitled to membership. Second, an Arab, or Arabian, is not entitled to membership in our Order. 511.

Dec. 16.—Statement.—The Rituals of Subordinate and Rebekah Lodges (page 34, Subordinate; page 13, Rebekah), provide that when balloting upon applications for membership or degrees, it is not permissible to exhibit the ballot to any member except to the Noble Grand and the Vice Grand. The contention is made that the Ritual governs only in matters purely Ritualistic, and that Grand Bodies may provide by legislation that the ballot may be exhibited to, and examined by, the Supporters of the Noble Grand.

Question.—Are not the provisions of the Rituals, above mentioned, applicable upon all Lodges? Answer.—Yes. 511.

Dec. 17.—Question 1.—Does the adoption of a resolution to establish concurrent jurisdiction throughout a Grand Jurisdiction abridge the rights and intention of the Sovereign Grand Lodge in its provision for the use of "Transfer Certificates" within Grand Jurisdictions? to establish concurrent jurisdiction to the exclusion of this form of change of membership? Answer.—Yes. 512.

O. O. F.? Answer.—Yes. 512.

Dec. 20.—Question.—Can a Third Degree member, not being a Past Grand, act as a District Deputy? Answer.—No. 512.

Dec. 24.—Statement.—A member of the Order resides in California, but belongs to a Lodge in Kansas. Such member conducts himself in California in a manner unbecoming an Odd Fellow, and a Lodge or member of the Order in California desired to file charges against such brother. Question.—What is the procedure? Answer.—In the absence of any local regulation upon the subject, a member desiring to prefer charge or charges against a member or members of one Subordinate Lodge shall present such charges in the usual form to such Lodge, of which the accuser is a member. Such Lodge shall forthwith forward to the Lodge to which the accused may belong a certified copy of the charge or charges, over signature of the Noble Grand and Secretary, and attested by the seal of the Lodge. And the Lodge to which such charge or charges shall be sent, shall proceed to hear and determine the same in like manner as if preferred by a member of its own body. 512-13.

Dec. 25.—Question.—Who may file charges? Answer.—Any member of a Subordinate Lodge. 513.

Dec. 26.—Question.—In what Lodge should they be filed? Answer.—In the Lodge to which the accused brother belongs.

Dec. 28.—Question.—Can a Grand Lodge charge a sum equal to one year's dues in addition to the price of the certificate, on application for a Dismissal Certificate from a former member who has been dropped for non-payment of dues by a Lodge now defunct? Answer.—Yes. 513.

Dec. 29.—Question.—Has the Grand Master the authority to confer the Rebekah Degree on five Subordinate members, or five outsiders (eligible to the degree), for the purpose of instituting a Rebekah Lodge? Answer.—Yes. Provided the Grand Master is a member of the Rebekah Lodge himself. 513.

Dec. 30.—Question.—What will the Grand Master do who is not a member of the Rebekah Lodge? Answer.—Appoint some Past Grand, or Past Noble Grand, who is in good standing in the Rebekah Lodge, to confer the degree and institute the Lodge. 513.

Dec. 31.—Question.—Does any member transferring from one Lodge to another have to pay anything extra, he being over forty years of age, under the transfer law where the By-Laws of a Lodge say all applicants over forty years of age must pay the sum of one dollar for each year over forty? Answer.—No. 513-14.

Dec. 32.—Question.—Is an Assyrian entitled to membership in our Order? Answer.—An Assyrian is of the Caucasian race, and, therefore, is entitled to membership in our Order. 514.

Dec. 33.—Question.—Is a law constitutional to tax sister Rebekahs for the maintenance of the Home? Answer.—Yes, the Grand Lodge having legislated authorizing the assessment, Rebekah Assemblies are subordinate to Grand Lodges, and members of Rebekah Assemblies are subject to a tax imposed by the action of a State Grand Lodge. 514.

Dec. 34.—Question.—Can a Rebekah Assembly make a law (in case the above tax is not paid by the sister and she is suspended for non-payment of dues from her Lodge) that can hold the Lodge responsible for the tax? Answer.—No. 514.

Dec. 35.—Question.—Can a Rebekah Assembly refuse a Lodge their credentials for their delegates to the Assembly, after they have paid their Assembly per capita tax, provided their members have not all paid the Home tax? Answer.—No. 515.

Dec. 36.—Question.—Can the Assembly suspend a Rebekah Lodge or take its charter in such a case? Answer.—No. 515.

Dec. 37.—Question.—A new member admitted April 10, August 10, or November 10, should he pay this tax? If so, what part of the year, or would the tax be made up on the report of the members in good standing on December 31 of the previous year, the same as a per capita tax? Answer.—This depends upon local legislation of the Grand Jurisdiction involved. 515.

Dec. 38.—Question.—Who is entitled to vote in the Grand Encampment for Grand Representatives to the Sovereign Grand Lodge? Some Subordinate Encampments send as many as six or eight to the Grand Encampment, when entitled to only one. Have they a right to a vote? Answer.—All persons entitled to vote on any question are entitled to vote for Grand Representatives, unless otherwise provided by local law. 515.

Dec. 39.—Question.—Can a Lodge refuse to pay a brother benefits for permanent injury sustained by him while in the discharge of his duties as a car inspector for a railroad company, simply for the reason that he is trying to support himself in another business which produces much less income than he was formerly receiving, but not enough to provide himself and five children with food and clothing? Answer.—No. 515.

Dec. 40.—Question.—While a brother is in good standing in his Lodge and receives an injury which makes it impossible for him to follow his usual occupation, but is able to carry on a business which does not furnish a sufficient income to support himself and his five children with decent clothing and proper and healthy food, can the Lodge refuse to pay him benefits? Answer.—No. 515.

Dec. 41.—Following a statement of facts filling considerable more than a page, beginning near the foot of page 515—Question.—Is there any law or principle in Odd Fellowship that would prevent the Rebekah Assembly of Nevada placing over the I. O. O. F. Orphans' Home the name of "Royal D. Hartung Home for Orphans and Foundlings?" Answer.—There is no law of the Sovereign Grand Lodge to prevent the use of the name of a dead person in connection with establishment of institutions of the Order, such as Lodges, Encampments, Rebekah Lodges, etc. 515-17.

Dec. 42.—Statement.—A number of Scarlet Degree brothers in this jurisdiction desire to have an Encampment chartered to work in the Bohemian language, excepting the Ritualistic work, for which the Sovereign Grand Lodge has made no provision. Question.—Could they be issued a charter to work in the Bohemian language, which would mean keeping their records and transacting all Encampment business in that language, but conferring the degrees in the English language? Answer.—No. An Encampment may not be organized to keep its records and transact its business in the Bohemian language, and confer the degrees in the English language. 517.

Dec. 43.—Question.—Does the transfer of membership law, as it now stands, apply to the quasi-independent jurisdictions, and in particular to the Jurisdiction of Sweden, as governing the transfer of membership from that jurisdiction to a Lodge in our own Jurisdiction of Pennsylvania and vice versa? Answer.—Yes, this law applies to all jurisdictions acting under the authority of the Sovereign Grand Lodge and must be so respected, unless restricted in special charters issued to quasi-independent jurisdictions. 517.

Dec. 44.—Statement.—Our Grand Lodge and Grand Encampment, acting under legislation digested in paragraphs 834 and 838 of Busbee's Digest, have enacted legislation providing that members of our Home are not entitled to benefits, and are not subject to the payment of dues. Question 1.—Must the Subordinate Lodge, I. O. O. F., pay benefits on account of disability of one of its members, who is a member or inmate of the Masonic Home of Washington? Answer.—Yes. Question 2.—If your answer is in the affirmative, to whom shall the benefits be paid? Answer.—To the brother. Question 3.—Must the member pay dues to his Subordinate Lodge while a member of the Masonic Home? Answer.—Yes. 517-18.

Dec. 45.—The case of Martin Garrett, of East Tacoma Lodge, No. 89, Washington—a statement of facts and action of the Grand Lodge. Question.—Does this action of the Grand Lodge cure the break in the continuity of Brother Garrett's membership; and would Brother Garrett be entitled to purchase and wear a Veteran Jewel? (If it were not for his suspension for non-payment of dues, as above noted, he would have twenty-five years' continuous membership.) Answer.—No. 518.

‡Until 1845 inclusive, proxy representation in the Grand Lodge of the United States was permitted. In 1839 Past Grand Master Samuel Pryor, of Pennsylvania, was elected proxy Representative by the Grand Lodge of Illinois, but did not serve. At the adjourned session in April, 1840, Past Grand Master Augustus Mathlot, of Maryland, presented credentials as proxy Representative of Illinois, which were accepted, and he was also recognized in that capacity at the annual session in October following; but there is no record of his election or appointment. In 1842 and 1843, James Earnest, of New York, was elected and served as proxy Representative of Illinois. In 1844 Past Grand Master William S. Stewart, of Missouri, D.D.G.S., was requested to appoint a proxy Representative for the Grand Lodge of Illinois; but no such proxy was present at the session of that year, unless Stewart himself acted in that capacity. In 1845 no election for Representative was held.
